## **Rethinking Russias National Interests:**

**Rethinking Russia's National Interests** Stephen Sestanovich, 1994      Russian National Interests and the Current Crisis in Russia Henry Trofimenko, 2019-05-23 First published in 1999 this book analyses the national interests of Russia as they are indicated by the current policies of the Russian government and formulated in public and not so public discussions in high echelons of government The author not only sums up and critically reviews those interests in general but gives detailed analysis of specific interests of Russia in Europe Asia and the Middle East A large chapter is devoted to the review of converging and diverging interests of the USA and Russia The main value of the book is in its philosophical aspect An outstanding Russian foreign policy expert who for 20 years participated in inner debates on a high level on issues of Soviet foreign policy and was considered by US politicians and scholars to be one of the top experts in Moscow on the US foreign policy and military strategy muses over the fate of Russia and its current foreign policy and domestic predicaments

**Mortal Friends, Best Enemies** Celeste A. Wallander, 2018-05-31 Several hundred thousand members of the Red Army were stationed in East Germany when that state was reunited with its western counterpart The peaceful transfer of these soldiers to their homeland produced a welcome outcome to a potentially explosive situation Through an investigation of the strategies of German and Russian decision makers Celeste A Wallander explores what conditions facilitate or hinder international cooperation in security matters Wallander spent the months and years after the fall of the Berlin Wall interviewing officials and politicians from Germany and Russia She reveals how these individuals assessed and responded to potential flashpoints the withdrawal of Russian military forces from Germany the implementation of arms control treaties the management of ethnic and regional conflicts She also examines the two states views on the enlargement of NATO The first detailed account from both countries perspectives of the extraordinary contraction of Russian power and the implications of German unification Mortal Friends Best Enemies clearly depicts the important role European and global institutions played making the military disengagement possible Wallander draws on these findings to develop a new institutional theory of security relations In it she defines the techniques that international institutions can use to help states solve obstacles to security

Russian National Interests and the Current Crisis in Russia Genrikh Aleksandrovich Trofimenko, 1999 This text analyzes national interests of Russia as they are indicated by the current policies of the Russian government and formulated in public and not so public discussions in high echelons of government It sums up and critically reviews those interests in general but gives detailed analysis of specific interests of Russia in Europe Asia and the Middle East A large chapter is devoted to the review of converging and diverging interest of the USA and Russia The main value of the work is in its philosophical aspect      **Russia's Foreign Policy** Andrei P. Tsygankov, 2010-03-16 A third edition of this book is now available Now fully updated and revised this clear and comprehensive text explores the past thirty years of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Putin and Medvedev Drawing on an

impressive mastery of both Russian and Western sources Andrei P Tsygankov shows how Moscow s policies have shifted with each leader s vision of Russia s national interests He evaluates the successes and failures of Russia s foreign policies explaining its many turns as Russia s identity and interaction with the West have evolved The book concludes with reflections on the emergence of the post Western world and the challenges it presents to Russia s enduring quest for great power status along with its desire for a special relationship with Western nations

*Explaining Russian Foreign Policy Behavior* Alexander Sergunin, 2016-03-22 This book aims to explain the reasons behind

Russia's international conduct in the post Soviet era examining Russian foreign policy discourse with a particular focus on the major foreign policy schools of Atlanticism Eurasianism derzhavniki realpolitik geopolitics neo Marxism radical nationalism and post positivism The Russian post Soviet threat perceptions and national security doctrines are studied The author critically assesses the evolution of Russian foreign policy decision making over the last 25 years and analyzes the roles of various governmental agencies interest groups and subnational actors Concluding that a foreign policy consensus is gradually emerging in contemporary Russia Sergunin argues that the Russian foreign policy discourse aims not only at the formulation of an international strategy but also at the search for a new national identity Alexander Sergunin argues that Russia's current domestic situation defined by numerous socio economic inter ethnic demographic environmental and other problems dictates the need to abandon superpower ambitions and to rather set modest foreign policy goals

**Russian Nationalism Since 1856** Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases\_Russian panslavism in 1856 1878 and great power nationalism in 1905 1914\_when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior

**Russian Westernizers and Change in International Relations** Andrei P.

Tsygankov, 2024-06-07 Russian Westernizers and Change in International Relations summarizes the Westernizing trend in Russian thought from the early nineteenth century to the present day This book looks at Russian thinkers and politicians who have considered Western European civilization to be superior to others and who have drawn the conclusion that Russia consequently ought to align itself with the West rather than preserving certain traditional Russian values and that not doing so is an impediment to political social and economic evolution Within this trend of thought the author identifies four schools Christian Westernizers Economic Liberals Political Liberals and Social State Supporters and explores examples of each The author compares Russian thinkers from different periods finding contrasts and similarities within their political and historical settings and assessing their responses to their unique circumstances He analyzes Russian Westernizers self definition and ideas of national freedom relative to those of Western nations exploring how the West's definition of values and institutions has changed over time He shows how Western historical developments affected waves of Westernization and pro Western thinking inside Russia arguing the importance of this being grounded in national state building priorities The growing complexity of global relations the declining global influence of the West and the war in Ukraine present Russian Westernizers with new questions and challenges and this book assesses the resulting implications This book will appeal to students and scholars of Russian foreign policy Russia West relations IR theory diplomatic studies political science and European history
