She turned away from her shutter with rather an excited expression in her childish face which was as pretty and pouting as ever Her garb was still that of a simple contadina but of a contadina prepared for a festa her gown of dark green serge with its red girdle was very clean and neat she had the string of red glass beads round her neck and her brown hair rough from curliness was duly knotted up and fastened with the silver pin She had but one new ornament and she was very proud of it for it was a fine gold ring About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Romola** George Eliot, 18??
