Roman Britain Exploring The Roman World:

Roman Britain Timothy W. Potter, Catherine Johns, 1992-01-01 Pieces together archaeological evidence with fragmentary writings of Caesar Tacitus and others to give a picture of Roman Britain **Roman Britain** Patricia Southern, 2011-09-15 The most authoritative history of Roman Britain ever published for the general reader **Materialising the Roman Empire** Jeremy Tanner, Andrew Gardner, 2024-03-19 Materialising the Roman Empire defines an innovative research agenda for Roman archaeology highlighting the diverse ways in which the Empire was made materially tangible in the lives of its inhabitants The volume explores how material culture was integral to the processes of imperialism both as the Empire grew and as it fragmented and in doing so provide up to date overviews of major topics in Roman archaeology Each chapter offers a critical overview of a major field within the archaeology of the Roman Empire The book's authors explore the distinctive contribution that archaeology and the study of material culture can make to our understanding of the key institutions and fields of activity in the Roman Empire The initial chapters address major technologies which at first glance appear to be mechanisms of integration across the Roman Empire roads writing and coinage The focus then shifts to analysis of key social structures oriented around material forms and activities found all over the Roman world such as trade urbanism slavery craft production and frontiers Finally the book extends to more abstract dimensions of the Roman world art empire religion and ideology in which the significant themes remain the dynamics of power and influence The whole builds towards a broad exploration of the nature of imperial power and the inter connections that stimulated new community identities and created new social divisions Roman Empire: Rise & The Fall. Explore The History, Mythology, Legends, Epic Battles & Lives Of The Emperors, Legions, Heroes, Gladiators & More History Brought Alive, The Roman Empire may have fallen thousands of years ago but the lessons and the legacy left behind lives on to this day From a tiny settlement on the banks of the Tiber River Rome grew into a colossal unstoppable force At its peak The Empire dominated the world from Europe West Asia North Africa and many more territories Never again would the world see such an influential power In this epic narrative History Brought Alive presents an intriguing dive into Roman History Legends Facts Myths and much more Covering thousands of years the study of Roman history is vast and complex Much like the Ancient Romans themselves in order to study them we need to follow structure and have an open mind By doing so we can begin to unlock the secrets of The Roman Empire In the first part of this book you will find The timeline of Roman history How did it all begin And how did it end Characters Any serious study of Rome has to begin with a look at the Emperor's Gladiators and the Characters that shaped its destiny Life in Ancient Rome What was it like Then in part two and onwards you will find Military The Roman military was amongst the most powerful in the world How did they get that way The victory and defeat Mythology Delve into the fascinating world of Roman mythology The fall of The Empire All of this and much much more in an enjoyable to read format So if you're looking for a definitive history of The Roman Empire then this is the book **All Things Julius Caesar** Michael Lovano, 2014-12-02 Julius

