Rethinking Language Arts Passion And Practice:

Rethinking Language Arts Nina Zaragoza, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company *Rethinking Language Arts* Nina Zaragoza, 2013-12-02 In *Rethinking Language Arts Passion and Practice* Second Edition author Nina Zaragoza uses the form of letters to her students to engage pre service teachers in reevaluating teaching practices thus bringing to life a vision of an alternative classroom environment in which the teacher is the prime mover and creative leader Zaragoza discusses and explains the need for teachers to be decision makers reflective thinkers political beings and agents of social change in order to create a positive and inclusive classroom setting This book is both a critical text that deconstructs the way language arts are traditionally taught in our schools as well as a visionary text with clear no nonsense directions on how to provide much needed change in our schools Freireian Pedagogy, Praxis, and Possibilities Stanley S. Steiner, H. Mark Krank, Robert E. Bahruth, Peter McLaren, 2004-11-23 Scholar activist and educator Paulo Freire was one of the first thinkers to fully appreciate the relationships between education politics imperialism and liberation This volume is a testament to the works of Paulo Freire in the field of Education as well as the life of the man a story of courage hardship perseverance and unyielding belief in the power of love In this comprehensive collection prominent intellectuals including Noam Chomsky and Donald Macedo reflect on Freire's politics of liberation and add important new dimensions to the revolutionary innovative ideas that Freire bequeathed to a generation much in need **Educational Reform** Douglas J. Simpson, Michael J. B. Jackson, 2023-07-28 First published in 1997 This book illuminates contemporary educational reform discussions regarding teacher education programs and pre K 12 schools by providing a clear analysis and application of John Dewey's relevant educational writings and ideas The volume addresses issues of how future teachers should be liberally educated as well as prepared to be professional educators Pre K 12 education is evaluated through a Deweyan lens involving a discussion of such topics as the teacher's responsibilities charter schools a common curriculum professional development schools new curricula school administration and cooperative learning In the concluding chapter the authors point out many of the questions and concerns that those who are interested in educational reform are well advised to ask and discuss *Inner-City Schools, Multiculturalism, and Teacher Education* Frederick L. Yeo, 2013-04-03 Focusing on the causes for the continuing marginalization of minority children this book examines inner city education its teaching practices curricular rationales perspectives of teachers and students and the institutions themselves **Pedagogy and the Politics of the Body** Sherry Shapiro, 2005-07-05 Working within the relatively new perspective on the body as a zone of critical praxis Shapiro lays the foundation for the theory and practice of a somatically oriented critical pedagogy **Cutting Class** Joe L. Kincheloe, Shirley R. Steinberg, 2007-07-12 In these vivid thought provoking essays leading scholars draw from their own life experiences to explore the ways in which socio economic class has shaped their lives and educational practices Some experienced the sting of poverty as students while others tell stories of a privileged upbringing and moments of

epiphany when they recognized the far reaching effects of class privilege Many in this volume tell stories of their successful and not so successful teaching experiences with students from various social classes providing valuable insights for teachers and other education professionals

Children's Books for Grown-Up Teachers Peter Appelbaum, 2017-09-25 Teachers and prospective teachers read children's books but that reading is often done as a teacher that is as planning for instruction rather than as a reader engaged with the text Children's Books for Grown Up Teachers models the kind of thinking about teaching and learning the sort of curriculum theorizing accomplished through teachers interactions with the everyday materials of teaching It starts with children's books branches out into other youth culture texts and subsequently to thinking about everyday life itself Texts of curriculum theory describe infrastructures that support the crafts of inquiry and learning and introduce a new vocabulary of poaching weirding dark matter and jazz At the heart of this book is a method of reading Each reader pulls idiosyncratic concepts from children's books and from everyday life Weaving these concepts into a discourse of curriculum theory is what makes the difference between going through the motions of teaching and designing educational experiences This book was awarded the 2009 AERA Division B Curriculum Studies Outstanding Book Award
