The Resurrection Life Myron S. Augsburger, 2005 The truth of a living Christ sets Christianity apart from all other religions How does Jesus resurrection impact our lives in the twenty first century Myron Augsburger contends that because Jesus is alive the power of God is current to transform our lives and empower us for authentic Christian living He stresses that the Christian life is one of relationship with Jesus and with the community of believers

The Power of the Resurrection Francis Innocent Otopo, 2012-09-29 The Resurrection of Jesus is one of the central beliefs of the Christian faith This belief and teaching cut across all the Christian denominations Hence Paul teaches that if Christ had not risen from the dead then we would have been the most foolish of all religious groups But the fact that He Christ died and came back to life gives us the opportunity to glory in the resurrected Christ The book *The Power of the Resurrection* is centered on the resurrection of Jesus and the meaning that this resurrection has for us as individual Christians who believe in the risen Lord It is not a theological work aimed at defining the resurrection nor is it a historical work aimed at tracing or verifying the veracity the resurrection No It is rather a faith lifting book on the basis of the resurrection story as we have it in the Christian bible Just as Jesus rose from the dead in the midst of all the opposing tides so shall those who trust in him rise above all opposing tides in their life Jesus could not be stopped so also by the grace of Him who rose from the dead nothing is going to stop your upliftment and manifestation also The resurrection shall be your experience in your daily life and at the end of time he who raised Jesus from the dead shall give life to your own mortal body too This is the argument of the book Jesus the son of God came into the world for the love of humanity His teachings were misunderstood and so through the journey to Calvary he was crucified and died on the cross on Calvary Yes he died The chief priests and the scribes and the Pharisees in conjunction with Pilate conspired against him He was sentenced to death He accepted the death willingly and lovingly He died that we might be saved Hence his death brought salvation to the world However before he died he promised the resurrection He did not hide the fact of the resurrection Openly he said the son of

man shall be delivered into the hand of sinners he shall be put to death but on the third day he will rise again In another place he said destroy this temple and in three days I shall raise it up and there was misunderstanding again The people thought he was referring to the physical temple but from scripture we know he was referring to his body rising from the dead Thus he did spoke about the resurrection quite clearly This is where this book hinges its weight Because he promised the resurrection after the execution the chief priests and the soldiers knowing what he was capable of doing asked the permission of Pilate for the grave to be guarded till the third day This is because he said on the third day I will rise again They knew that it could happen They said this man who gave sight to the blind who raised the dead Lazarus and also Jairus Daughter who cleansed lepers who casts out devils this same man said on the third day I will rise again And they concluded if he should rise again from the dead then it will be worse for us Hence they received the permission to guard the grave to prevent any rising from the dead Humanly speaking therefore the resurrection would not have been possible This is because they did everything to prevent it They put a very big stone to wedge the entrance hence no coming out and no going in More so they stayed on guard with weapons to prevent any fraudulent act They were prepared to kill again even if he should try to come out of the grave that is if he was able to overcome the wedging stone Therefore from the human point of view it was impossible By their calculation they have overcome they have conquered and they have become victorious *The Most Powerful Prayer: The Resurrection Power!* Olusegun Festus Remilekun, 2017-12-14 Introduction And behold I send the promise of my Father upon you but tarry ye in the city of Jerusalem until ye be endued with power from on high Luke 24 49 Friend it is time to walk in power and authority You are a creature of power you have to become conscious of the power in your walk with God Power is the ultimate It s time to walk into your liberty and get to your Canaan land Your land flowing with honey and milk is waiting for you to possess In my country Nigeria we have three major tribes namely the Hausa s the Yoruba s and the Ibo s The Ibo men are looking for money and they have it Yoruba men are looking for education and they have it Hausa men are looking for power and they have it But the Hausa men are controlling both those with money and those with certificates A man in power can control a man with money and with degrees You can hate a man with power but you are still under him You can speak grammar more than him but you are still under him Just one decision he will make can affect your source of money That is why Jesus did not promise His disciples money or scholarships But he said And ye shall receive power Because He understands that there are powers of darkness that are on assignment against our lives Do not just pray for promotion in the office Pray for promotion in the school of power No matter how religious you are Pharaoh won t let you go without a demonstration of power Your grammar your education or your money makes no difference Friend the kingdom of God is not in words but in the demonstration of the Spirit and of POWER 1 Cor 2 4 The power I am talking about is the RESURRECTION POWER In the book of John 11 25 Jesus said unto her Martha I am the resurrection and the life he that believeth in me though he were died yet shall he live The resurrection power is the power that makes alive It is the

power that creates It is the power that will ascend you to glory This power will give you ceaseless open doors breakthroughs and victory in life The resurrection Power is not a theology it is a person The resurrection power is the ultimate power for the believers In this book you are going to have an unforgettable encounter with His resurrection power Can you cry to heaven for His power this day Releasing Resurrection and Revival from the Courts of Heaven Robert Henderson,2022-02-15 Do you need to experience Resurrection or Revival in any area of your life Many Jesus followers are sleepwalking through their Christian lives They wear a smile attend church gatherings and try their best to make it through but they don t really expect answered prayers breakthroughs or a miraculous change in their situations Resurrection Life and Power Samuel Logan Brengle,1925 *The Power of His Resurrection* Arthur Anton Vogel,1976 Life After Death Porsche Armstrong,2015-04-18 Life After Death The Resurrection Power of Jesus Applied To Everyday Life is a devotional that highlights the significance of the Cross and the death burial and resurrection of Jesus Christ as it relates to the Christian faith and all of human life Understanding the perfect sacrifice of our Lord and Savior Jesus Christ allows us to live life fully and freely even amidst intense pain deep suffering and adversity and frequent trials With a foundation deeply rooted in the love of Christ we are able to persevere on earth with endurance and patience knowing that if we hold fast to our faith in both the good and the trying circumstances of life we will one day share in the glory of Jesus Christ upon the day of His return This book uncovers unprecedented truth by examining life circumstances that produce dying moments for both the believer and the unbeliever recounting relevant biblical stories and addressing real life experiences in a perspective that engages the reader in necessary self reflection The devotional serves as encouragement for the diligent restoration for the weary comfort for the broken in spirit grace for the hardened of heart and mercy for the impenitent It is our prayer that the words shared in the first installment of the Life After Death series give a new found hope so that God can continue to use us all for His glory Keep fighting the good fight of faith **Power in Weakness** Timothy G. Gombis,2021-02-02 Envisioning cruciform community built on resurrection hope After Paul s encounter with the risen Christ on the road to Damascus he turned from coercion and violence to a ministry centered on the hope of Christ s resurrection In earthly terms Paul had traded power for weakness But as he explained in his subsequent letters this weakness was actually the key to flourishing community that is able to experience God s transformation restoration and healing What would it mean for pastors today to take seriously Paul s exhortation in 1 Corinthians 11 1 to imitate me as I imitate Christ and lead their congregations in this way Instead of drawing leadership principles and practices from the worlds of business education and politics which tend to orient churches around institutional power and image maintenance Timothy Gombis follows Paul in resisting the influence of the present evil age by making cruciformity the operating principle of the church Gombis guides the reader through practices and patterns that can lead a congregation past a focus on individual salvation toward becoming instead a site of resurrection power on earth **Healing the Nations** John Loren Sandford,2000-03-01 Teaches the Body of Christ how to break Satan s hold on
