Romantic Victorian Poetry 2nd Edition:

Romantic And Victorian Poetry William Frost, 2011-03-23 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

Romantic Poetry Karl Kroeber, Gene W. Ruoff, 1993 This anthology fills the need for a comprehensive up to date collection of the most important contemporary writings on the English romantic poets During the 1980s many theoretical innovations in literary study swept academic criticism Many of these approaches from deconstructive new historicist and feminist perspectives used romantic texts as primary examples and altered radically the ways in which we read Other major changes have occurred in textual studies dramatically transforming the works of these poets The world of English romantic poetry has certainly changed and Romantic Poetry keeps pace with those changes Karl Kroeber and Gene W Ruoff have organized the book by poet Blake Wordsworth Coleridge Byron Shelly and Keats and have included essays representative of key critical approaches to each poet s work In addition to their excellent general introduction the editors have provided brief helpful forewords to each essay showing how it reflects current approaches to its subject The book also has an extensive bibliography sure to serve as an important research aid Students on all levels will find this book invaluable

Elizabeth Barrett Browning Rebecca Stott, Simon Avery, 2014-09-25 This volume will provide students with an introduction to the poetry and life of Elizabeth Barrett Browning one of the most popular poets of her day in Britain and America and who has become one of the great icons of Victorianism for the modern age The authors present a biographical survey study of her poetry its critical reception and an assessment of her influence on later poets This book also examines the complex myths which are associated with Elizabeth Barrett Browning and offers re readings of her life and work particularly in dispelling the myth of the ailing invalid poet recluse and instead showing her to be one of the great intellectuals of her day immersed in European history and politics from a very early age The book situates Browning within broader historical political and cultural contexts than have yet been examined enabling a better understanding of her poetry and paints the portrait of a fine and innovative poet an intellectual and an astute political thinker

Literary Theology by Women Writers of the Nineteenth Century Rebecca Styler, 2016-05-13 Examining popular fiction life writing poetry and political works Rebecca Styler explores women s contributions to theology in the nineteenth century Female writers Styler argues acted as amateur theologians by use of a range of literary genres Through these they questioned the Christian tradition relative to contemporary concerns about political ethics gender identity and personal meaning Among Styler s subjects are novels by Emma Worboise writers of collective biography including Anna Jameson and Clara Balfour who study Bible women in order to address contemporary concerns about The Woman Question poetry by Anne Bronte and political writing by Harriet Martineau and Josephine Butler As Styler considers the ways in which each writer negotiates the gender constraints and opportunities that are available to her religious setting and literary genre she shows the varying

degrees of frustration which these writers express with the inadequacy of received religion to meet their personal and ethical needs All find resources within that tradition and within their experience to reconfigure Christianity in creative and more earth oriented ways *American and British Poetry* Harriet Semmes Alexander,1984 **Poetics of Luxury in the Nineteenth Century** Betsy Winakur Tontiplaphol,2016-04-22 Beginning with John Keats and tracing a line of influence through Alfred Lord Tennyson and Gerard Manley Hopkins Betsy Tontiplaphol draws on established narratives of the nineteenth century s social and literary developments to describe the relationship between poetics and luxury in an age when imperial trade and domestic consumerism reached a fevered pitch The luscious poem as Tontiplaphol defines it is a subset of the luxurious a category that suggests richness in combination with enclosure and intimacy For Keats Tontiplaphol suggests the psychological virtues of luscious experience generated a new poetics one that combined his Romantic predecessors sense of the ameliorative power of poetry with his own revaluation of space both physical and prosodic Her approach blends cultural context with close attention to the formal and affective qualities of poetry as she describes the efforts of Keats and his equally though differently anxious Victorian inheritors to develop textual spaces as luscious as the ones their language describes For all three poets that effort entailed rediscovering and reinterpreting the list or catalogue and each chapter s textual and formal analyses are offered in counterpoint to careful examination of the century s luscious materialities Her book is at once a study of influence a socio historical critique and a form focused assessment of three century defining voices

Visionary Dreariness Markus Poetzsch,2013-09-13 *Visionary Dreariness* Readings in Romanticism s Quotidian Sublime undertakes a reconceptualization of the theoretical and experiential framework of the Romantic sublime by shifting the focus from Burke s and Kant s prescriptions of natural vastness and grandeur to the narrower but no less wondrous spaces objects and experiences of everyday life This shift is defined as a descent from mountaintops to an encounter in William Blake s terms with a World in a Grain of Sand The purpose of this book is to sift the literature of the Romantic everyday both prose and poetry canonical and noncanonical for such grains In order to define the inherently amorphous and subsumptive sphere called everyday life the author draws upon two main theoretical threads the first based on the phenomenological poetics of Gaston Bachelard serves to elucidate the depth and diversity of everyday household space the second comprising the work of Henri Lefebvre and Michel de Certeau defines the generative potential what de Certeau glosses as the everyday creativity of some of the most basic human activities such as walking reading and washing to name but a few The role of the everyday in Romantic literature has in recent years received greater scholarly attention particularly from critics dissatisfied with the perpetuation of what Karina Williamson characterizes as a debased Romanticism which rules there is a category of experience and expression which is poetic and all the rest is ordinary and inadmissible The present study serves to map the intersections of these categories of experience and expression the sublime and the quotidian and thereby to challenge our assumptions about the aesthetic value of the everyday not only in the Romantic period but also in our own **The New**

