The Big Book of Nevada Ghost Stories Janice Oberding, 2023-08-01 Time has all but forgotten the tragic tales of those who have passed through Nevada but their spirits remain As arguably the most haunted state in the nation Nevada has more than its share of ghosts with intriguing stories and historical connections Among them is the unfortunate gangster Bugsy Siegel who died in Beverly Hills only to return to his old stomping grounds the Flamingo Las Vegas Julia Bulette the ill fated prostitute who was slaughtered in her bed on a cold January morning in 1867 and the many haunted houses in Reno their owners forever tied to their homes refusing to depart Building Nevada's Highways Jennifer E. Riddle, 2015 Roads are rarely given a second thought yet are indispensable to life Admittedly a book dedicated to roadways sounds a bit dry But behind every double diamond interchange every pork chop island and every type of asphalt is a fascinating history of the traveling public This book reveals the hidden history of building the Silver State's highways since 1917 The next time you take a road trip across Nevada on the Lincoln Highway US 50 or the Victory Highway US 40 or follow a rutted road to a once booming ghost town think of the ingenious and industrious men and women surveyors engineers chemists and yes even the teams of mules that built the roads we still travel today **Old Heart Of Nevada** Shawn Hall, 1998-03 Elko County in the old heart of Nevada is rich in historic sites many of them hitherto uncharted and some verging on disappearing For the first time historian Shawn Hall identifies and locates the ghost towns and old mining camps of Elko County and recounts their colorful histories Following a guidebook format Hall divides the county into five easily accessible regions then lists the historic sites within each region and provides directions to reach them He offers a brief history of each site as well as a description of its extant structures and their present condition The result is a lively compilation of local history and mining and ranching lore that records the dramatic past of Nevada's northeast corner its pioneers and prospectors its towns and mines its outlaws ranchers merchants mining concerns and civic leaders The book offers never before available information about the old heart of Nevada and the people who settled there It will be of enduring value to tourists and weekend explorers historic preservationists and all those interested in the history and artifacts of this region *The Story of Austin Nevada & The Nevada Central Railroad* Michael Brown, 2013-08-04 Western history buffs and rail fans will find a rich and interesting history of the mining town of Austin Nevada and the narrow gauge railroad that served the town for almost 60 years the Nevada Central Railroad Several photographs and maps show the town and the railroad as it was Nevada Zane Grey, 1928 Nevada breaks up gang of cattle rustlers on Arizona ranch Connecting the West Shawn Hall, 2002-06-01

Shawn Hall's immensely popular guidebooks to Nevada ghost towns have become essential resources for backcountry explorers and scholars alike. Now Hall returns to Elko County to survey the county's railroad and stage stations as well as other sites not included in his earlier survey of this colorful section of the state. As in his earlier volumes, Hall includes a history of each site, he lists along with period and contemporary photographs, directions for locating the sites, and an assessment of their present condition. His historical accounts, based on a wide range of primary and secondary sources, are both scholarly and engaging, rich in anecdotes and personalities, and in the fascinating minutia of history often ignored by more academic writers. Shawn Hall's dedication to documenting Nevada's thousands of historic sites has enriched our knowledge of the state's relatively brief but very eventful past. *Connecting the West* is a worthy addition to Hall's remarkable efforts to preserve the state's history.
