Ethical Context
*Novalis and
Artistic Autonomy*

Foreword by Jochen Schulte-Sasse

Theory and History of Literature, Volume 39

Romantic Vision Ethical Context Novalis And Aritistic Autonomy

Tobias Bleicker

Romantic Vision Ethical Context Novalis And Aesthetic Autonomy:

Romantic Vision, Ethical Context Géza von Molnár, 1987 *Romantic Vision, Ethical Context* Geza Von Molnar, 1987
Exploring the full range of Novalis's the pen name of the German poet and philosopher Friedrich von Hardenberg work von Molnar shows how he dealt in theory and practice with a central issue in Romanticism—the emerging concept of the autonomous self and its relation **Romantic Vision, Ethical Context** Géza von Molnár, 1986 Private Lives in the Public Sphere Todd Kontje, 2010-11 *Private Lives in the Public Sphere* examines the Bildungsroman in the context of the rapid changes that affected the German literary revolution that made up for its belatedness in its rapidity and scope. The nature and quantity of reading material produced the social status of the writer and the reading habits of the public changed dramatically within a few decades. At the beginning of the century the new texts that appeared at the annual book fairs were primarily written in Latin and devoted to theology. By the end of the century the number of new publications each year has increased almost exponentially with the novel leading the way. This new institution of literature constituted an important part of what it instead it transforms reality and the Bildungsroman is the genre that examines this transformation **Romantic Moods** Thomas Pfau, 2005-10-20 Pfau focuses on three specific paradigms of emotive experience: paranoia, trauma, and melancholy. Along the trajectory of Romantic thought, paranoia characterizes the disintegration of traditional models of causation and representation during the French Revolution; trauma, the radical political, cultural, and economic restructuring of Central Europe in the Napoleonic era; and melancholy, the dominant post-traumatic condition of stalled post-Napoleonic history both in England and on the continent. **BOOK JACKET** *Irony and Idealism* Fred Rush, 2016-09-22 *Irony and Idealism* investigates the historical and conceptual structure of the development of a philosophically distinctive conception of irony in early to mid-nineteenth-century European philosophy. The principal figures treated are the romantic thinkers Friedrich Schlegel and Novalis, Hegel, and Kierkegaard. Fred Rush argues that the development of philosophical irony in this historical period is best understood as providing a way forward in philosophy in the wake of Kant and Jacobi that is discrete from and many times opposed to German idealism. *Irony and Idealism* argues against the grain of received opinion that among the German romantics Schlegel's conception of irony is superior to similar ideas found in Novalis. It also presents a sustained argument showing that historical reconsideration of Schlegel has been hampered by contestable Hegelian assumptions concerning the conceptual viability of romantic irony and by the misinterpretation of what the romantics mean by the absolute. Rush argues that this is primarily a social ontological term and not as is often supposed a metaphysical concept. Kierkegaard, although critical of the romantic conception, deploys his own adaptation of it in his criticism of Hegel, continuing and in a way completing the arc of irony through nineteenth-century philosophy. The book concludes by offering suggestions meant to guide contemporary reconsideration of Schlegel's and Kierkegaard's views on the philosophical significance of irony.

The Cambridge Companion to German Idealism Karl Ameriks, 2000-10-30 *The Cambridge Companion to German*

Idealism first published in 2000 offers a comprehensive penetrating and informative guide to what is regarded as the classical period of German philosophy Kant Fichte Hegel and Schelling are all discussed in detail together with a number of their contemporaries such as Hölderlin and Schleiermacher whose influence was considerable but whose work is less well known in the English speaking world The essays in the volume trace and explore the unifying themes of German Idealism and discuss their relationship to Romanticism the Enlightenment and the culture of seventeenth and eighteenth century Europe The result is an illuminating overview of a rich and complex philosophical movement and will appeal to a wide range of readers in philosophy German studies theology literature and the history of ideas

Beyond Autonomy in

Eighteenth-Century British and German Aesthetics Karl Axelsson,Camilla Flodin,Mattias Pirholt,2020-10-25 This volume re examines traditional interpretations of the rise of modern aesthetics in eighteenth century Britain and Germany It provides a new account that connects aesthetic experience with morality science and political society In doing so it challenges long standing teleological narratives that emphasize disinterestedness and the separation of aesthetics from moral cognitive and political interests The chapters are divided into three thematic parts The chapters in Part I demonstrate the heteronomy of eighteenth century British aesthetics They chart the evolution of aesthetic concepts and discuss the ethical and political significance of the aesthetic theories of several key figures namely the third Earl of Shaftesbury David Hume and Adam Smith Part II explores the ways in which eighteenth century German and German oriented thinkers examine aesthetic experience and moral concerns and relate to the work of their British counterparts The chapters here cover the work of Kant Moses Mendelssohn Alexander Gottlieb Baumgarten and Madame de Staél Finally Part III explores the interrelation of science aesthetics and a new model of society in the work of Goethe Johann Wilhelm Ritter Friedrich Hölderlin and William Hazlitt among others This volume develops unique discussions of the rise of aesthetic autonomy in the eighteenth century In bringing together well known scholars working on British and German eighteenth century aesthetics philosophy and literature it will appeal to scholars and advanced students in a range of disciplines who are interested in this topic The Introduction and Chapters 2 10 and 12 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

