# Roman Satire

**John Wight Duff**

## Roman Satire:

**Roman Satire** Daniel Hooley, 2008-04-15 This compact and critically up to date introduction to Roman satire examines the development of the genre focusing particularly on the literary and social functionality of satire It considers why it was important to the Romans and why it still matters Provides a compact and critically up to date introduction to Roman satire Focuses on the development and function of satire in literary and social contexts Takes account of recent critical approaches Keeps the uninitiated reader in mind presuming no prior knowledge of the subject Introduces each satirist in his own historical time and place including the masters of Roman satire Lucilius Horace Persius and Juvenal Facilitates comparative and intertextual discussion of different satirists [The Function of Humour in Roman Verse Satire](#) Maria Plaza, 2006-01-26 Maria Plaza sets out to analyse the function of humour in the Roman satirists Horace Persius and Juvenal Her starting point is that satire is driven by two motives which are to a certain extent opposed to display humour and to promote a serious moral message She argues that while the Roman satirist needs humour for his work s aesthetic merit his proposed message suffers from the ambivalence that humour brings with it Her analysis shows that this paradox is not only socio ideological but also aesthetic forming the ground for the curious hybrid nature of Roman satire *Figuring Genre in Roman Satire* Catherine Keane, 2006-01-12 In these roles the satirist conducts penetrating analyses of Rome s definitive social practices from the inside Satire s reputation as the quintessential Roman genre is thus even more justified than previously recognized

BOOK JACKET **Roman Satire** Michael Coffey, 1976 **English Versions of Roman Satire in the Earlier Eighteenth Century** William Kupersmith, 2007 This book discusses Imitations of the ancient Roman verse satirists Horace Juvenal and Perseus published in Britain in the first half of the eighteenth century It endeavors to put major writers such as Alexander Pope and Samuel Johnson in the context of lesser writers of the period It also devotes attention to other canonical writers such as Jonathan Swift Henry Fielding and Christopher Smart *Essays on Roman Satire* William S. Anderson, 2014-07-14 The fifteen essays collected here argue that Roman verse satire should be viewed primarily as an art form rather than as a social document or a direct expression of social protest Originally published between 1956 and 1974 they constitute an impressive attempt to free Roman satire from misinterpretations that arose during the romantic era and that continue to plague scholars in the field The author rejects the proposition that Juvenal and other satirists expressed spontaneous unadorned anger and that the critic s best approach is the study of the historical social economic and personal circumstances that led to their statement of that anger This work develops his thesis that Roman satire was designed as a literary form and that the proper stance of the critic is to elucidate its art Focusing on the dramatic character of the first person speaker in the satires of Horace Persius and Juvenal the author shows both how the speaker s role was shaped to suit the purposes of the individual poems and how that role changed over successive collections of satires Several essays also discuss the ways in which the satirists employed metaphors and similes and used contemporary ethical and rhetorical themes Originally

published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Themes in Roman Satire** Niall Rudd,1986 *Satire and Society in Ancient Rome* S. H. Braund,Susanna Morton Braund,1989 In this book the author explores the idea of satire as an accurate depiction of Roman life and discusses some advantages and limitations to such a view

**Roman Satire and the Old Comic Tradition** Jennifer L. Ferriss-Hill,2015-02-26 This volume demonstrates that distinctive features of Roman satire found in the writings of Lucilius Horace and Persius derived from Greek Old Comedy

Roman Satire Jennifer Ferriss-Hill,2022-06-13 How do you insert yourself into an artistic canon How do you establish yourself as a worthy successor to your predecessors while making your own mark on a genre How do you police a genre s boundaries to keep out the unwanted With particular attention to authorial and national identity artistic self definition and literary reception this volume shows how four ancient Latin poets Lucilius Horace Persius and Juvenal asked and answered these questions between the second century BCE and the second century CE as they invented and reinvented the genre of Roman verse Satire

The Cambridge Companion to Roman Satire Kirk Freudenburg,2005-05-12 Satire as a distinct genre of writing was first developed by the Romans in the second century BCE Regarded by them as uniquely their own satire held a special place in the Roman imagination as the one genre that could address the problems of city life from the perspective of a real Roman In this Cambridge Companion an international team of scholars provides a stimulating introduction to Roman satire s core practitioners and practices placing them within the contexts of Greco Roman literary and political history Besides addressing basic questions of authors content and form the volume looks to the question of what satire does within the world of Greco Roman social exchanges and goes on to treat the genre s further development reception and translation in Elizabethan England and beyond Included are studies of the prosimetric Menippean satires that would become the models of Rabelais Erasmus More and narrative satire s crowning jewel Swift

Roman Verse Satire William J. Dominik,William Thomas Wehrle,1999 Introduction Latin text with facing English translation Notes keyed to English translations Index of names Satura quidem tota nostra est Satire is altogether ours was the claim of the Roman Quintilian the first century C E commentator on rhetorical and literary matters for the literary world had not previously seen the likes of satire This edition provides introduction to Roman verse satire for the English reader and aid to the Latin student in understanding these challenging sometimes obscure texts Lucilius Horace Persius and Juvenal are equally represented in an attempt to redress a tendency in other anthologies to favor Horace and Juvenal

*Roman Satire* John Wight Duff,1936 **Juvenal: Satires Book I** Juvenal,1996-03-07 A new commentary on the first book of satires of the Roman satirist Juvenal The essays on each of

the poems together with the overview of Book I in the Introduction present the first integrated reading of the Satires as an organic structure Satires of Rome Kirk Freudenburg,2001-10-25 The first complete study of Roman verse satire to appear since 1976 provides a fresh and exciting survey of the field Rather than describing satire s history as a series of discrete achievements it relates those achievements to one another in such a way that in the movement from Lucilius to Horace to Persius to Juvenal we are made to sense and see performed the increasing pressure of imperial oversight in ancient Rome

**Roman Satire** Alexander G. McKay,1976 Juvenal and the Satiric Emotions Catherine Keane,2015-02-23 This text reveals Juvenal s creative exploitation of Greco Roman ideas about the emotions in this new analysis of his Satires and their arrangement **Essays on Roman Satire** William Scovil Anderson,1982 The fifteen essays collected here argue that

Roman verse satire should be viewed primarily as an art form rather than as a social document or a direct expression of social protest Originally published between 1956 and 1974 they constitute an impressive attempt to free Roman satire from misinterpretations that arose during the romantic era and that continue to plague scholars in the field Juvenal and the Satiric Genre Frederick Jones,2007-09-13 While claiming to stand outside literature altogether Roman verse satire was the most aggressively literary of Roman genres Juvenal s particularly so In the opening lines of the corpus his performance creates an arena in which the various genres of his Graeco Roman cultural inheritance jostle to be heard and are suppressed by his own generic identity Juvenal and the Satiric Genre considers the fluid nature of the generic field and how Juvenal comes out of and fits into it Specifically it measures his use of names his ambiguous and sometimes hostile relations with other genres especially the queen of genres epic against his inherited and stated aim of criticizing malefactors by name and considers how the aspect of performance impinges on his multi faceted satiric voice This challenging series considers Greek and Roman literature primarily in relation to genre and theme It also aims to place writer and original addressee in their social context The series will appeal to both scholar and student and to anyone interested in our classical inheritance

**Roman Satire** Ulrich Knoche,1975 This general study of Roman satire both describes the historical development of Roman verse satire as a homogenous genre and examines the great Roman satiric poets as individuals

Immerse yourself in heartwarming tales of love and emotion with Explore Love with its touching creation, **Roman Satire** .
