Romantic Kentucky:

Romantic Kentucky Leila W. Salisbury, Laura E. Sutton, 2001 Take the scenic route to your Kentucky lover's heart Much more than just a travel guide to Lover's Lane The perfect companion to finding something special to do with your special someone from Cumberland Falls to Churchill Downs Something for every age budget and season of the year from a few stolen moments to long weekend getaways Provided by publisher

Romantic Geographies Amanda Gilroy, 2000 This first book length study explores the history of postwar England during the end of empire through a reading of novels which appeared at the time moving from George Orwell and William Golding to Penelope Lively Alan Hollinghurst and Ian McEwan Particular genres are also discussed including the family saga travel writing detective fiction and popular romances All included reflect on the predicament of an England which no longer lies at the centre of imperial power arriving at a fascinating diversity of conclusions about the meaning and consequences of the end of empire and the privileged location of the novel for discussing what decolonization meant for the domestic English population of the metropole The book is written in an easy style unburdened by large sections of abstract reflection It endeavours to bring alive in a new way the traditions of the English novel

The Romantic Egoists Matthew Joseph Brucoli, Scottie Fitzgerald Smith, Joan Paterson Kerr, 2003 This pictorial autobiography of Scott and Zelda Fitzgerald documents two lives that have become legendary The book draws almost entirely from the scrapbooks and photograph albums that the Fitzgeralds scrupulously kept as their personal record and provides a wealth of illustrative material not previously available Minnesota a photograph of the country club in Montgomery Alabama where the two met reviews of This Side of Paradise poems to the couple from Ring Lardner snapshots of their trips abroad Fitzgerald's careful accounting of his earnings a photograph of the house on Long Island where The Great Gatsby was conceived postcards with Fitzgerald's drawings for his daughter These rare photographs and memorabilia combine into a narrative augmented by selections from Scott's and Zelda's own writings conveying the spirit of particular moments in their lives

Romantic America William Nelson Gemmill, 1926

Kentucky's Covered Bridges Robert W. M. Laughlin, Melissa C. Jurgensen, 2007 Kentucky is well recognized for bourbon bluegrass and the Kentucky Derby When thinking of covered bridges the commonwealth is not the state that readily comes to mind Many of Kentucky's covered bridges were built by such men as Wernwag Bower Carothers Day Stone and Long but many of the names were never recorded or have been lost to time Kentucky once was home to the longest single span wooden bridge in the world and to a covered bridge through which a Civil War battle was fought Time arson progress neglect and misguided maintenance have spelled the demise of the majority of these structures Readers of this volume might be surprised to learn that Kentucky once claimed more than 700 timbered tunnels and that over 50 of these survived well into the 1950s Equally surprising the commonwealth is still home to 13 of these structures

The conqueror, the true and romantic story of Alexander Hamilton Gertrude Franklin Horn Atherton, 1902

The Romantic Friendship Reader Axel Nissen, 2003 Novel excerpts stories and

travel writing exemplifying a resistance to the domestic ideology of the later 19th century Cf Introduction With critical commentary How To Be Romantic K. M. Palestrina and the German Romantic Imagination James Garratt, 2002-07-18 Focusing on the reception of Palestrina this bold interdisciplinary study explains how and why the works of a sixteenth century composer came to be viewed as a paradigm for modern church music It explores the diverse ways in which later composers responded to his works and style and expounds a provocative model for interpreting compositional historicism In addition to presenting insights into the works of Bruckner Mendelssohn and Liszt the book offers fresh perspectives on the institutional aesthetic and ideological frameworks sustaining the cultivation of choral music in this period This publication provides an overview and analysis of the relation between the Palestrina revival and nineteenth century composition and it demonstrates that the Palestrina revival was just as significant for nineteenth century culture as parallel movements in the other arts such as the Gothic revival

