**Golden Drops of Comfort** James A. Rousseau Jr.,2019-01-31 An invasion of supernatural other worldly beings has exploded into this world with one purpose in mind They have come to be used by God Jesus Christ to be a blessing to the inhabitants of a world that seems to be bent on bringing about its own destruction They are so consumed and filled to overflowing with golden drops of the comfort of who they are that they are willing to sacrifice their own lives out of a love for us in order that we may see the love that Jesus Christ has for us The question is do we have eyes to see these other worldly beings who are all around us everyday Maybe if we will look through the eye gate of our heart we may see them more clearly There is enduring Kindness looking for ways to pour out the golden drops of comfort of who she is upon us to help us in our time of need There is the unending stamina of beautiful Joy bringing the golden drops of who she is and pouring this joy upon us in our time of need Then we find the strength of Gentleness sharing her gentle touch of love upon a cold hard and cruel world As these other worldly beings shower their golden drops of comfort upon us how will we receive them Will we embrace them and allow them to introduce us to Jesus Christ or will we seek to crucify them and have nothing to do with them The choice is ours

Owsley, 2012-03-14 According to some ancient scrolls like the book of giants God didn t directly make the dinosaurs since they unexpectedly came forth through some satanic intervention Even though God made life Genesis 6 2 later on said

that there were some fallen sons of God who took mortal women as wives producing some great giants that were called the Nephilim Therefore it only makes sense that Jehovah didn't directly create those giants of old As a matter of fact the book of Genesis also reveals that the Lord stressed to his following animal creations that everything green would serve them to be as their meat And since we know that our Most High is the same yesterday today and tomorrow it's also logical that He never would have created such a blood thirsty creation as a T Rex And those before mentioned scrolls additionally stress that it was partially due to the elimination of those thunder beasts that God brought forth His flood And this book shall also offer evidence that some dinosaurs indisputably lived with man And now days anyone on the internet can easily Google Puluxie dinosaur footprints and see a flawless dinosaur print together with a perfect one from a human Nor is that something that's common knowledge due to suppression from evolutionists For it's very clear that this sole fossil easily blows evolution right out of the water
