B.W. Young

Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas:

Romantic Affinities Elizabeth Maximiliana Vida, 1993 Examines the influence of German Romanticism on Scottish historian and philosopher Thomas Carlyle 1795 1881 arguing that he saw it as a continuation of Goethe's efforts to combat Enlightenment rationalism Finds external and internal evidence for his having read both major German literature and peculiar works including a philosophy of clothes and spiritual biographies Annotation copyright by Book News Inc Portland OR

The Novel in Anglo-German Context, 2021-10-18 The Novel in Anglo German Context focuses on cross currents and affinities between fiction written in English and fiction written in German and the thirty one contributors to this volume cover authors from the eighteenth century to the present day The essays collected in this book approach the theme of Anglo German cultural cross fertilisation from a number of different angles These include the reception and translation of foreign authors the examination of exile writers the comparative exploration of aspects which are crucial to both German Austrian or Swiss and British or Irish novelists at a given point in time the fictional depiction of the respective other culture Anglo German images in the novel as well as the role of the novel in the curricula of German and British secondary education The topics chosen by the contributors offer stimulating views on a wide range of subject areas and the volume is essential reading for anyone with a broad interest in Anglo Irish German Austrian and Swiss literature the development of fiction as well as Anglo German literary and cultural relations

The Formation of the Victorian Literary Profession Richard Salmon, 2013-06-27 A fascinating study into the development of the Victorian literary profession that examines literary and visual representations of authorship

Handbook of British Romanticism Ralf Haekel, 2017-09-11 The Handbook of British Romanticism is a state of the art investigation of Romantic literature and theory a field that probably changed more quickly and more fundamentally than any other traditional era in literary studies Since the early 1980s Romantic studies has widened its scope significantly The canon has been expanded hitherto ignored genres have been investigated and new topics of research explored After these profound changes intensified by the general crisis of literary theory since the turn of the millennium traditional concepts such as subjectivity imagination and the creative genius have lost their status as paradigms defining Romanticism The handbook will feature discussions of key concepts such as history class gender science and the use of media as well as a thorough account of the most central literary genres around the turn of the 19th century The focus of the book however will lie on a discussion of key literary texts in the light of the most recent theoretical developments Thus the Handbook of British Romanticism will provide students with an introduction to Romantic literature in general and literary scholars with a discussion of innovative and groundbreaking theoretical developments

Handbook of the English Novel, 1830-1900 Martin Middeke, Monika Pietrzak-Franger, 2020-05-05 Part I of this authoritative handbook offers systematic essays which deal with major historical social philosophical political cultural and aesthetic contexts of the English novel between 1830 and 1900 The essays offer a wide scope of aspects such as the Industrial Revolution religion and secularisation

science technology medicine evolution or the increasing mediatisation of the lifeworld Part II then leads through the work of more than 25 eminent Victorian novelists Each of these chapters provides both historical and biographical contextualisation overview close reading and analysis They also encourage further research as they look upon the work of the respective authors at issue from the perspectives of cultural and literary theory **Carlyle and Scottish Thought R.**

Jessop,1997-05-29 This book initiates a new interdisciplinary approach in the literary and philosophical treatment of Carlyle challenging the long held notion that his work was solely influenced by German idealism Tracing Carlyle s intellectual inheritance through Hume Reid and Hamilton Jessop argues that Carlyle was crucially influenced by Scottish philosophy and that this philosophical discourse can in turn be used to inform critical readings of his texts The book will be of interest to readers of Carlyle philosophers and specialists in the literature and intellectual history of the eighteenth and nineteenth centuries Fashioning the Nineteenth Century Cristina Giorcelli,Paula Rabinowitz,2014-05-01 In nineteenth century

