The Romance of Regionalism in the Work of F. Scott and Zelda Fitzgerald Kirk Curnutt,Sara A. Kosiba,2022-09-07 The Romance of Regionalism in the Work of F Scott and Zelda Fitzgerald The South Side of Paradise explores resonances of Southernness in works by American culture s leading literary couple At the height of their fame F Scott and Zelda Fitzgerald dramatized their relationship as a romance of regionalism as the charming tale of a Northern man wooing a Southern belle Their writing exposes deeper sectional conflicts however from the seemingly unexorcisable fixation with the Civil War and the historical revisionism of the Lost Cause to popular culture s depiction of the South as an artistically deprived economically broken backwater the couple challenged early twentieth century stereotypes of life below the Mason Dixon line From their most famous efforts The Great Gatsby and Save Me the Waltz to their more overlooked and obscure Scott s 1932

story Family in the Wind Zelda s The Iceberg published in 1918 before she even met her husband Scott and Zelda returned obsessively to the challenges of defining Southern identity in a country in which going south meant decay and dissolution Contributors to this volume tackle a range of Southern topics including belle culture the picturesque and the Gothic Confederate commemoration and race relations and regional reconciliation As the collection demonstrates the Fitzgeralds fortuitous meeting in Montgomery Alabama in 1918 sparked a Southern renaissance in miniature Love to the Rescue Radclyffe,2019-04-16 The last time Brody Clark left the Rivers she walked away from her life her foolish dreams her few friends and the secrets she d kept from everyone For ten years she d told herself there was nothing in her past she cared about not the family who d given her a home or the one girl she never stopped thinking about But now she s back as part of the new medevac flight crew for at least as long as it takes to finally bury her ghosts Val Valentine DVM planned on a big city boutique vet practice with high profile clients easy hours and lucrative profits All until the man who was more father to her than her own asks for her help and she ends up back in the backwater where all she has are bad memories Brody figures cutting her ties to the past would be a hell of a lot easier if she could only avoid the woman she s never been able to forget Since Val never even knew she was alive back in high school that shouldn t be too hard now When their lives collide both women discover what might have been is closer than they think Pathway to Love Radclyffe,2021-11-16 Dr Bennett Anderson accepts a short term contract at a rural medical center to fill the gap year before taking the high profile job she d put on hold while chasing a dream that had slipped away In a deep rooted community where everyone seems to know everyone else Ben is an oddity a stranger just passing through with no plans to build any ties Courtney Valentine is looking for a woman exactly like Ben smart sexy and not in the market for anything serious All she has to do is convince Ben that sex without strings is the perfect pathway to pleasure What could be better Love on the Night Shift Radclyffe,2020-05-12 Between ruling the night shift in the ER at the Rivers and raising her teenage daughter Blaise Richeilieu has all the drama she needs in her life When a dashing young attending appears on the scene and relentlessly pursues her Blaise has plenty of reasons to say no or at least she tells herself she does despite Grady s nearly irresistible charm Even if Blaise had the slightest desire to play Grady s game the past she s kept hidden from everyone is a secret she intends to keep buried What Blaise doesn t know is the barriers she constructs make Grady even more determined to find a way through them Cost of Honor Radclyffe,2019-11-12 Secret Service Agent Oakes Weaver is in the midst of the biggest assignment of her career leading the advance team for President Andrew Powell s impending trip to Philadelphia where everyone expects he will be nominated to run for a second term The last thing she needs is a tragedy among the president s inner circle that might not be an accident or the sudden recruitment of Ari Rostof a woman who might be a lot more than she seems But Oakes doesn t get a say in policy She only has to secure the president s safety at all costs First Daughter Blair Powell and her spouse Cameron Roberts are among the reelection campaign members accompanying President Andrew Powell to Philadelphia While the

president may be protected by his Secret Service agents those close to him are literally in the kill zone and his adversaries will stop at nothing to further their cause even mass murder **Treacherous Seas** Radclyffe,2020-11-10 Reese Conlon's much anticipated family leave is only two weeks away and nothing is going to stand in the way of her being at her wife's side for the upcoming birth not even the summer crowds in Provincetown a new rookie cop with a hero complex and a cruise ship at anchor in the harbor with a reported outbreak of a mysterious illness Andy Champlain might be a rookie cop but she was raised by a family of cops and she's ready to take on any challenge if she only gets the chance With a disaster brewing in Provincetown Harbor a journalist who'll do anything for a story and sexy summer PA Laurel Winter at the local clinic she's about to have all the excitement she can handle Before long Reese Tory Laurel and Andy are caught up in the gathering storms of an epidemic that could threaten all their lives *Ernest Dowson* Robert Stark,2024-03-05 Ernest Dowson 1867-1900 was a British writer of the fin de siècle period widely seen as the most representative example of the tragic generation of decadent poets This book presents a full length and coherent reading of Dowson's oeuvre for the first time in English

