

The background is a Romantic-style landscape painting. It depicts a dense forest with trees in various shades of autumn, including reds, oranges, yellows, and greens. In the distance, a body of water, possibly a lake or a wide river, is visible under a sky with soft, white clouds. The overall mood is serene and majestic, typical of the American Romanticism movement.

volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism Aspects of American Romanticism in Short Stories by Edgar Allan Poe and Nathaniel Hawthorne Sirinya Pakditawan, 2007-12 Seminar paper from the year 2004 in the subject American Studies Literature grade 1 5 University of Hamburg Institut f r Anglistik und Amerikanistik course Nathaniel Hawthorne 17 entries in the bibliography language English abstract Edgar Allan Poe 1809 49 is perhaps the best known American Romantic who worked in the so called Gothic mode His poems and stories explore the darker side of the Romantic imagination dealing with the Grotesque the supernatural and the horrifying Poe also rejected the rational and the intellectual in favour of the intuitive and the emotional a dominant characteristic of the Romantic Movement For Nathaniel Hawthorne 1804 64 literature also seemed to depend on the possibility of the Gothic Hence of particular interest to Hawthorne was the nature of evil Like his contemporary Poe Hawthorne also made extensive use of symbols One of Hawthorne s and Poe s distinctive concerns is also that of separating head and heart intellect and soul Hawthorne explored these Romantic ideas and the themes of obsession loss and the impossibility of perfection extensively in his short stories The Artist of the Beautiful and The Birthmark However in Poe s life and works and thus also in Ligeia and Morella the stories to be treated in this analysis love death and loss are indissolubly entwined and serve as the apotheosis of his science and the springboard for his horror Some critics think that Poe was only a marketer of Gothic horror borrowed from the German models popular during his time Hence the pertinent issue in Poe becomes the origins for the terror of the soul In the following it will be analyzed which aspects of American Romanticism are treated in Poe short stories Ligeia and Morella and in Hawthorne s The Artist of the Beautiful and The Birthmark For this reason it is necessary to take a closer look at American Romanticism as a literary movement first

**The Oxford Companion to American Literature** James David Hart, 1948 , **History, Abolition, and the Ever-Present Now in Antebellum American Writing** Jeffrey

Insko,2018-12-06 History and the Ever Present Now in Antebellum American Writing examines the meaning and possibilities of the present and its relationship to history and historicity in a number of literary texts specifically the writings of several figures in antebellum US literary history some but not all of whom associated with the period's romantic movement Focusing on nineteenth century writers who were impatient for social change like those advocating for the immediate emancipation of slaves as opposed to those planning for a gradual end to slavery the book recovers some of the political force of romanticism Through close readings of texts by Washington Irving John Neal Catharine Sedgwick Frederick Douglass Ralph Waldo Emerson and Herman Melville the book argues that these writers practiced forms of literary historiography that treat the past as neither a reflection of present interests nor as an irretrievably distant other but as a complex and open ended interaction between the two In place of a fixed and linear past these writers imagine history as an experience rooted in a fluid dynamic and ever changing present The political philosophical and aesthetic disposition Insko calls romantic presentism insists upon the present as the fundamental sphere of human action and experience and hence of ethics and democratic possibility
