*Finding Love After Loss* Marti Benedetti,Mary A. Dempsey,2021-10-11 Guides readers through the emotions and practical concerns of finding love after the death of a partner Romantic love in all its permutations forms one of the most fascinating of human interactions It also can be one of life s thorniest challenges especially in a world where relationships often unfold online and recently where a pandemic

barred face to face contact with people outside one's immediate household. Among those seeking romance in increasing numbers is a group that stands apart: the women who, slammed by the death of a spouse, bravely pursue new love. Finding Love After Loss: A Relationship Roadmap for Widows goes to the trenches to interview widows who have embarked nervously but with hope on this quest. Their frank and revealing interviews, along with wisdom from relationship experts, provide guidance to other women trying to navigate the relationship scene when their last date might have been decades ago. Where do widows find new partners? How much should they share in their online profile? What do they tell their friends and family? What about getting naked for the first time with a new man? Who pays when the bill appears at a restaurant? More than any time in U.S. history, the country's widows are seeking another chance at romance. The sheer number of widows—11 million, with an average age in the fifties—makes them a formidable force. They are living longer and have broader views on sex and money. Yet it is difficult for them to find their footing. Many of them have been away from the courtship arena for decades. They may make their return to dating with children and in-laws in tow. They are confused by the new rules and unclear on the expectations but convinced that they are capable of loving again. This book, written by a widow and a co-author who dated a widower, details just how powerful, sometimes daunting and exhilarating, the journey to new love can be. It also unveils the extraordinary ways that widows are reshaping the romance landscape by tossing traditional marriage vows by the roadside, by skipping marriage entirely or even by committing to a new partner but living apart. This isn't your grandmother's widowhood scene, not by a long shot. Finding Love After Loss examines the crazy, sad, and even zany contributions that people left behind by the death of a partner bring to new relationships. At the same time, it reveals both the amazing resilience of women who have lived through great loss and the irresistible pull of human connection.

[A Widow's Salvation](#) Becky Lower, 2015-09-07. In 1862, America's Civil War has raged for twelve months. Pepper Fitzpatrick Brown's heart was broken when her husband died with the first volley at Manassas. Now she's a widow raising three young boys and plans to honor his sacrifice by volunteering at the army hospital. When Colonel Elijah Williams can grab a few minutes to nap between his duties as head surgeon at MacDougall Army Hospital in the Bronx, his sleep is invaded with nightmares of the atrocities he's seen. His life has narrowed to nothing but the bloody war until he meets Pepper Brown. But her father is concerned; Elijah doesn't have the best intentions, and Pepper is fearful of loving and losing again. It's hard to find happiness in a war-torn United States, but these two stand a fighting chance if they can save what's left of their hearts.

[The Widow's Wager](#) Claire Delacroix, 2023-04-11. She wed once for duty but will only wed again for love. For as long as she can remember, Eliza North's heart has been in the possession of her older brother's friend, Nicholas Emerson. But Nicholas has always been oblivious to Eliza, and when he bought a commission and sailed to war, she wed sensibly instead. Returned to her brother's house a widow, she meets Lieutenant Emerson again and realizes neither of their feelings have changed. She accepts his request to chaperone his younger sister, Helena, hoping she might win his attention yet with the assistance of the

mysterious Mrs Oliver and her guide for seduction Nicholas Emerson could never aspire to wed the daughter of a duke especially one so pragmatic as Eliza has always been That she married for the whimsy love makes him wonder how well he knew Eliza after all She is still the only woman who captures his attention but he knows his injuries mean he can never marry Still he cannot resist the chance to request Eliza s assistance with Helena s second season and the chance to share her company Neither of them anticipate Helena s wild behavior or their necessary alliance to defend her reputation Entrusted with the manuscript of Mrs Oliver s advice on the seductive arts Eliza puts its counsel to use much to Nicholas delighted astonishment How can he refuse the woman he loves even knowing that he can never ensure her happiness Caught between honor and love Nicholas must accept his legacy from the war for this pair to have a future is Eliza the woman who can heal his wounds forever