The German Bildungsroman Michael Minden,1997-04-17 This book was originally published in 1997 The Bildungsroman the story of the development or formation of a young man is the most famous German contribution to the European novel Most studies of the Bildungsroman have concentrated on its underlying philosophy Michael Minden addresses it as literature He offers detailed readings of some of the best known novels in the German language from Goethe to Mann including Wilhelm Meisters Lehrjahre Agathon Anton Reiser Hyperion Heinrich von Ofterdingen Der gr ne Heinrich Der Nachsommer and Der Zauberberg Looking at the novels from the points of view of gender subjectivity and the ideology of the aesthetic and taking account of the literary theory Minden uncovers aspects and motifs which subvert traditional ideas of the

Bildungsroman and raise questions about the function and status of literature *Novalis: Philosophical, Literary, and Poetic Writings* James D. Reid, 2024 Novalis Philosophical Literary and Poetic Writings assembles for the first time in English translations of Novalis's published philosophical works a large share of his surviving philosophical notes and fragments his two unfinished novels *The Disciples* at Saar and Heinrich von Ofterdingen and the Hymns to the Night Readers interested in Novalis's views on philosophy art morality politics and religion and how positions in each of these areas might be unified in single overarching vision of reality will find the present translation an essential guide [Postmortem Postmodernists](#) Laura E. Savu, 2009 This book scrutinizes the genre of the author as character with respect to three broad issues authorship the posthumous and cultural revisionism that arise in reading such works from a contemporary perspective Late twentieth century fiction postmodernizes romantic and modern authors not only to understand them better but also to understand itself in relation to a past literary tradition aesthetic paradigms cultural formations etc that has not really passed Penelope Fitzgerald's *The Blue Flower* Peter Ackroyd's *The Last Testament of Oscar Wilde* and Chatterton Peter Carey's *Jack Maggs* Michael Cunningham's *The Hours* Colm Toibin's *The Master* and Geoff Dyer's *Out of Sheer Rage Wrestling with D H Lawrence* the mighty dead Harold Bloom are brought back to life reanimated and bodied forth in new textual bodies that project a post modern understanding of the author as a historically and culturally contingent subjectivity constructed along the lines of gender sexual orientation class and nationality Laura E Savu is a lecturer at the University of Bucharest [The Hieroglyph of Tradition](#) Angelika Rauch, 2000 Rauch makes the case that reading is an activity within which we encounter something foreign to ourselves namely tradition in its otherness and that it is in this encounter that we enter into a dialogue with predecessors and past achievements that have the capacity to transform us This book will be of interest to scholars in philosophy psychoanalysis critical theory literary study history and cultural study BOOK JACKET **Paradox, Aphorism and Desire in Novalis and Derrida** Clare Kennedy, 2008 Building on recent investigations into affinities between early German Romanticism and French post structuralism this study brings together the work of Jacques Derrida with the writings of one of early Romanticism's most important theorists Friedrich von Hardenberg 1772-1801 better known as Novalis In contrast to recent criticism which traces the historical path from Romanticism to modern theory in broad strokes this book undertakes comparative readings of Novalis's and Derrida's texts on literature and philosophy The book focuses on the significance both writers accord to paradox and argues that readings which are attuned to paradox can better appreciate the proximity of Romanticism and post structuralism As well as their affirmation of paradox the texts of Novalis and Derrida testify to a profound respect for the Other and the close readings of selected texts reveal remarkable similarities in their thinking on literature philosophy and representation and on the intricate interrelation between language identity and desire

Representation and Its Discontents Azade Seyhan, 2023-04-28 Azade Seyhan provides a concise elegantly argued introduction to the critical theory of German Romanticism and demonstrates how its approach to the metaphorical and

linguistic nature of knowledge is very much alive in contemporary philosophy and literary theory Her analysis of key thinkers such as Friedrich Schlegel and Novalis explores their views on rhetoric systematicity hermeneutics and cultural interpretation Seyhan examines German Romanticism as a critical intervention in the debates on representation which developed in response to the philosophical revolution of German Idealism Facing a chaotic political and intellectual landscape the eighteenth century theorists sought new models of understanding and new objectives for criticism and philosophy Representation and Its Discontents identifies the legacy of this formative moment in modern criticism and suggests its relevance to contemporary discussions of post structuralism orientalism theories of textuality and the nature of philosophical discourse This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992 Azade Seyhan provides a concise elegantly argued introduction to the critical theory of German Romanticism and demonstrates how its approach to the metaphorical and linguistic nature of knowledge is very much alive in contemporary philosophy and literary

