

THE COST FOR AN AMERICAN TO Comfortably Retire

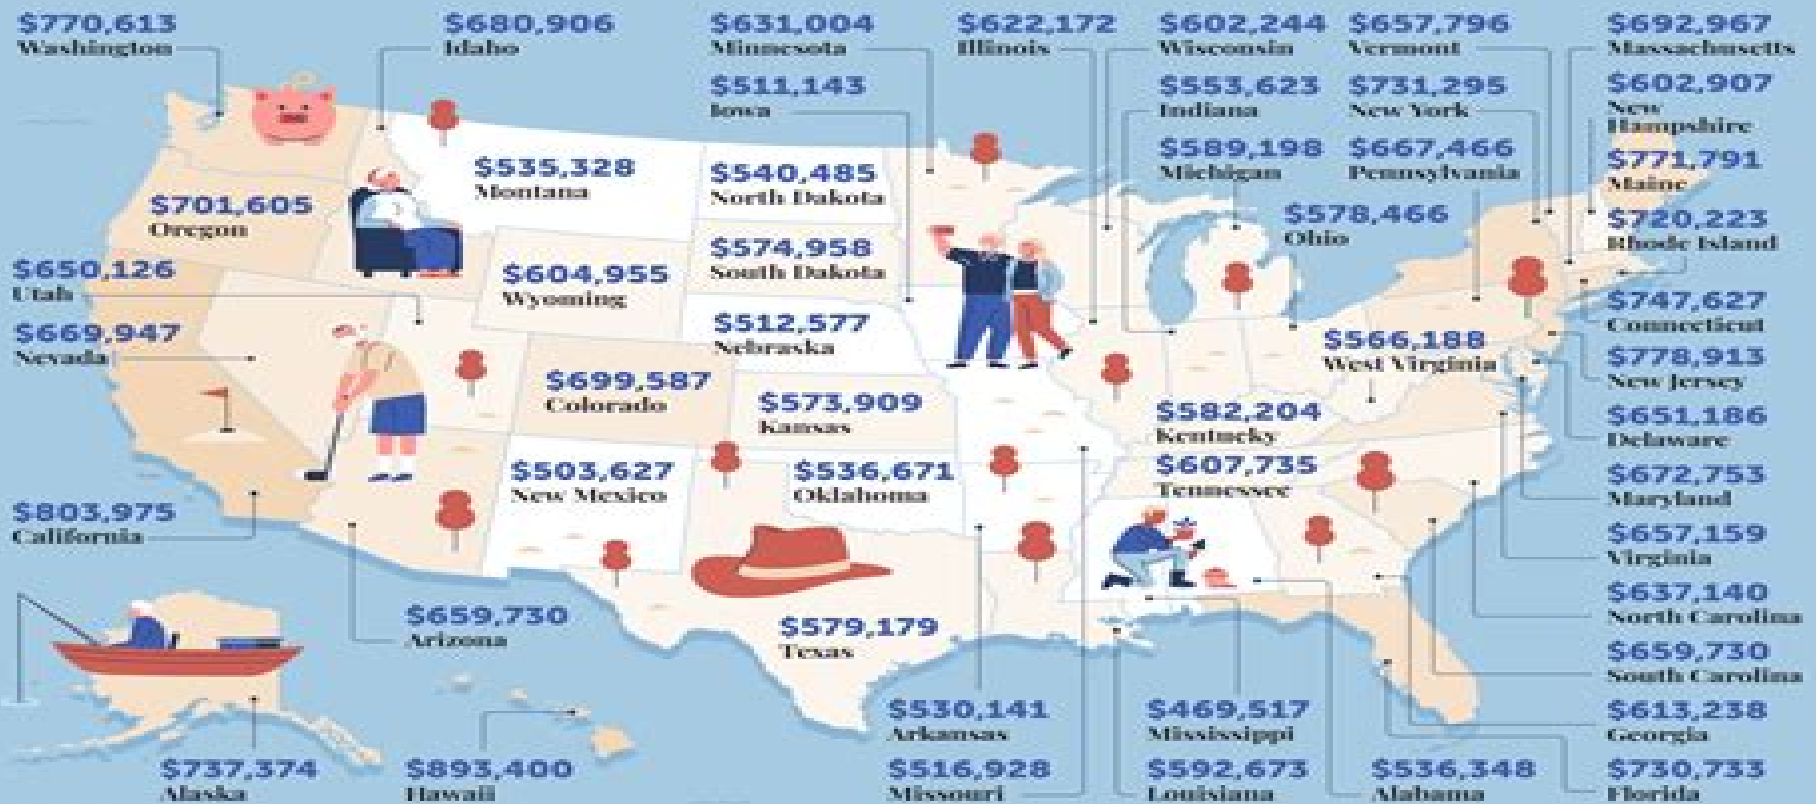

IN EVERY STATE

U.S. Census Bureau data shows that more than 400,000 Americans moved after retirement. With plenty of attractive options for a seniors lifestyle across the country, we analyzed the cost of living in all 50 states for retirees.

Despite its reputation, **senior citizens in Hawaii pay more** for their retirement than any other state, with a comfortable lifestyle costing **\$893k** — more than Florida (\$731k) and Rhode Island (\$720k). Retirees looking for the Gulf of Mexico should consider Mississippi, the cheapest state at just \$470k.

The Cost to Retire Comfortably (\$)

Least **\$469,517** / **\$893,400** Most No Data

Methodology: We calculated the cost for an American to comfortably retire in every U.S. state, between the average age of retirement (62 years) and life expectancy (79.33 years) using Numbeo's cost of living data. For each state, we calculated the average cost across all major cities.