Europe and the United States fashion once the province of the well to do began to make its way across class lines At once a democratizing influence and a means of maintaining distinctions gaps in time remained between what the upper classes wore and what the lower classes later copied And toward the end of the century style also moved from the streets to the parlor The third in a four part series charting the social cultural and political expression of clothing dress and accessories Fashioning the Nineteenth Century focuses on this transformative period in an effort to show how certain items of apparel acquired the status of fashion and how fashion shifted from the realm of the elites into the emerging middle and working classes and back The contributors to this volume are leading scholars from France Italy and the United States as well as a practicing psychoanalyst and artists working in fashion and with textiles Whether considering girls school uniforms in provincial Italy widows mourning caps in Victorian novels Charlie s varying dress in Kate Chopin s eponymous story or the language of clothing in Henry James the essays reveal how changes in ideals of the body and its adornment in classes and nations created what we now understand to be the imperatives of fashion Contributors Dagni Bredesen Eastern Illinois U Carmela Covato U of Rome Three Agn s Derail Imbert cole Normale Sup rieuse VALE U of Paris Sorbonne Clair Hughes International Christian University of Tokyo Bianca Iaccarino Idelson Beryl Korot Anna Masotti Bruno Monfort Universit of Paris Ouest Nanterre La D fense Giuseppe Nori U of Macerata Italy Marta Savini U of Rome Three Anna Scacchi U of Padua Carroll Smith Rosenberg U of Michigan **Spiritual Selfhood and the Modern Idea** David Donovan,2004-07-06 Thomas Carlyle 1795 1881 and T S Eliot 1888 1965 were icons of their age literary giants who dominated the British cultural landscape of the nineteenth and twentieth centuries Yet both were cosmopolitan outsiders who lived in London as expatriates but remained products of their biographical historiesCarlyle as the working class Scotsman and Eliot the transplanted New England patrician Carlyle quickly earned himself a reputation as the Chelsea Sage of the Victorian Era the cultural prophet whose creative and critical works informal salon gatherings and oracular personality generated an unprecedented following among both the intellectuals

and masses His opinion and company were sought out by almost every major luminary of his century including John Stuart Mill Charles Dickens and Ralph Waldo Emerson And his social and political insights like his aesthetic and philosophical views touched on wide ranging subjects from Romantic poetry and German history to parliamentary reform and slavery abolition Similarly T S Eliots reputation as a writer and social observer enjoyed mythic status as he became the preeminent twentieth century critic of the English speaking world In his verse masterpiece *The Waste Land* spiritual drama *Murder in the Cathedral* Christian social initiatives with Moot and editorial leadership at *The Criterion* Eliot conversed with the principal figures and movements of his time from Charles Maurras and the struggles against communism to G K Chesterton and disputes over Anglican reform Ultimately however both men may be seen as moderns whose sensitivities inclined them to encounter the monumental historical changes of their day with a unique historical perspective and an informed cultural conservatism Democratization industrialization urbanization and population growth were signs of changing times signs demanding a new vision and mode of expression to integrate and process rapidly transforming realities And Carlyle and Eliot address these by establishing a spiritual response to modernitys loss of faith in transcendent authority Their conceptions of self society and God are communicated in other words through a literary form that engages the conditions of modernity through the language categories and symbols of the Western humanistic and Christian traditions And because their cultural and theoretical judgments fall on that historical continuum between the pre modern and postmodern their lives and works are particularly relevant as case studies that can tell us much about the historical progression of European intellectual and cultural history into the twenty first century

The Victorian Eighteenth Century B.W. Young,2007-10-18 Exploring the Victorian fascination with the generation of their grandparents and great grandparents Brian Young illuminates Victorian intellectual religious and cultural history Examining the work of men such as Thomas Carlyle the book reveals how the Victorians were haunted by the eighteenth century both metaphorically and literally

[The Literature of Melancholia](#) M. Middeke,Christina Wald,2011-11-18 This collection analyzes philosophical psycho analytic and aesthetic contexts of the discourse of melancholia in British and postcolonial literature and culture and seeks to trace the multi faceted phenomenon of melancholia from the early modern period to the present Texts discussed range from Shakespeare and Milton to Coetzee and Barker