Subversive Sublimities Eitel Friedrich Timm,1992

This anthology of critical essays pursues a field of scholarship that has only recently caught fire the dark side of the German Enlightenment The most prominent of German enlightened poets and thinkers Goethe Schiller Lichtenberg Tieck among others were conspicuously prone to the ideology of shamans occultists and charlatans of modern science and psychology And yet the studies published here for the first time argue that the fascination with magic and the occult are not symptoms of a dying age but subversively productive elements so that the subversiveness of irrationalism may be said to have become a progressive rather than a reactionary force

Orienting the Self Debra N. Prager,2014

Follows the evolution of the Orient as a positive literary device in German literature and demonstrates how it was used to explore subjectivity and the possibility of wholeness For centuries Europe s eastward gaze has been wary if not hostile Medieval man envisaged grotesque beings at the world s edge and scanned the steppes and straits on the immediate horizon for the Asian or Arab hordes that might swarm across them Through the Crusades the early modern era and the age of imperialism Europeans regarded the Eastern subject as requiring both discovery and conquest Conveniently the Oriental came to represent fanaticism terrorism moral laxity and inscrutability among other stereotypes The list of German literary works that reinforced negative clich s about the East is long but Orienting the Self argues for the presence in the German literary tradition of a powerful perception of the East as the scene of desire fantasy and fulfillment It follows the evolution of the Orient as a literary device and demonstrates how it was used to explore subjectivity and the possibility of wholeness The five works treated in this study Parzival Fortunatus Effi Briest Heinrich von Ofterdingen and The Magic Mountain are narratives of development in which the encounter with the East is central to the progression toward selfhood and the promise of fulfillment Debra N Prager is

Associate Professor of German at Washington and Lee University **The Origins of Modern Critical Thought: German**

Aesthetic and Literary Criticism from Lessing to Hegel David Simpson,1988-10-28 An exceptional resource this 1988 book provides a comprehensive anthology in English of the major texts of German literary and aesthetic theory between Lessing and Hegel The texts are crucial to an understanding not only of the Romantic period itself but also of the

foundational arguments of literary theory **Classic and Romantic German Aesthetics** J. M. Bernstein,2003 This 2002

volume offers translations of major works of classic and romantic German aesthetics Wordsworth and English Literary

Pilgrimage in the Nineteenth Century Keith Hanley,2025-06-12 Using Wordsworth as a focal point this book describes how in

the period of Romanticism and beyond the historical practice of pilgrimage became internalised figuratively and

psychologically so as to represent Christian discourse in nineteenth century English literature It surveys the imaginative

relocation of Jerusalem and Rome to real and present places thereby creating the nation s sacred imaginary Wordsworth is

presented as central to founding a literary religious discourse on the sacred site of the Lake District Also explored are the

ways in which other Victorian writers such as Ruskin and Newman participated in that construction by their own literary

pilgrimages Overall this book revises assumptions about the decline of the religious imagination in nineteenth century

English literature and fundamentally reappraises the function of Romantic and Victorian representations of the sacred in

forming the nation and empire *Writing the Voice of Pleasure* A. Callahan,2001-11-09 The Voice of Pleasure makes a

persuasive and fascinating argument that the romantic couple of Western representation is not heterosexual Nor is it

homosexual With insightful new readings of landmarks of Western culture from Tristan and Yseut to Seinfeld Callahan

demonstrates that the illusion of heterosexuality is created by a male artist s assumption of a feminine voice to express desire

Named the troubadour effect for the first time here this tradition of male femininity in romantic writing results in a cultural model of desire best described as heterosexuality without women The most compelling aspect of the book is its attention to

the effect of this paradox on women writers Illuminating her argument with striking examples from the troubairitz to Toni

Morrison the author shows how women writers inscribe their vagabondage a term she coins to name the consequences of the

troubadour effect for women s agency as both writers and lovers

Adopting the Melody of Phrase: An Psychological Symphony within **Romantic Vision Ethical Context Novalis And Aritistic Autonomy**

In a global consumed by monitors and the ceaseless chatter of immediate interaction, the melodic beauty and mental symphony produced by the prepared term usually disappear in to the background, eclipsed by the constant noise and disruptions that permeate our lives. But, set within the pages of **Romantic Vision Ethical Context Novalis And Aritistic Autonomy** a marvelous literary prize full of natural emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, this interesting masterpiece conducts visitors on an emotional trip, skillfully unraveling the hidden songs and profound influence resonating within each cautiously crafted phrase. Within the depths with this emotional examination, we can examine the book is key harmonies, analyze its entralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Romantic Vision Ethical Context Novalis And Aritistic Autonomy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

Another reliable platform for downloading Romantic Vision Ethical Context Novalis And Aritistic Autonomy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Romantic Vision Ethical Context Novalis And Aritistic Autonomy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles

or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Romantic Vision Ethical Context Novalis And Artistic Autonomy free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Romantic Vision Ethical Context Novalis And Artistic Autonomy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Romantic Vision Ethical Context Novalis And Artistic Autonomy any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Romantic Vision Ethical Context Novalis And Artistic Autonomy Books
