Burnett, 2015-03-26 The Gospel According to the Blues dares us to read Jesus's Sermon on the Mount in conversation with Robert Johnson Son House and Muddy Waters It suggests that thinking about the blues the history the artists the songs provides good stimulation for thinking about the Christian gospel Both are about a world gone wrong about injustice about the human condition and about hope for a better world In this book Gary Burnett probes both the gospel and the history of the blues to help us understand better the nature of the good news that Jesus preached and its relevance and challenge to us **The Roman Catholic Church - A Critical Appraisal** Hendrick Park, 2008-03 The Roman Catholic Church is the largest denomination with 1.1 billion adherents Recently the pope Benedict XVI reasserted that the Catholic Church is the only true church founded by Christ Today there is a pervasive indifference as to the question what is the true Christianity This is a serious situation because there are numerous false or only partly true versions of Christianity The

author of this book attempts a critical appraisal of the Roman Catholic Church by the criteria of the Bible and history The conclusion he reached is that the Catholic Church is a perversion of the Christianity of the New Testament The author believes that he has substantiated the proposition that there are many unbiblical pagan elements in the Church To give one example the monarchical papacy and the authoritarian church structure developed after the model of the authoritarian government of the ancient Roman Empire No wonder that its official name is the Roman Catholic Church A theologian and a minister Received a doctorate in systematic theology from the University of Toronto He did the ministerial work for 17 years in the United Church of Canada Took early retirement in 1990 to study and write books which is he feels the talent and his main vocation he has received from God He respects the Bible as containing the revealed word of God According to the prophets of God justice and mercy and the pure preservation of the true religion of God are God s two major concerns He believes that God s major concerns should be all Christians major concerns as well The Roman Catholic Church A Critical Appraisal was written from that perspective in order to attest to the true religion of God and to keep Christians from heading onto the wrong path     Birth of Christianity John Dominic Crossan,1999-04-01 John Dominic Crossan explores the lost years of earliest Christianity the years immediately following Jesus execution He establishes the contextual setting through a combination of literary anthropological historical and archaeological approaches He challenges the assumptions about the role of Paul and the meaning of resurrection and forges a new understanding of the birth of the Christian church Here is a vivid account of early Christianity s interaction with the world around it and of the new traditions and communities established as Jesus companions continued their movement after his death     *Acts: An Exegetical Commentary : Volume 2* Craig S. Keener,2013-10-15 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the second of four Keener continues his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries     **Introducing Protestant Social Ethics** Brian Matz,2017-03-14 Despite their rich tradition of social concern Protestants have historically struggled to articulate why whether and how to challenge unethical social structures This book introduces Protestants to the biblical and historical background of Christian social ethics inviting them to understand the basis for social action and engage with the broader tradition It embraces and explains long standing Christian reflection on social ethics and shows how Scripture and Christian history connect to current social justice issues Each chapter includes learning outcomes and chapter highlights     *The Forgiveness Project* Michael Barry,2019 All religions value forgiveness but only Christianity requires it Internalizing anger is destructive to our spiritual health and can destroy families marriages and even churches But what about our physical health

Is there a relationship between a spirit of unforgiveness and cancer? Between forgiveness and healing? How do you really forgive? After thorough medical, theological, and sociological research and clinical experience at Cancer Treatment Centers of America (CTCA), author and pastor Michael Barry has made a startling discovery: the immune system and forgiveness are very much connected. Through the inspiring stories of five cancer patients, Barry helps readers identify and overcome the barriers that prevent healing and peace. See how a breast cancer patient named Jayne experienced spiritual and physical renewal when she learned to forgive. Meet Cathy, whose story illustrates how forgiveness can positively change relationships. Be inspired by Sharon's story of spontaneous remission. With each true account comes proven strategies tested and used by CTCA that readers can implement to find peace with their past, relief from their hatefulness, and hope for healing. Competing titles may talk about forgiveness, but none specifically address the connection between forgiveness and physical health or offer forgiveness as a specific step toward healing from cancer. The Forgiveness Project presents scientific findings in easy-to-understand, accessible language and offers practical steps to help Christians let go of past wrongs and find peace.
