## **Romeo And Juliet West Side Story:**

**Romeo and Juliet and West Side Story**, 1965-08-15 Two perennial classics William Shakespeare's *Romeo and Juliet* and the Broadway musical *West Side Story* in a single volume The tragedy of love thwarted by fate has always intrigued writers In the sixteenth century William Shakespeare took this theme and fashioned one of the world's great plays *Romeo And Juliet* In our own time Shakespeare's drama has been used as a basis for the overwhelmingly successful musical play *West Side Story* Though one of these works is set among the nobility of Verona and the other among immigrant families of New York's West Side both tell the story of the plight of young star-crossed lovers *Leonard Bernstein: West Side Story* Nigel Simeone, 2017-07-05 One of the Broadway musicals that can genuinely claim to have transformed the genre *West Side Story* has been featured in many books on Broadway but it has yet to be the focus of a scholarly monograph Nigel Simeone begins by exploring the long process of creating *West Side Story* including a discussion of Bernstein's sketches early drafts of the score and script as well as cut songs The core of the book is a commentary on the music itself *West Side Story* is one of the very few Broadway musicals for which there is a complete published orchestral score as well as two different editions of the piano vocal score The survival of the original copied orchestral score and the reminiscences of Sid Ramin and Irwin Kostal reveal details of the orchestration process and the extent to which Bernstein was involved in this Simeone's commentary considers musical characteristics and compositional techniques used to mirror the drama for example the various uses of the tritone motivic development the use and reinvention of Broadway and other conventions the creation of dramatic continuity in the score through the use of motifs and other devices the unusual degree of dissonance and rhythmic complexity at least for the time and the integration of Latin American dance forms Mambo Huapango and so on Simeone also considers the reception of *West Side Story* in the contemporary press The stir the show caused included the response that it was the angular edgy score that made it a remarkable achievement Not all reviews were uncritical Finally the book looks in detail at the making of the original Broadway cast recording made in just one day included on the accompanying downloadable resources **West Side Story** Elizabeth A. Wells, 2011 Wells presents a scholarly study of the American musical *West Side Story* viewing the work from cultural historical and musical perspectives from publisher description

the intellectual and the common man Broadway has provided all these In his study Marc Bauch analyzes three American Musicals namely South Pacific 1949 by Richard Rodgers and Oscar Hammerstein West Side Story 1957 by Leonard Bernstein Arthur Laurents and Stephen Sondheim as well as Sunday in the Park with George 1984 by Stephen Sondheim and James Lapine Special attention is paid to the themes and topics the literary means and the dramatic dodges of the aforementioned American Musicals The three analyses are extended with historical overviews of the American Musical Marc Bauch is also the author of Themes and Topics of the American Musical after World War II 2001 also published by Tectum Verlag
