Resurrection Morning Max Lucado, 2004-01-01 Max Lucado whose Christian books have sold an astonishing 33 million copies produces another gift book for all ages in Resurrection Morning an Easter story In the story Christ's resurrection is viewed through the eyes of a Roman soldier stationed at Jesus tomb After feeling the ground shake beneath him and seeing a flash of white light emanate from the tomb the soldier knows that he has witnessed a miracle Lucado uses his gift of storytelling and perceptive character study to enrich this book which has full color illustrations **Morning** Shirley A.

McGarrell, 2013-06-19 O Glorious morning What a wonderful day Mornings are always full of expectation and hope for the days they bring forth Each day they shed a new light on life The dew in the morning before the sunrise is a soft touch that starts the day which could be full of activity or a day of slumber and relaxation The beauty of morning is that it can never be the same for each day It will always be new It will always be different And it will always be a gift In the Maracas Valley of St Joseph Trinidad where the author and her beloved husband Roy have resided for the past twenty plus years the morning mist veils the sun and allows for a gentle movement into each new day Mornings are about rebirth This book about mornings presents a unique opportunity to look at the start of a variety of new beginnings each with its own portent The author moves the reader along on the journey of each special day She receives what is presented and works with it never leaving hope behind I can personally testify to this She gave me hope and raised me up at a time when I had to dig deep to find it She demonstrates how life has value for her in spite of what is thrown her way She accepts her slice and moves on like a flowing river This book has a message for persons in all walks of life and of all ages Its messages are profound without being weighty In essence they are fresh like the early morning breeze in the Maracas Valley of St Joseph It is her hope that readers will be blessed by bringing a fresh breeze perception to every morning *The Last Supper* John Turner, 2014-05-26 Discover from

The Trial of the Gospel Alexandru Neagoe, 2002-05-16 For many years Luke Acts has been studied as a work of history and theology The Trial of the Gospel sets out to examine Luke's writings as an apologetic work by focusing on those parts of

Luke's story where the apologetic overtones seem most prominent the trial narratives By analysing the trials of all major Lukan characters Jesus Peter Stephen and Paul Alexandru Neagoe argues that the narratives are best understood when viewed as part of Luke's apologia pro evangelio a purpose which is in keeping with the author's declared aim to give his readers assurance about the matters in which they had been instructed Luke 1:4 Neagoe concludes that the specific role of the trial narratives is to provide the framework within which important tenets of the Christian faith are themselves put on trial before the reader with the intended result of the gospel's confirmation *Hymns of the Jubilee Harp* Hymns of the Jubilee harp, 1868 *The Jubilee Harp*, 1868 *The Lord's Song. The Life of Christ Ernest DeWitt Burton, Shailer Mathews, 1911 **Mark's Gospel** Hermann Beckh, 2021-05-17 Hermann Beckh's masterful study of Mark's Gospel offers much more than scholarly argument It is the work of a true visionary who allows his readers to discover the meaning of the Earth and of humanity for themselves Beckh was in the forefront of entirely new research and recovery of the Gospel writing more for the future than for his own time It is not uncommon for biblical scholars to view St Mark's Gospel as little more than an assemblage of fragmentary sources and a copy of uncertain early memories The Gospel is said to have little historical veracity harmony or guiding structure Beckh's contemporary the German writer Arthur Drews even argued that the text was nothing more than a simplistic solar myth wherein another Sun hero pursued his way around the Greco Roman constellations Mark's Gospel The Cosmic Rhythm is a response to such twentieth century materialistic thinking He was asked to write the book in the 1920s by the leaders of The Christian Community who sought to rescue the desecrated Gospel from its opponents Inspired by Rudolf Steiner and a vast knowledge of ancient languages Tibetan Sanskrit Pali and Avestan along with Hebrew Greek and Latin the Rev Professor Hermann Beckh perceived how the Gospel reflects God's Everlasting Covenant and meticulously expressed its aesthetic unity the consonance of its parts and its consequent radiant clarity His far reaching understanding of sacred texts in the original
