Growing Love in Christian Marriage Third Edition - Pastor's Manual Jane P Ives, S. Clifton Ives, 2013-03. Life together begins with a strong foundation. **Studies in the Psychology of Sex: Eonism and other supplementary studies**

Havelock Ellis, 1928. *Studies in the Psychology of Sex* Havelock Ellis, 1928. **Marriage, Bible, Violence** Saima Afzal, Johanna Stiebert, 2023-10-01. Drawing on both biblical studies scholarship and practitioner experience, this book explores the disjuncture between complementarian accounts of biblical marriage and intersections of marriage and violence in texts from Jewish and Christian Scriptures. This volume challenges authoritative complementarian claims to the Bible's allegedly clear and unequivocal directions on marriage. It refutes these claims with analysis of the muddled and often violent depictions of marriage in the Bible itself. Regular reminders show why such an exploration matters: that is, because recourse to the authority and plain meaning of the Bible has had and continues to have impact on real people's lives. Sometimes this impact is violent and traumatic, notably when the Bible is weaponised to justify intimate partner violence. This book explores a wide range of biblical texts and interpretations. Particular focus is placed on the influential pronouncements on biblical marriage by the US Family Research Council and Council for Biblical Manhood and Womanhood. Textual analysis includes close focus on Genesis 1-3, Malachi 2 and Ephesians 5. This book will appeal to students of biblical studies and theology as well as anyone interested in research-based activism and in how sacred texts are directed towards modern day-to-day life. It investigates marriage, the Bible and violence, all of which play significant roles in public discourses and popular culture.

He is married to beautiful Maxine and they are blessed with two grown-up children and four gorgeous grandchildren. He is very committed to his lovely family. **The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean** Michael Southard, 2017-01-25. Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him, to know him more intimately or to expand your understanding of his creation and plan for you? So you find a book that advertises just the subject matter you are interested in.

then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth

Guiding God's Marriage Courtney Ann Irby, 2024-05-14 Examines how religious leaders use premarital counseling to influence how we view intimacy It is well known that the institution of marriage has changed dramatically in the past few decades However very little research has focused on the role of religious institutions in helping couples form and maintain their relationships Guiding God's Marriage offers an examination of Christian marriage preparation programs exploring their efforts to stabilize the institution of marriage and highlighting the tension between individualism and community in people's relational lives Marriage preparation programs offer a useful lens through which to trace shifts in both religious and family institutions because they set out clear and intentional articulations of marriage ideologies and gendered relationship scripts by faith communities By documenting the changes in content and practices of Christian premarital education along with its advice regarding what makes a good marriage the book charts the ways that religious communities have been transformed by and have helped to contribute to the individualization of faith and relationships Featuring archival research as well as first hand observations of four marriage preparation courses two Protestant and two Catholic along with seventy interviews with participating couples and leaders of these and other programs the book offers a rare view of visions about how to realize a successful and faith filled relationship This examination of marriage classes offers key insight into how religious communities have responded to cultural changes in marriage gender sexuality and intimacy