Caesar's life and example have fascinated and motivated generations of people for nearly 2 000 years This book explores the people places events and institutions that helped define arguably the most famous individual in the history of Rome Far from being ancient history Roman history and culture from the time of Julius Caesar and the Roman Empire have surprising parallels with the political strife and societal issues in 21st century life Interest and awareness have also been bolstered by recent successful Hollywood films as well as television series that depict Roman history All Things Julius Caesar An Encyclopedia of Caesar's World and Legacy provides a unique reference on topics and themes related to the life and times of Julius Caesar It offers historically accurate information about what he did and did not do and examines his impact on later eras via images and idealized depictions of him popularized in literature and other media up to the present The approximately 200 entries in this two volume set are organized alphabetically according to topic or theme for example individuals such as Marc Antony places such as the province of Gaul events such as Roman elections or battles in the Civil War and institutions such as Roman classes slavery patrons and clients The entries cover all the territories of the Roman Empire during Caesar's time from Britain to Egypt The set includes primary documents such as excerpts from ancient letters essays and biographies and supplements the text with images and maps The bibliography provides print and electronic resources suitable for high school and college student research as well as further reading for general audiences Roman Bioarchaeology Elizabeth A. Bews, Kathryn E. Marklein, 2025-02-11 In this book researchers use human skeletal remains uncovered from throughout the Roman world to portray how ordinary people lived and died spanning the empire's vast geography and 1 000 years of ancient history *Roman Italy* Timothy W. Potter, 1987 This is the first general survey of Roman Italy that brings together the wealth of evidence available from literary sources inscriptions and the exciting recent discoveries in Roman archaeology Potter's account is one of the few to cover the whole period of Roman Italy Globalizing Roman Culture Richard Hingley, 2005-02-08 Richard Hingley here asks the questions What is Romanization Was Rome the first global culture Romanization has been represented as a simple progression from barbarism to civilization Roman forms in architecture coinage language and literature came to dominate the world from Britain to Syria Hingley argues for a more complex and nuanced view in which Roman models provided the means for provincial elites to articulate their own concerns Inhabitants of the Roman provinces were able to develop identities they never knew they had until Rome gave them the language to express them Hingley draws together the threads of diverse and separate study in one sophisticated theoretical framework that spans the whole Roman Empire Students of Rome and those with an interest in classical cultural studies will find this an invaluable mine of information **Architectures of the Roman World** Niccolò Mugnai, 2023-12-07 This book collects essays by international scholars who engage with Roman period architecture outside Rome and the Italian Peninsula looking at the regions that formed part of the Roman Empire over a broad time frame from the second century BCE to the third century CE Moving beyond traditional views of Roman provincial architecture the aim is to highlight the multi faceted

features of these architectures their function impact and significance within the local cultures and the dynamic discourse between periphery and center Architecture is intended in the broad sense of the term encompassing the buildings technological components as well as their ornamental and epigraphic apparatuses The geographic framework under examination is a broad one along with well documented areas of the ancient Mediterranean attention is also paid to the territories of north west Europe The discussion throughout the volume focuses on three interrelated themes models agency and reception The broader scope of these essays is to give a reinvigorated impetus to the scholarly debate on the role and influence of ancient architectures beyond the center of Empire The book has a strong interdisciplinary character which reflects the authors diverse expertise in the fields of archaeology architecture ancient history art and architectural history

The Romans: All That Matters John Manley, 2013-08-30 In The Romans All That Matters John Manley focuses on some of the fundamental aspects of the Roman Empire especially those topics that have relevance beyond the study of Antiquity itself how its material remains and philosophical concepts have survived and still influence us today How did a rather obscure settlement spread over a few hills on the banks of the Tiber come to dominate the lives of 65 million people What drove this relentless desire to conquer How did Rome manage to maintain direct rule over such a vast area from present day Scotland to Syria approximately 6 million square kilometres The answer in part is that there were many different kinds of Roman culture as each separate provincial elite each region and each group of indigenous community leaders chose slightly different elements of the Roman colonial package to establish their particular identity This accessible and readable book will appeal both to students and general readers giving a fascinating introduction to the Romans and what mattered most about them

Papers of the British School at Rome British School at Rome, 2000 **Blockbusters and the Ancient World** Chris Davies, 2019-03-21 Following the release of Ridley Scott's *Gladiator* in 2000 the ancient world epic has experienced a revival in studio and audience interest Building on existing scholarship on the Cold War epics of the 1950s 60s including *Ben Hur* *Spartacus* and *The Robe* this original study explores the current cycle of ancient world epics in cinema within the social and political climate created by September 11th 2001 Examining films produced against the backdrop of the War on Terror and subsequent invasions of Iraq and Afghanistan this book assesses the relationship between mainstream cinema and American society through depictions of the ancient world conflict and faith Davies explores how these films evoke depictions of the Second World War the Vietnam War and the Western in portraying warfare in the ancient world as well as discussing the influence of genre hybridisation narration and reception theory He questions the extent to which ancient world epics utilise allegory analogy and allusion to parallel past and present in an industry often dictated by market forces Featuring analysis of *Alexander* *Troy* *300* *Centurion* *The Eagle* *The Passion of the Christ* and more this book offers new insight on the continued evolution of the ancient world epic in cinema **Presenting the Romans** Nigel Mills, 2013 Explores the issues and the use of best practice interpretation principles in bringing the Roman world to life for visitors and educational users Issues in the