Encyclopædia Britannica: Macropædia : Knowledge in depth ,2002 **Browning's Beginnings** Herbert F. Tucker Jr.,1980-12-31 Browning s Beginnings was first published in 1980 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Browning s Beginnings offers a fresh approach to the poet who among major Victorians has proved at once the most congenial and most inscrutable to modern readers Drawing on recent developments in literary theory and in the criticism of romantic poetry Herbert F Tucker Jr argues that Browning s stylistic obscurity is the result of a principled poetics of evasion This art of disclosure in deferring formal and semantic finalities constitutes an aesthetic counterpart to his open ended moral philosophy of incompleteness Browning s poems like his enormously productive career find their motivation and sustenance in his optimistic love of the future a love that is indistinguishable from his lifelong fear that there will be nothing left to say The opening chapters trace the workings of Browning s art of disclosure with extensive and original interpretations of the unduly neglected early poems *Pauline Paracelsus* and *Sordello* and place special emphasis on Browning s attitudes toward poetic tradition and language A chapter on Browning s attitudes toward poetic tradition and language A chapter on Browning s plays identifies dynamics of representation in *Pippa Passes* *Strafford* and *King Victor and King Charles* Tucker discusses the pervasive analogy between Browning s ideas about poetic representation and about representation in its erotic and religious aspects and shows how the early poems and plays illustrate correlative developments in poetics and in the exploration and dramatic rendering of human psychology The remaining chapters follow the poetic psychology of Browning to its culmination in the great poems of his middle years exemplary readings of selected dramatic lyrics and monologues suggest that the ways of meaning in Browning s mature work variously bear out the sense of endlessness or perpetual initiation that is central to his poetic beginnings Tucker thus contends that the romantic and the Victorian Browning have more in common than is generally supposed and his book should appeal to students of both periods Its discussion of general literary issues poetic influence closure representation and meaning in application to particular texts should further recommend Browning s Beginnings to the nonspecialist reader interested in poetry and poetic theory *The Cultural Production of Matthew Arnold* Antony H. Harrison,2009-11-15 The career of Matthew Arnold as an eminent poet and the preeminent critic of his generation constitutes a remarkable historical spectacle orchestrated by a host of powerful Victorian cultural institutions *The Cultural Production of Matthew Arnold* investigates these constructions by situating Arnold s poetry in a number of contexts that partially shaped it Such analysis revises our understanding of the formation of the elite and elitist male literary intellectual subject during the 1840s and 1850s as Arnold attempts self definition and strives simultaneously to move toward a position of ideological influence upon intellectual institutions that were contested sites of economic social and political power in his era Antony H Harrison reopens discussion of selected works by Arnold in order to make visible some of their crucial sociohistorical intertextual and political components Only by doing so can we ultimately

view the cultural work of Arnold steadily and whole and in a fashion that actually eschews this mystifying premise of all Arnoldian inquiry which by the early twentieth century had become wholly naturalized in the academy as ideology

English Literature from the 19th Century Through Today Britannica Educational Publishing, 2010-04-01 As the British empire expanded ever outward English writers of the 19th and early 20th centuries such as Charles Dickens T S Eliot and Virginia Woolf turned their gaze inward to matters of ethical and moral import Modern writers continue to examine British identity by reformulating and reinventing literary movements and devices introduced by their predecessors Readers of this volume are invited to observe the progression of English literature and enjoy the stories behind some of the most seminal works in the world

The Cambridge History of English Poetry Michael O'Neill, 2010-04-29 Poetry written in English is uniquely powerful and suggestive in its capacity to surprise unsettle shock console and move The Cambridge History of English Poetry offers sparkingly fresh and dynamic readings of an extraordinary range of poets and poems from Beowulf to Alice Oswald An international team of experts explores how poets in England Scotland Wales and Ireland use language and to what effect examining questions of form tone and voice they comment too on how formal choices are inflected by the poet's time and place The Cambridge History of English Poetry is the most comprehensive and authoritative history of the field from early medieval times to the present It traces patterns of continuity transformation transition and development Covering a remarkable array of poets and poems and featuring an extensive bibliography the scope and depth of this major work of reference make it required reading for anyone interested in poetry

Swinburne and His Gods Margot K. Louis, 1990-01-01 Swinburne and His Gods is the first serious critical analysis to examine the poet's background in the high church in the context of his work Louis clearly shows Swinburne's fierce and intimate hostility toward the church and reveals his particular irritation with the doctrines of Newman Keble and Trench In her explanation of his poetic use of sacramental imagery especially those images connected with the Last Supper Louis shows how Swinburne's eucharists can be murderous or erotic aesthetic or republican The demonic parody that characterizes Swinburne's work is shown to have developed through experimentation with neo-romantic alternatives to Christianity first through the evocation of a quasi-sadistic pessimism then in the embodiment of the sun god of Art and finally as a feeble gesture toward an unknowable deity which moves elusively both within and beyond the natural world Rather than imposing artificial unity on the poet's career Louis presents his work as an integrated series of serious and brilliant experiments in Romantic art

