Romance Of The Sea:

The Gentleman Alfred Ollivant, 2019-12-23 In *The Gentleman* Alfred Ollivant intricately weaves a narrative that explores the complexities of class and morality within late 19th century British society. The novel is characterized by its rich descriptive prose and keen psychological insights, presenting a multifaceted protagonist caught between the constraints of his upbringing and his aspirations. Through the use of sharp dialogue and vivid characterizations, Ollivant crafts a tale that engages deeply with the themes of identity, social expectation, and personal honor, all within a literary context that reflects the shifting dynamics of the era. Ollivant, an esteemed writer known for his keen observations of social class, draws on his own experiences and societal observations that likely informed the creation of *The Gentleman*. Having lived through the challenges and transformations of his time, the author infuses his characters with a sense of authenticity and depth that resonates with readers. His background in both literature and the realities of everyday life offers a unique lens through which he addresses the moral dilemmas faced by individuals in society. For readers keen on exploring the intersections of morality and social class, *The Gentleman* serves as a captivating examination of human behavior and societal constructs. Ollivant's novel is a thought-provoking addition to the canon of Victorian literature, making it essential reading for those interested in the era's complexities and the human condition.

The Gentleman Alfred Ollivant, 2017-09-17 Excerpt from *The Gentleman* A Romance of the Sea. A mortar hard by boomed the sea, splashed the sloop, scudded seaward laughing, and the dreamer awoke. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Sea-wolves of Seven Shores Jessie Peabody Frothingham, 1904

The Sea and Medieval English Literature Sebastian I. Sobecki, 2008 A fresh and invigorating survey of the sea as it appears in medieval English literature, from romance to chronicle, hagiography to autobiography. As the first cultural history of the sea in medieval English literature, this book traces premodern myths of insularity from their Old English beginnings to Shakespeare's *Tempest*. Beginning with a discussion of biblical, classical, and pre-Conquest treatments of the sea, it investigates how such works as the Anglo-Norman *Voyage of St Brendan*, the *Tristan* romances, the chronicles of Matthew Paris, *King Horn*, *Patience*, *The Book of Margery Kempe*, and *The Libelle of Englyshe Polycye* shape insular ideologies of Englishness. Whether it is Britain's privileged place in the geography of salvation or the political fiction of the idyllic island fortress, medieval English writers' myths of the sea betray their anxieties about their own insular identity: their texts call on maritime motifs to define England geographically and culturally against the presence of the sea. New insights from a range of fields, including

jurisprudence theology the history of cartography and anthropology are used to provide fresh readings of a wide range of both insular and continental writings **Queen's Quarterly** ,1921 *Finding List* ,1908 William Clark Russell and the Victorian Nautical Novel Andrew Nash,2015-10-06 William Clark Russell wrote more than forty nautical novels Immensely popular in their time his works were admired by contemporary writers such as Conan Doyle Stevenson and Meredith while Swinburne considered him the greatest master of the sea living or dead Based on extensive archival research Nash explores this remarkable career *List of Films, Reels and Views Examined* Pennsylvania. State Board of Censors,1918 containing the names and the disposition made of more than 20 000 pictures from May 15th 1915 up to the end of the year 1917 This list will be supplemented by further lists presented at the end of each half yearly period Pennsylvania State Board of Censors of Moving Pictures Report 1918 p 7 **The Last Voyage of the Donna Isabel** Randall Parrish,1908 **The Old world** Joseph Pomeroy Widney,1907 **Sailing: The Art of Sea Travel** Pasquale De Marco,2025-08-16 Sailing The Art of Sea Travel is the definitive guide to cruising In this comprehensive book Pasquale De Marco covers everything you need to know about planning and booking your perfect cruise from choosing the right ship and destination to packing for your trip and disembarking the ship Pasquale De Marco also provides tips for making the most of your time on board including how to meet new people how to find the best deals on shore excursions and how to avoid getting seasick Whether you are a first time cruiser or a seasoned traveler Sailing The Art of Sea Travel is the only book you need to plan your perfect cruise Sailing The Art of Sea Travel is packed with information and advice including How to choose the right cruise ship How to choose the right cruise destination How to book your cruise How to pack for your cruise What to expect on your cruise How to make the most of your time on board How to disembark the ship Sailing The Art of Sea Travel is the essential guide to cruising With this book you will be able to plan and book your perfect cruise with confidence Sailing The Art of Sea Travel is written by Pasquale De Marco a lifelong cruiser and travel expert Pasquale De Marco has been on dozens of cruises and Pasquale De Marco has written extensively about cruising Pasquale De Marco is also the author of several other books on travel including Sailing The Art of Sea Travel and Sailing The Art of Sea Travel Sailing The Art of Sea Travel is the most comprehensive and up to date guide to cruising available With this book you will be able to plan and book your perfect cruise with confidence If you like this book write a review *Female Husbands* Jen Manion,2020-03-26 Long before people identified as transgender or lesbian there were female husbands and the women who loved them Female husbands people assigned female who transed gender lived as men and married women were true queer pioneers Moving deftly from the colonial era to just before the First World War Jen Manion uncovers the riveting and very personal stories of ordinary people who lived as men despite tremendous risk danger violence and threat of punishment Female Husbands weaves the story of their lives in relation to broader social economic and political developments in the United States and the United Kingdom while also exploring how attitudes towards female husbands shifted in relation to transformations in gender politics and women s rights ultimately

leading to the demise of the category of female husband in the early twentieth century Groundbreaking and influential