public presentation and interpretation of the archaeology of Hadrian's Wall and other frontiers of the Roman Empire are explored and addressed here. A central theme is the need for interpretation to be people focussed and for visitors to be engaged through narratives and approaches which help them connect with figures in the past, daily life, relationships, craft skills, communications, resonances with modern frontiers and modern issues. All provide means of helping an audience to connect, delivering a greater understanding, better visitor experiences, increased visiting and spend, and an enhanced awareness of the need to protect and conserve our heritage. Topics covered include re-enactment, virtual and physical reconstruction, multi-media, smartphones, interpretation, planning and design, while new evidence from audience research is also presented to show how visitors respond to different strategies of engagement. Nigel Mills is Director, World Heritage and Access, The Hadrian's Wall Trust. Ancient Rome Jane Bingham, 2005-12-30 Explores the evidence uncovered by archaeologists and takes readers on a journey to discover the rich world of ancient Rome

The Roman Empire Neville Morley, 2010-06-04 Over a millennium after the end of its unrivalled dominance the spectre of Rome figures highly in western culture This book explores what the empire meant to its subjects The idea of Rome has long outlived the physical empire that gave it form and now holds sway over vastly more people and a far greater geographical area than the Romans ever ruled It continues to shape our understanding of the nature of imperialism and influence the workings of the world It is through the lens of Rome that we answer questions such as How do empires grow How are empires ruled Do empires exploit their subjects or civilise them Rejecting the simplistic narrative of military triumph followed by decline and fall the book analyses the origins of Roman imperialism its wide ranging impact on the regions it conquered and its continuing influence in debates about modern imperialism

Burial and Memorial in Late Antiquity, 2024-10-02 Burial and Memorial explores funerary and commemorative archaeology A D 284 650 across the late antique world This second volume includes papers exploring all aspects of funerary archaeology from scientific samples in graves to grave goods and tomb robbing and a bibliographic essay It brings into focus neglected regions not usually considered by funerary archaeologists in NW Europe such as the Levant where burial archaeology is rich in grave good to Sicily and Sardinia where post mortem offerings and burial manipulations are well attested We also hear from excavations in Britain from Canterbury and London and see astonishing fruits from the application of science to graves recently excavated in Trier

Beyond the Romans Irene Selsvold, Lewis Webb, 2020-04-09 This latest volume in the TRAC Themes in Theoretical Roman Archaeology series takes up posthuman theoretical perspectives to interpret Roman material culture These perspectives provide novel and compelling ways of grappling with theoretical problems in Roman archaeology producing new knowledge and questions about the complex relationships and interactions between humans and non humans in Roman culture and society Posthumanism constitutes a multitude of theoretical positions characterised by common critiques of anthropocentrism and human exceptionalism In part they react to the dominance of the linguistic turn in humanistic sciences These positions do not exclude the human but instead stress the mutual relationship between matter and discourse Moreover they consider the agency of non humans e.g. animals material culture landscapes climate and ideas their entanglement with humans and the situated nature of research Posthumanism has had substantial impacts in several fields including critical studies archaeology

feminist studies even politics but have not yet emerged in any fulsome way in Classical Studies and Classical Archaeology This is the first volume on these themes in Roman Archaeology aimed at providing valuable perspectives into Roman myth art and material culture displacing and complicating notions of human exceptionalism and individualist subjectivity Contributions consider non human agencies particularly animal material environmental and divine agencies critiques of binary oppositions and gender roles and the Anthropocene Ultimately the papers stress that humans and non humans are entangled and imbricated in larger systems we are all post human

An Imperial Possession David Mattingly, 2007-07-26

Part of the Penguin History of Britain series An Imperial Possession is the first major narrative history of Roman Britain for a generation David Mattingly draws on a wealth of new findings and knowledge to cut through the myths and misunderstandings that so commonly surround our beliefs about this period From the rebellious chiefs and druids who led native British resistance to the experiences of the Roman military leaders in this remote dangerous outpost of Europe this book explores the reality of life in occupied Britain within the context of the shifting fortunes of the Roman Empire