Romantic Conventions Anne K. Kaler, 1999 Finding that romance novels are an important literary genre not only because they comprise nearly half of paperback fiction sold but also because they employ sympathetic values and identifiable conventions critics present 12 studies analyzing a selection of specific conventions patterns themes and images and trace them back to origins in folktales or fairy tales and back again to the latest adaptations available in the supermarkets No index Paper edition 778 0 21 95 Annotation copyrighted by Book News Inc Portland OR *The Oxford Handbook of British Romantic Prose* Robert Morrison, 2024-04-03 The Oxford Handbook of British Romantic Prose is a full length essay collection devoted entirely to British Romantic nonfiction prose Organized into eight parts each containing between five and nine chapters arranged alphabetically the Handbook weaves together familiar and unfamiliar texts events and authors and invites readers to draw comparisons reimagine connections and disconnections and confront frequently stark contradictions within British Romantic nonfiction prose but also in its relationship to British Romanticism more generally and to the literary practices and cultural contexts of other periods and countries The Handbook builds on previous scholarship in the field considers emerging trends and evolving methodologies and suggests future areas of study Throughout the emphasis is on

lucid expression rather than gnomic declaration and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples Taken as a whole the volume demonstrates the energy originality and diversity at the crux of British Romantic nonfiction prose It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers *Family Dynamics and Romantic Relationships in a Changing Society* Siltan, Nava R.,2017-02-08

As society changes and develops personal relationships can be significantly affected by evolving cultures By examining amorous and familial bonds in the present era a comprehensive understanding of relationship formation and development can be established *Family Dynamics and Romantic Relationships in a Changing Society* provides a thorough examination of the types of emotional relationships that different cultures participate in Highlighting innovative topics across a range of relevant areas such as LGBTQ relationships long distance relationships interracial dating and parental techniques this publication is an ideal resource for all academicians students librarians and researchers interested in discovering more about social and emotional interactions within human relationships **Romantic Hellenism and Women Writers** N.

Comet,2015-12-04 Examining popular contexts of Greek revivalism associated with women Comet challenges the masculine narrative of English Classicism by demonstrating that it thrived in non male spaces as an ephemeral ideal that betrayed a distrust of democratic rhetoric that ignored the social inequities of the classical world **Reinventing Romantic Poetry**

Diana Greene,2004-01-15 *Reinventing Romantic Poetry* offers a new look at the Russian literary scene in the nineteenth century While celebrated poets such as Aleksandr Pushkin worked within a male centered Romantic aesthetic the poet as a bard or sexual conqueror nature as a mother or mistress the poet s muse as an idealized woman Russian women attempting to write Romantic poetry found they had to reinvent poetic conventions of the day to express themselves as women and as poets Comparing the poetry of fourteen men and fourteen women from this period Diana Greene revives and redefines the women s writings and offers a thoughtful examination of the sexual politics of reception and literary reputation The fourteen women considered wrote poetry in every genre from visions to verse tales from love lyrics to metaphysical poetry as well as prose works and plays Greene delves into the reasons why their writing was dismissed focusing in particular on the work of Evdokiia Rostopchina Nadezhda Khvoshchinskaia and Karolina Pavlova Greene also considers class as a factor in literary reputation comparing canonical male poets with the work of other men whose work like the women s was deemed inferior at the time The book also features an appendix of significant poems by Russian women discussed in the text Some found in archival notebooks are published here for the first time and others are reprinted for the first time since the mid nineteenth century **Medieval America** Robert Yusef Rabiee,2020-12-15 *Medieval America* analyzes literary legal and historical

archives that help tell a new story about the formation of American culture Against Cold War era studies of U S culture that argued following political scientist Louis Hartz s liberal consensus model that the United States emerged from the Revolutionary era free from Europe s feudal institutions and uninterested in the production of its medieval culture productions Robert Yusef Rabiee contends that feudal law and medieval literature were structural components of the American cultural imaginary in the nineteenth century The racial gender and class formations that emerged in the first era of U S nation building were deeply indebted to medieval social political and religious thought an observation that challenges the liberal consensus model and allows us to better grasp how American social roles developed Far from casting off feudal tradition the early United States folded feudalism into its emerging liberal order creating a knotted system of values and practices that continue to structure the American experience Sometimes the feudal residuum contradicted the liberal values of the Unites States Other times the feudal residuum bolstered those values revealing deep sympathies between so called modern and premodern political thought Medieval America thus aims to reorient our discussions about American cultural and political development in terms of the long arc of European history **Kentucky's Historic Farms** Thomas Dionysius Clark,2000-01-01 A fascinating agricultural resource Kentucky s Historic Farms 200 Years of Kentucky Agriculture showcases some of the most grand historic farmlands in the country with roots as far back as two centuries Written by Thomas Dionysius Clark this collector s edition includes photographs bibliographical references and an index
