Ogden, James R. Ogden, Robert Paul Jones, 2017-08-02 Light on the fluff solid on the basics the fourth edition of Retailing is a concise text that covers strategic issues with an eye on financial considerations and operations management issues illustrated through retail cases and exercises New co author Robert Paul Jones is Department Chair of Hospitality and Retail Management in the College of Human Sciences at Texas Tech In addition to his extensive academic work Dr Jones has over 25 years of executive leadership and consulting experience in retail and hospitality He uses an Integrated Retail Management flow chart to depict retail functions Most retail texts present students with a series of chapters that provide useful information but fail to explain how the various activities involved in retailing affect each other The 4th edition offers the student an overview of the retail process through the use of an integrated retail management IRM plan The steps involved in retailing as presented in the text are tied together through the IRM plan Expanded coverage of Mobile and e Tailing and included throughout the text and not treated as a stand alone chapter This helps emphasize that e tailing is a form of retailing that uses many of the same models as other forms Includes updated cases and real world examples And omni channel retailing incorporated throughout text      *Retailing* Richard Hobart Buskirk, Bruce D. Buskirk, 1979      Lean Retail. Can lean production help retailers to address global challenges? Simon G Fauser, 2012-02-27 Saturated markets a decreasing valuation of fashion by a part of consumers paired with missing impulses by some companies has brought along a crisis in retail especially in Europe Changing consumer demand customer sophistication customer empowerment via the internet and rapid industry change are just a few challenges global retailers are facing today The consequence is big pressure on prices and margins and a need for process excellence As in the 1990s the American and European automotive industry struggled with similar challenges a concept named lean production was imported from Japan It helped some Western automotive companies like Porsche and big parts of industry to find their way back on the path of success Is the route to success via lean production exclusive to industry Or might retailers today benefit from lean production philosophy In this book Simon Fauser approaches these questions by analysing lean production philosophy extracting lean principles and applying these to retail and its challenges      Understanding Retail Dr. N. V. R. Nathan, Suma M. A., 2021-02-05 Organized retail has over 4 2 million front end retail staff and over 42 million in the unorganized sector in India Over 70% retail front end staff are neither trained nor aware of all retail terminologies or handling of the customer This book gives the reader a complete understanding of retailing in the modern era and how to be a part of the retail front end to support the retail business Knowledge is power and this book can empower understanding of the retail sector and various formats of retailing
