Romans Michael J. Gorman,2022-03-03 Above all Romans is a letter about Spirit enabled participation and transformation in Christ and his story and thus in the mission of God in the world This commentary engages the letter to the Romans as Christian scripture and highlights the Pauline themes for which Michael Gorman is best known participation and transformation cruciformity and new life peace and justice community and mission With extensive introductions both to the apostle Paul and to the letter itself Gorman offers background information on Paul s first century context before proceeding into the rich theological landscape of the biblical text In line with Paul s focus on Christian living Gorman interprets Romans at a consistently practical level highlighting the letter s significance for Christian theology daily life and pastoral ministry Questions for reflection and sidebars on important concepts make this especially useful for those preparing to preach or teach from Romans the epistle of life as Gorman calls it for its extraordinary promise that through faith we might walk in newness of life with Christ *The Appian Way of America* ,1923 Early Roman Warfare Jeremy Armstrong,2016-09-19 While copious amounts have been written about the Roman army most study has focussed on the later Republic or the Imperial period when the legionary system was already well developed Here Dr Jeremy Armstrong traces the development of

Rome's military might from its earliest discernible origins down to the First Punic War. He shows how her armies evolved from ad hoc forces of warriors organized along clan lines and assembled for the city's survival to the sophisticated organization of the legions that went on to dominate all of Italy and then after the period covered the entire Mediterranean world. The author reviews both the literary sources and the latest archaeological evidence to provide a fresh analysis of Roman military organization, equipment, tactics, and strategy. He shows how Rome's military apparatus adapted to meet the changing strategic needs of new enemies and broader ambitions. This study of the origins of the Classical world's most formidable war machine will be welcomed by anyone with an interest in Classical and especially Roman military history. **I Am Your Strength** Pearl K. Reluctant Prophets and Clueless Disciples Bob Darden, 2006 A college-level introduction that invites students into biblical studies through creative, humorous retelling of the basic biblical narratives. The Bible is foreign territory for students encountering it in introductory classes. Even those who have spent many years in church have rarely read much of it. To most of us, it looks like a big collection of rules, lists, and theological arguments. But in reality, most of the Bible is made up of stories. Sometimes they're inspiring, sometimes they're funny, sometimes they're weird, but they're never dull. The best way to get into the Bible, says Robert Darden, is to get to know its stories. In this new approach to introducing the Bible to students, Darden covers the major biblical stories and characters, retelling them in such a way as to bring out their original humor and pathos and inviting the student to encounter them more fully by moving into the text itself. *The Ultimate Infographic Guide to the Bible* Joseph M. witness how each incredible truth God makes known to His people is relevant to you today **Eternity** Tony Evans,2016-02-22 Heaven may not be what you think it is We often think of heaven in two extremes It s either a dreamy existence where we float around on clouds with nothing much to do or it s something far off in the future that we don t want to happen until we accomplish all that we want to in this life Both of these are flat wrong and Tony Evans looks to Scripture to set the record straight Simple and straight forward Eternity is a short book on what eternity with God will really be like God hasn t told us everything about heaven writes Evans but Scripture gives us enough glimpses and enough promises about heaven for us to know we don t want to miss this place of eternal joy Walk through Scripture with Evans as he plainly explains what heaven is like who will be there and what they ll be doing With engaging illustrations and practical insights you ll know what awaits believers forever and how that matters for life today **A Christian Behind Bars** Charles Jenkins,2022-06-03 It s about how going to prison helped change this man s life Preacher or layman things you need to know in the Bible Things for the young men or women in God to preach on Uplifting verses to reflect on with your church Find out how some great men of God died Great men of God that made mistakes Always remember you re not alone **Caesar's Calendar** Denis Feeney,2007-06-04 The ancient Romans changed more than the map of the world when they conquered so much of it they altered the way historical time itself is marked and understood In this brilliant erudite and exhilarating book Denis Feeney investigates time and its contours as described by the ancient Romans first as Rome positioned itself in relation to Greece and then as it exerted its influence as a major world power Feeney welcomes the reader into a world where time was movable and changeable and where simply ascertaining a date required a complex and often contentious cultural narrative In a style that is lucid fluent and graceful he investigates the pertinent systems including the Roman calendar which is still our calendar and its near perfect method of capturing the progress of natural time the annual rhythm of consular government the plotting of sacred time onto sacred space the forging of chronological links to the past and above all the experience of empire by which the Romans meshed the city state s concept of time with those of the foreigners they encountered to establish a new worldwide web of time Because this web of time was Greek before the Romans transformed it the book is also a remarkable study in the cross cultural interaction between the Greek and Roman worlds Feeney s skillful deployment of specialist material is engaging and accessible and ranges from details of the time schemes used by Greeks and Romans to accommodate the Romans unprecedented rise to world dominance to an edifying discussion of the fixed axis of B C A D or B C E C E and the supposedly objective dates implied He closely examines the most important of the ancient world s time divisions that between myth and history and concludes by demonstrating the impact of the reformed calendar on the way the Romans conceived of time s recurrence Feeney s achievement is nothing less than the reconstruction of the Roman conception of time which has the additional effect of transforming the way the way the reader inhabits and experiences time

Transformation David A. deSilva,2014-09-18 The gospel is often presented as little more than a get out of hell free pass

But is that all there is to it? What made it so compelling that the Apostle Paul would give up everything enduring hardships and deprivation to preach good news? David deSilva argues that some Christians have unintentionally reduced the gospel to a message Paul would hardly recognize. The gift of righteousness is far richer than many of us have dared to imagine. In *Transformation: The Heart of Paul's Gospel*, deSilva examines the gospel message as presented in Paul's letters. He demonstrates that Paul had nothing less than in mind than the means to transform and renew all of creation including ourselves. Prepare to let Paul's message of change and renewal transform your own thinking. **Ancient Rome**

Cooper, 2024-05-03 I have acquired a greater understanding of the truth and what this earthly life encompasses by maintaining a close personal relationship with Jesus Christ. During my spiritual growth, I realized there were several topics that needed to be given more attention and more conversation to help someone obtain a greater understanding of Christianity. I have written about and expanded upon these essential topics. Acquiring more knowledge about these topics will allow you to better understand the true meaning of this life. We are all searching for the truth to establish our belief system upon so we can acquire joy and purpose in our lives. These attributes can only come from the freedom of the truth. Remember, if you abide in Christ's word, you will know the truth, and the truth will set you free. John 8:31-32. This book will help you realize your purpose in this life and how to experience true joy. This life's earthly journey can be very complicated and confusing if we do not base our life in accordance with the moral truths of Jesus Christ. Agnostics, skeptics, and misinterpretations have created conflicting viewpoints about Christianity. However, Christianity based solely on the moral truths of Jesus Christ has clarity and certainty. God is not the author of confusion but of peace. 1 Corinthians 14:33. As you start to live by these moral truths, your personal behavior will start to reflect Christ's personal characteristics, and your

perspective on life will come into focus Life will start being meaningful purposeful and joyful There s only one who can give you a fulfilling life and award you with an eternal heavenly destination Jesus Christ **The Two Paths** Rev. Tim O'Connell,2021-04-19 In our journey as believers there will be times when we will be confronted with life altering decisions When we stand at that crossroad what choice will we make Will it be man s way or God s Way That is the essence of the message of Two Paths The Lord is pleading with His church to hear what the Spirit is saying in this hour are we hearing are we discerning and are we responding May the Lord help us to be among those who are not only Called but also Chosen and found Faithful as we navigate through God s Pathways of Life **C.
