Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions

make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

Raju, a corrupt tourist guide, together with his lover, the dancer Rosie, leads a prosperous life before he is thrown into prison. After release, he rests on the steps of an abandoned temple when a peasant passing by mistakes him for a holy man. Slowly, almost reluctantly, he begins to play the part, acting as a spiritual guide to the village community. Raju's holiness is put to the test when a drought strikes the village and he is asked to fast for twelve days to summon the rains. Set in Narayan's fictional town, Malgudi, *The Guide* is the greatest of his comedies of self-deception. A brilliant accomplishment, Narayan is the compassionate man who can write of human life as comedy. The New York Times Book Review. Narayan is such a natural writer, so true to his experience and emotions. V. S. Naipaul.
