*Perspectives on Our Struggle with Sin* Terry L. Wilder, 2011 A point counterpoint discussion of Paul's words about sin in Romans 7 and whether they describe his pre-Christian or post-conversion self or the broader idea of the human being confronted with the Law

*Decision Making and the Will of God* Garry Friesen, J. Robin Maxson, 2009-10-07 Does God Have a Perfect Will for Your Life Does God have a perfect will for each Christian Can you be absolutely certain of God's specific will for your life In this expanded twenty-fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God's will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources Study guide for small groups Responses to Frequently Asked Questions Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God's will yet many are still unsure whether they've found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God's will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God's will was biblically deficient Maybe there was a better way to understand HOW God guides

*Dreams from God* Susan C. McDermott, 2015-12-02 Dreams from God A Glimpse of the Future by God's Grace weaves together words and photographs to recount the spiritual journey of Susan C. McDermott as she recounts the dreams she received from God These dreams moved her to embark on a path that brought her to encounter unusual and fantastic adventures to endure devastating heartaches and to enjoy miraculous moments In the course of her personal narrative the author reveals the details of her simple lifestyle the impressions of her dreams from God and her visions of the future and God's plan for her While the specifics of this journey arise from one particular life Dreams from God illustrates how God touches individuals and changes them to suit His purposes The author notes this in her Preface writing There is something mysterious about the way God works Through His means of grace He enters your life at a moment's notice through a thought a dream or an audible voice Dreams from God A Glimpse of the Future by God's Grace promises to immerse you in the details of one woman's life At the same time it makes and keeps a second promise When you read Dreams from God you will hear a witness to His grace that reminds you that He can and will pour out that grace in your life as well This is the source of this memoir's spiritual power to inspire and motivate others to catch the glimpses God offers of the future

*If One Uses It Lawfully* Matthew E. Ferris, 2018-05-16 Are the Ten Commandments the standard for Christian living There are many viewpoints on the place of the Mosaic Law today Some affirm that while we are not saved through keeping the law it remains our standard for living a pattern to be followed Others say we are free from the law This brief examination of the law affirms all of God's revelation as Christian Scripture but

acknowledges covenantal differences in God's dealings with believers. The progress of salvation history and our identification with Christ has altered our relationship to the Mosaic Law. Using the Law lawfully requires us to recognize the way in which the New Testament and chiefly the Apostle Paul treats the law. Paul presents the believer as having died to the law and serving now in the new way of the Spirit, a way that does not depend on the Mosaic law. The pattern for the New Testament believer remains Jesus himself. While keeping all of God's law, he went beyond its requirement to demonstrate a love for sinners that the law did not know. *Forthcoming Books* Rose Arny, 1994 **Transforming Grace** Jerry Bridges, 2017-09-05 Over 300,000 copies sold. Isn't it time to stop trying to measure up? Too many of us embrace grace for our salvation but then leave it behind in our everyday lives. We base our relationship with God on our performance rather than on His love for us. But our performance can never earn us the love we so desperately crave. Renowned author Jerry Bridges's *Transforming Grace* is a fountainhead of inspiration and renewal that will show you just how inexhaustible and generous God's grace really is. Live confidently in God's unfailing love as you learn about the sufficiency of grace. Holiness as a gift of God's grace. What it means to appropriate God's grace. Our calling to be free. Now with an added study guide for personal use or group discussion so you can dive deeper into this staple of Jerry Bridges's classic collection. Abandon the treadmill of performance and step into a daily life of guilt-free intimacy with our Creator. An honest, gentle searching book on a great theme by a wise teacher. I highly recommend it. J. I. Packer, author and speaker. Another inspired and powerful work by Jerry Bridges that brings us face to face with a reality we tend to forget: our own constant need for God's grace. Chuck Colson, founder of Prison Fellowship. [Subject Guide to Children's Books in Print 1997](#) Bowker Editorial Staff, R. R. Bowker Publishing, 1996-09 *Honey from the Rock* Mac Goddard, 2013-12-16 Focusing on God's love for his people, *Honey from the Rock* is author Pastor Mac Goddard's method to present the message of the good news of Jesus in a straightforward, understandable way. Goddard maintains that left to himself, man will never believe the Gospel message; it is simply too far-fetched. From the story of creation, the manifestation of Adam and Eve, the birth of Jesus Christ to a virgin, Jesus' work on Earth, and his death and resurrection, Goddard shares his perspective of the Gospel. With study questions at the end of each chapter, *Honey from the Rock* provides a unique insight and understanding of many facets of the Gospel, from God's treatment of our sins to the covenants of law and grace. Goddard teaches that if we walk in Jesus' ways, trusting in him and in him alone, he will not only feed us with the finest of wheat but on the other side of that extremely difficult place created by the old covenant of law, he will nourish us with the sweetest of honey. **Living by the Book** James Montgomery Boice, 1997-04 Asserts that among all God's gifts to us, the Bible is the greatest and that loving and obeying it brings true happiness. *Subject Guide to Books in Print*, 1997 **Books in Print Supplement**, 2002 **The Word of Truth** Dale Moody, 1981-01-16 Bringing together the insights of several disciplines: biblical theology, modern science, biblical criticism, textual source form, redaction, historical theology, and the history of doctrine, Moody develops a systematic theology.