Harrison Ford Virginia Luzón-Aguado,2020-05-28 Harrison Ford is known for such iconic roles as Han Solo Indiana Jones and Rick Deckard but his career of 50 years and counting encompasses a plethora of other thought provoking roles His off screen persona has been no less intriguing Covering a wide timespan this book assesses Harrison Ford as star from the difficult Hollywood studio years where he began his blockbusters of the 1980s through to the impact of ageist culture on his artistry of recent years The author argues that Ford has generally been seen as a potent irresistible combination of tradition and modernity He is an actor who both reflects and utilises changing ideas about American masculinity in the context of Hollywood film production particular male types are revealed as much in his trademark trustworthy hero act as in his more fallible less conservative and therefore commercially riskier characters Luzon Aguado explores these particular star identities and every fluctuation in between She gives due attention to his much neglected acting abilities while examining the crucial interplay between star persona and the constraints and conventions of genre Going beyond standard accounts of Ford's production and pinpointing overlooked aspects of his work and the creation of the star through cultural artefacts like magazine interviews and advertising campaigns this book reveals the depth and dimensions of the enduring American screen legend that is Harrison Ford **Seraphica** Justin Huntly McCarthy,1908 **Perfect Rivalry** Radclyffe,2022-05-10 Ren

Dunbar is used to never fitting in anywhere Graduating high school at thirteen and med school at nineteen pretty much guaranteed she'd always have trouble proving she belonged but she's okay with that She prefers the solitude of the lab over the raucous atmosphere in the OR which would be fine except she's a surgery resident Winning the Benjamin Franklin Prize in surgery is just the proof she needs to show everyone she deserves to be part of their world Dani Chan knows she's disappointed her family in choosing a mundane clinical career in surgery no less over the far more valuable world of medical research When she wins the Franklin Prize and the national acclaim that comes with it she'll finally gain their approval and

maybe at last their affection Ren and Dani set out to win no matter what it takes but their unexpected attraction is an obstacle neither has counted on and love may be the final reward *Word Play* Radclyffe,2019-05-14 In the still dark of the night a woman writes her desire and dares at last to send her words to the woman who inspired them Previously published in *Erotic Interludes 3 Lessons in Love* edited by Radclyffe and Stacia Seaman Bold Strokes Books 2006 Fritzie Amy Absher,2023-09-19 One January day in 1923 a young boy came across the dead body of a twenty year old woman on a San Diego beach When the police arrived on the scene they found the woman s calling card which read simply I am Fritzie Mann Yet Fritzie s identity as revealed in this compelling history was anything but simple and her death eventually ruled a homicide captured public attention for months In Fritzie historian Amy Absher reveals how broader cultural forces including gendered violence sexual liberation and evolving urban conditions in the American West shaped the course of Mann s life and contributed to her tragic death Frieda Fritzie Mann had several identities during her brief life and the mysterious circumstances of her death raise as many questions as they do answers She was born in 1903 near the present border between Poland and Ukraine She and her family were Jewish immigrants who traveled to San Diego to find security and prosperity In the last year of her life Mann became locally famous She had reinvented herself as a flapper and Oriental dancer She claimed to have friends in Hollywood and a movie contract On the night of her murder she said she was going to a party to meet her Hollywood friends instead she traveled to an isolated roadside hotel where she met her death An autopsy revealed that she was four and a half months pregnant Absher guides the reader through the intricacies of this true crime story as it unfolded from the initial flawed investigation to the sensationalized press coverage and the ultimate failure of the legal system to ensure justice on Mann s behalf Like other new women of her era Fritzie Mann adopted roles that promised liberation from the control of men In the end her life and early death suggest the opposite she became the victim of a culture that consumed women even as it purported to celebrate them The Supernatural in Modern English Fiction Dorothy Scarborough,2014-11-04 The subject of the supernatural in modern English fiction has been found difficult to deal with because of its wealth of material While there has been no previous book on the topic and none related to it save Mr C E Whitmore s work on *The Supernatural in Tragedy* the mass of fiction itself introducing ghostly or psychic motifs is simply enormous It is manifestly impossible to discuss or even to mention all of it Even in my bibliography which numbers over three thousand titles I have made no effort to list all the available examples of the type The bibliography which I at first intended to publish in connection with this volume is far too voluminous to be included here so will probably be brought out later by itself It would have been impossible for me to prosecute the research work or to write the book save for the assistance generously given by many persons I am indebted to the various officials of the libraries of Columbia University and of New York City particularly to Miss Isadore Mudge Reference Librarian of Columbia and to the authorities of the New York Society Library for permission to use their priceless out of print novels in the Kennedy Collection My interest in English fiction was increased

during my attendance on some courses in the history of the English novel given by Dr A J Carlyle in Oxford University England several years ago I have received helpful bibliographical suggestions from Professor Blanche Colton Williams Dr Dorothy Brewster Professor Nelson Glenn McCrea Professor John Cunliffe and Dean Talcott Williams of Columbia and Professor G L Kittredge of Harvard Professors William P Trent George Philip Krapp and Ernest Hunter Wright very kindly read the book in manuscript and gave valuable advice concerning it Professor Wright going over the material with me in detail But my chief debt of gratitude is to Professor Ashley H Thorndike Head of the Department of English and Comparative Literature in Columbia whose stimulating criticism and kindly encouragement have made the book possible To all of these and others who have aided me I am deeply grateful and I only wish that the published volume were more worthy of their assistance