Robert Browning's Romantic Irony in *The Ring and the Book* Patricia Diane Rigg,1999-06 This study is a reading of Robert Browning as an ironist in the tradition of the German Romanticist Friedrich Schlegel who coined the term Romantic irony Specifically Patricia Diane Rigg considers historicity or historical truth in Browning s *The Ring and the Book* by distinguishing between the processes of representation and re presentation within the context of Romantic irony

Reader's Guide to Literature in English Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers

and librarians choose the most appropriate books for research and study

Reading the Romantic Ridiculous Andrew McInnes, Rita J. Dashwood, 2024-09-02 Reading *The Romantic Ridiculous* aims to take Romantic Studies from the sublime to the ridiculous Building on recent work that decentres the myth of the solitary genius this duograph theorises the ridiculous as an alternative affect to the sublime privileging collective laughter above solitude and selfishness and reflecting on these ideals through the practice of joint authorship Tracing the history of the ridiculous through Romantic and post Romantic debates about sublimity from the rediscovery of Longinus and the aesthetic theories of Burke and Kant to contemporary queer and postcolonial theory interested in silliness lowness and vulnerability *Reading the Romantic Ridiculous* explores Romanticism's surprising commitments to ridiculousness in canonical material by writers such as Samuel Taylor Coleridge Jane Austen and Charles Lamb as well as lesser known material from joke books to children's literature In theory and practice this duograph also considers the legacies of Romanticism and ridiculousness today analysing their influence on independent film sitcoms and young adult fiction as well as their place in higher education now

Germany as Model and Monster Gisela Argyle, 2002-06-07 By examining the works of George Eliot Carlyle Edward Bulwer Lytton George Meredith George Gissing Joseph Conrad E M Forster and D H Lawrence as well as several post World War II novels Argyle explores the Goethean ideal of Bildung and the Bildungsroman self culture and the apprenticeship novel Heinrich Heine's anti philistinism music the Tübingen higher criticism Schopenhauer's and Nietzsche's philosophies Prussianism and avant garde culture in the Weimar Republic To establish the status of these allusions in the public conversation Argyle moves between literary and extra literary contexts including biographical material about the authors as well as information from contemporary literary works periodical articles and other documentation that indicates the understanding authors could assume from their readers Her methodology combines theories of allusion and intertextuality with reception theory

George Eliot and Schiller Deborah Guth, 2017-11-22 This title was first published in 2003 Though Friedrich Schiller enjoyed prominent literary standing and great popularity in nineteenth century literary England his influence has been largely neglected in recent scholarship on the period With *George Eliot and Schiller Intertextuality and Cross Cultural Discourse* Deborah Guth explores the substantial evidence of the importance of the playwright and philosopher's thought to Eliot's novelistic art Guth demonstrates the relationship of Schiller's work to Eliot's plotting of moral vision the tensions in her work between realism and idealism which an understanding of Schiller redefines substantially and her aesthetics The specific focus of the study is the Schillerian subtext of George Eliot's work and a resultant reassessment of her realism However the intertextual methodology applications of Iser's thinking on the translatability of cultures and a placement of Eliot in a German context serve as a gateway for reconsidering Eliot's contributions in these areas as well While recent scholarship on Eliot has focused on gender analysis New Historicism and cultural materialism the frame remains largely English Guth contends that the immense continental underpinnings of Eliot's writing should lead us to re-situate her beyond

