to that dazzling cultural phenomenon now known collectively as German Romanticism Individual chapters not only introduce the reader to individual writers such as Friedrich Schlegel Novalis Eichendorff Heine Hoffmann Kleist Schiller and Tieck but also treat key concepts of Romantic music painting philosophy gender and cultural anthropology science and criticism in concise and lucid language All German quotations are translated to make this volume fully accessible to a wide audience interested in how Romanticism evolved across Europe Brief biographies and bibliographies are supplemented by a list of primary and secondary further reading in both English and German

**The Visual Arts in Germany, 1890-1937** Shearer West,2000 This work provides an introduction to the visual arts in Germany from the early years of German unification to World War II The study is an analysis of painting sculpture graphic art design film and photography in relation to a wider set of cultural and social issues that were specific to German modernism It concentrates on the ways in which the production and reception of art interacted with and was affected by responses to unification conflict between left and right political factions gender concerns contemporary philosophical and religious ideas the growth of cities and the increasing importance of mass culture

**Encyclopedia of the Romantic Era, 1760-1850** Christopher John Murray,2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism

*"Rival Sisters, Art and Music at the Birth of Modernism, 1815-1915"* James H. Rubin,2017-07-05 Introducing the concept of music and painting as rival sisters during the nineteenth century this interdisciplinary collection explores the productive exchange from rivalry to inspiration to collaboration between the two media in the age of Romanticism and Modernism The volume traces the relationship between art and music from the opposing claims for superiority of the early nineteenth century to the emergence of the concept of synesthesia around 1900 This collection puts forward a more complex history of the relationship between art and music than has been described in earlier works including an intermixing of models and distinctions between approaches to them Individual essays from art history musicology and literature examine the growing influence of art upon music and vice versa in the works of Berlioz Courbet Manet Fantin Latour Rodin Debussy and the Pre Raphaelites among other artists

*A Culture Of Light* Frances Guerin,2000 A groundbreaking exploration of German expressionist cinema and technology

*Sigmar Polke* Anne MacPhee,Sigmar Polke,1996-01-01 Sigmar Polke is a highly exemplary Postmodernist and perhaps one the most indicative of a truly European avant garde culture This book presents a number of critiques which shed light on Polke's otherwise bewildering display of stylistic references apparent changes of allegiance and often unorthodox techniques of production

*In Search of the Holy Grail* Veronica Ortenberg,2006-01-01 This book surveys the influence of the middle ages and of

medieval attitudes and values on later periods and on the modern world Many artistic political and literary movements have drawn inspiration and sought their roots in the thousand years between 500 and 1500 AD Medieval Christianity and its rich legacy has been the essential background to European culture as a whole Gothic architecture and chivalry were two keys to Romanticism while nationalists including the Nazis looked back to the middle ages to find emerging signs of national character In literature few myths have been as durable or popular as those of King Arthur stretching from the Dark Ages to Hollywood In Search of the Holy Grail is a vivid account of how later ages learnt about and interpreted the middle ages

*Angels of Desire* Jay Johnston, 2016-04-08 The idea that the human body consists of subtle bodies psycho spiritual essences can be found in a variety of esoteric traditions This radical form of selfhood challenges the dualisms at the heart of Western discourse mind body divine human matter spirit reason emotion I other *Angels of Desire* explores the aesthetics and ethics of subtle bodies What emerges is an understanding of embodiment not exclusively tied to materiality The book examines the use of subtle bodies across a range of traditions yogic tantric theosophical hermetic and sufi *Angels of Desire* shows the relevance of the subtle body for religion philosophy art history and contemporary feminist religious studies and theories of desire *Crafting the Woman Professional in the Long Nineteenth Century* Kyriaki Hadjiafxendi, Patricia Zakreski, 2016-05-13 Over the course of the nineteenth century women in Britain participated in diverse and prolific forms of artistic labour As they created objects and commodities that blurred the boundaries between domestic and fine art production they crafted subjectivities for themselves as creative workers By bringing together work by scholars of literature painting music craft and the plastic arts this collection argues that the constructed and contested nature of the female artistic professional was a notable aspect of debates about aesthetic value and the impact of industrial technologies All the essays in this volume set up a productive inter art dialogue that complicates conventional binary divisions such as amateur and professional public and private artistry and industry in order to provide a more nuanced understanding of the relationship between gender artistic labour and creativity in the period Ultimately how women faced the pragmatics of their own creative labour as they pursued vocations trades and professions in the literary marketplace and related art industries reveals the different ideological positions surrounding the transition of women from industrious amateurism to professional artistry