Lives of the Sonnet, 1787-1895 Marianne Van Remoortel, 2016-05-06 In a series of representative case studies Marianne Van Remoortel traces the development of the sonnet during intense moments of change and stability continuity and conflict from the early Romantic period to the end of the nineteenth century Paying particular attention to the role of the popular press which served as a venue of innovation and as a site of recruitment for aspiring authors Van Remoortel redefines the scope of the genre including the ways in which its development is intricately related to issues of gender Among her subjects are the Della

Crusans and their primary critic William Gifford the young Samuel Taylor Coleridge and his circle Elizabeth Barrett Browning's Sonnets from the Portuguese George Meredith's Modern Love Dante Gabriel Rossetti's House of Life and Augusta Webster's Mother and Daughter As women became a force to be reckoned with among the reading public and the writing community the term sonnet often operated as a satirical label that was not restricted to poetry adhering to the strict formalities of the genre Van Remoortel's study in its attentiveness to the sonnet's feminization during the late eighteenth century offers important insights into the ways in which changing attitudes about gender and genre shaped critics' interpretations of the reception histories of nineteenth-century sonnet sequences *Tennyson's Name* Anna Barton, 2016-12-05 Seeking to understand Tennyson's poetry as the work of a man concerned with making and then living up to one of the most famous names in Victorian literature Anna Barton offers close readings of Tennyson's major works From his obscure beginning as A T one of two anonymous brothers to the height of his success when he held the impressive title Alfred Lord Tennyson DCL Poet Laureate the development of Tennyson's career took place in a period increasingly aware that a name could command considerable cultural capital In the marketplace goods were sold on the strength of their brand name in the press the battle for signed articles was fought and won and in Victorian drawing rooms young ladies collected the autographs of family and friends and pasted them into scrap books From his early lyrics to his Arthurian Idylls Barton argues the laureate's keen sense of professional identity forced him to grapple with modern concerns about the ethics of print in order to establish his own responsible poetic **Romantic and Victorian Poetry. Edited by W. Frost ... Second Edition** William FROST (Professor of English at Santa Barbara College.), 1961 *The Cambridge Companion to the Romantic Sublime* Cian Duffy, 2023-07-20 This is the only collection of its kind to focus on one of the most important aspects of the cultural history of the Romantic period its sources and its afterlives Multidisciplinary in approach the volume examines the variety of areas of enquiry and genres of cultural productivity in which the sublime played a substantial role during the late eighteenth and early nineteenth centuries With impressive international scope this Companion considers the Romantic sublime in both European and American contexts and features essays by leading scholars from a range of national backgrounds and subject specialisms including state of the art perspectives in digital and environmental humanities An accessible wide-ranging and thorough introduction aimed at researchers students and general readers alike and including extensive suggestions for further reading *The Cambridge Companion to the Romantic Sublime* is the go-to book on the subject **Thinking about Other People in Nineteenth-Century British Writing** Adela Pinch, 2010-07-08 Nineteenth-century life and literature are full of strange accounts that describe the act of one person thinking about another as an ethically problematic sometimes even a dangerously powerful thing to do In this book Adela Pinch explains why when and under what conditions it is possible or desirable to believe that thinking about another person could affect them She explains why nineteenth-century British writers poets novelists philosophers psychologists devotees of the occult were both attracted

to and repulsed by radical or substantial notions of purely mental relations between persons and why they moralized about the practice of thinking about other people in interesting ways Working at the intersection of literary studies and philosophy this book both sheds new light on a neglected aspect of Victorian literature and thought and explores the consequences of and the value placed on this strand of thinking about thinking **Poetry and Humour from Cowper to Clough** Mark Storey,1979-06-17 **Encyclopedia of the Romantic Era, 1760-1850** Christopher John Murray,2004 Review Written to stress the crosscurrent of ideas this cultural encyclopedia provides clearly written and authoritative articles Thoughts themes people and nations that define the Romantic Era as well as some frequently overlooked topics receive their first encyclopedic treatments in 850 signed articles with bibliographies and coverage of historical antecedents and lingering influences of romanticism Even casual browsers will discover much to enjoy here The Top 20 Reference Titles of the Year American Libraries May 2004

Romantic Victorian Poetry 2nd Edition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Romantic Victorian Poetry 2nd Edition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Romantic Victorian Poetry 2nd Edition has opened up a world of possibilities. Downloading Romantic Victorian Poetry 2nd Edition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a

button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Romantic Victorian Poetry 2nd Edition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Romantic Victorian Poetry 2nd Edition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Romantic Victorian Poetry 2nd Edition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Romantic Victorian Poetry 2nd Edition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Romantic Victorian Poetry 2nd Edition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Romantic Victorian Poetry 2nd Edition Books

1. Where can I buy Romantic Victorian Poetry 2nd Edition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