national boundaries and view her as a major European as well as English writer *The Oxford Handbook of English Literature and Theology* Andrew Hass,David Jasper,Elisabeth Jay,2007-03-15 A defining volume of essays in which leading international scholars apply an interdisciplinary approach to the long and evolving relationship between English Literature and Theology *Carlyle Studies Annual* ,2003 The German Genius Peter Watson,2010-09-16 From the end of the Baroque age and the death of Bach in 1750 to the rise of Hitler in 1933 Germany was transformed from a poor relation among western nations into a dominant intellectual and cultural force more influential than France Britain Italy Holland and the United States In the early decades of the 20th century German artists writers philosophers scientists and engineers were leading their freshly unified country to new and undreamed of heights and by 1933 they had won more Nobel prizes than anyone else and more than the British and Americans combined But this genius was cut down in its prime with the rise and subsequent fall of Adolf Hitler and his fascist Third Reich a legacy of evil that has overshadowed the nation s contributions ever since Yet how did the Germans achieve their pre eminence beginning in the mid 18th century In this fascinating cultural history Peter Watson goes back through time to explore the origins of the German genius how it flourished and shaped our lives and most importantly to reveal how it continues to shape our world As he convincingly demonstrates while we may hold other European cultures in higher esteem it was German thinking from Bach to Nietzsche to Freud that actually shaped modern America and Britain in ways that resonate today **Pleasures of Benthamism** Kathleen Blake,2009-10-29 This book offers a fresh look at the often censured but imperfectly understood traditions of Utilitarianism and political economy in their bearing for Victorian literature and culture It treats writings by Jeremy Bentham Adam Smith Thomas Malthus David Ricardo James and John Stuart Mill Charles Dickens Thomas Carlyle Anthony Trollope George Eliot Elizabeth Gaskell and Rabindranath Tagore It sets texts in historical context examines style as well as ideas and aims to widen awareness of commonalities across seemingly divided expressions of the age A work of new economic criticism it also treats Utilitarianism close kin to political economy but even more poorly understood and poorly regarded No other literary study addresses Bentham so fully The book further contributes to study of Victorian literature and liberalism and Victorian liberalism and imperialism It challenges a high cultural perspective and a perspective of ideology critique that derive from F R Leavis and Michel Foucault and inform the prevailing idea of Victorian literature as contender against the repressive mentality of Mr Gradgrind Dickens s caricature of a Smith Benthamite against the carceral social discipline of Bentham s Panopticon and against the dismal science But utility has the happier meaning of pleasure This study presents a capitalist liberal age pursuing utility in commerce industry and socioeconomic political reforms favourable to freedom and leveling as regards gender and class What about empire a question not generally so squarely confronted in works on Victorian literature and economics and Victorian literature and liberalism Shown here is the surprising extent to which liberalism develops as liberalism through liberal imperialism The Victorian Comic Spirit Jennifer Wagner-Lawlor,2017-11-22 This title was first

published in 2000 Comedy and humour are not words most associate with the Victorian period yet their culture was rife with laughter and irony The 12 essays in this volume reanimate this comic spirit by exploring the humour in its social context While previous studies of humour in the period focus on the age s own ongoing interest in the old distinction in comic theory between wit and humour this volume aims to show how inadequate this distinction is in accounting for the many types of Victorian comic representation The essays turn from linguistic or psychological analyses of humour towards the social production of humour and the cultural dynamics which underlie it

Whispering the Secrets of Language: An Emotional Journey through **Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas**

In a digitally-driven earth where monitors reign supreme and quick transmission drowns out the subtleties of language, the profound strategies and mental nuances concealed within phrases usually go unheard. Yet, situated within the pages of **Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas** a fascinating literary value pulsing with natural thoughts, lies an extraordinary quest waiting to be undertaken. Penned by an experienced wordsmith, that wonderful opus invites readers on an introspective journey, delicately unraveling the veiled truths and profound affect resonating within the fabric of each word. Within the emotional depths of the moving review, we shall embark upon a genuine exploration of the book's primary styles, dissect its captivating publishing design, and yield to the powerful resonance it evokes strong within the recesses of readers' hearts.

Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books

can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas is one of the best book in our library for free trial. We provide copy of Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas. Where to download Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas online for free? Are you looking for Romantic Affinities German Authors And Carlyle A Study In The History Of Ideas PDF? This is definitely going to save you time and cash in something you should think about.
