You Could Live a Long Time Lyndsay Green, 2010-03-25 Are you ready to live a long time or do you dread it Recent medical advances mean we could live longer but doesn t guarantee the quality of that life In the words of one senior We re not living longer we re dying longer The good news is that it doesn t have to be this way Getting older doesn t have to mean living a limited life Author Lyndsay Green has interviewed forty successful seniors to talk not just about the problems of old age but its strength and benefits These seniors were from all walks of life and from all over the country living in Victoria Vancouver Ottawa Montreal Kingston and Halifax aged 75 to 100 They have been identified as the self reliant seniors we would like to be and they share their wisdom and strategies for independent and happy living The book combines their advice with cutting edge research to arrive at specific suggestions for what we should be doing now to prepare for old age and includes resources to help us implement the advice including Money isn t everything and won t cure ill health or loneliness Cultivate new friendships now To keep your dignity give up your pride You need a work plan instead of a retirement plan To keep a home consider leaving your house If you push too hard to stay young you ll get old faster The unique message is that we should not try to avoid old age Instead of trying to do the impossible to stay forever young Green comes to the radical

conclusion that in order to get as much as possible out of our old age we will need to embrace it *Youth'n Your Life*
