Getting Married Andrea Rotondo Hospidor,2003 Here's a guide to making the most of the time between today and the wedding by dividing it into manageable components As you plan

consider things your mother probably hasn't told you like Jack and Jill parties and registering online. Fill in checklists to help you find your wedding style whether traditional, ethnic, special theme, your own production or eloping. Charts and tips help you establish costs and budgeting. Then come planning the ceremony with common sense etiquette on whom to invite, selecting the wedding party and resolving family tensions. Where to honeymoon. Look over the great list of suggestions together. You really can manage the announcements, engagement parties, rehearsal dinner and the reception. Finally plan a peaceful, lovely wedding day hour by hour.

Happily Married with Kids Carol Ummel Lindquist, 2003-12-29 A marriage counselor and happily married mother of two explores why parenthood can sometimes wreak havoc on dreams of a happily ever after and reveals what couples can do to make their marriages solid and satisfying.

Great Sex for Moms Valerie Davis Raskin, 2002-05-02 The only book from a physician mom with warm, practical and medically sound advice that will help moms reclaim their passion for sex. There's one thing that almost every mother knows but won't discuss: Sex drive diminishes after a baby is born and it's a struggle to reclaim passion in the years that follow. In *Great Sex for Moms* Dr. Raskin brings the problem out into the open at last. From her fifteen years as a psychiatrist she knows that mothers silently rationalize that sex will return after the baby sleeps through the night, then when the children start having sleepovers and then once the kids go to college. And she believes that eighteen years is an awfully long time to wait. Dr. Raskin reveals the reasons that women's bodies and minds betray them, resulting in a sleepy libido. The great news is that it's easier than you might think to wake it up. Insisting that a healthy parental sex life is in the children's best interests, Dr. Raskin shows you how to overcome the feeling that you're the only one in America with a boring sex life. Leave your mother persona at the bedroom door to rescue your sexual self. Banish the inner censor and talk about sex with your partner. Stop frenzied on-demand mothering so you can nourish your libido. *Great Sex for Moms* is perhaps the most important book a mother can read for nurturing her marriage, her children and above all her own sexuality.
