Romulus My Father:

Romulus, My Father Raimond Gaita, 1999-09-01 Winner of the 1998 Victorian Premier's Literary Award for Non Fiction

Romulus My Father is an iconic and deeply loved book. Raimond Gaita fled his home in his native Yugoslavia at the age of thirteen and came to Australia with his young wife Christina and their infant son Raimond soon after the end of World War II. Tragic events were to overtake the boy's life but Raimond Gaita has an extraordinary story to tell about growing up with his father amid the stony paddocks and flowing grasses of country Australia. Written simply and movingly, *Romulus My Father* is about how a compassionate and honest man taught his son the meaning of living a decent life. It is about passion, betrayal and madness, about friendship and the joy and dignity of work, about character and fate, affliction and spirituality. No one will read this wonderful book without an enhanced sense of the possibilities of being alive. I know of no other book where the love between father and son has been more beautifully expressed. Robert Manne

one that enables a new approach to the question of what constitutes a good life narrative Moving from an ethics toward an aesthetics of life writing Parker follows Wittgenstein's view that ethics and aesthetics are one The Self in Moral Space is distinctive in that its key ethical question is not What is it right for the life writer to do but the broader question What is it good to be This question opens up an important debate with the dominant postmodern paradigms that prevail in life writing studies today In Parker's estimation such paradigms are incapable of explaining why life writing matters in the contemporary context Life narrative he argues faces readers with the perennial ethical question How should a human being live We need a new reconstructive paradigm as offered by this book in order to gain a fuller understanding of life narrative and its humanistic potential

Romulus, My Father, Raimond Gaita Ross Walker, 2006 **Un-Australian Fictions** Eleni Pavlides, 2014-08-11 Un-Australian Fictions sets out to analyse a subset of Australian literary fictions published between 1988 and 2008 from the bicentenary of British settlement to the global financial crisis and into a new millennium During a new transnational era Australians faced sober and unsettling times Already accorded the status of national obsession issues of national identity were vigorously contested Concepts such as the nation multiculturalism and globalisation became topics for heated discussion in the public sphere Australia's literary communities were not immune or isolated from these ongoing discussions The un-Australian fictions which this book studies represent the challenges which these texts in their own unique way bring to the Australian national ethos and the national mythology which is predicated on traditions such as masculism a bush ethos the pre-eminence of white colonial settlement connectedness to an imaginative European geography as well as an unbreakable tie to Britain As un-Australian fictions these texts reflect the destabilisation of what were once certain spatial and psychic borders and orders of Australianness They affect as well as reflect the wider conversation that continues today about what being Australian means in a new millennium

"Kangaroo Court" John Hirst, 2005-05-01 The Family Court was a progressive reform of the 1970s Now it is perhaps the most hated institution in Australia In the Kangaroo Court John Hirst investigates what went wrong This is a measured yet unsparing appraisal which interleaves individual cases with compelling legal and moral argument Hirst takes us deep into the workings of the Court and the domestic apocalypses it sees every day He explores the Court's fervour to uphold the best interests of the child no matter what and traces its chilling consequence a court where malicious allegations regularly go unpunished He notes the Court's enormous power over individual lives as well as its self-proclaimed status as a caring court and wonders at its ability to overlook the defiance of its own authority In closing he considers how to reform an institution that has bred antagonism and extremism and too often entrenched paranoia and despair Lucid and urgent Kangaroo Court is a cautionary tale about the perils of high-mindedness when it comes to dealing with the breakdown of families When Family Court judges talk piously of the caring court I wish they could hear the roar of pain that their piety has caused John Hirst Kangaroo Court This issue also contains correspondence discussing Quarterly Essay 16 Breach of Trust from Paul Kelly Paul Bongiorno Mungo MacCallum Natasha Cica Alex Miller and

Raimond Gaita **Romulus My Father** Brian McFarlane, 200? This Infocus article discusses the film adaptation of Raimond Gaita's memoir *Romulus my father*. Themes of belonging and becoming and sense of place are explored and the way in which these themes shape the drama of the young Raimond's relationships in particular with his father is examined. The portrayal of the intense emotion in the film is also discussed **Romulus, My Father, Raimond Gaita** Jane Tibby, 2004 **Simone Weil and Continental Philosophy** A. Rebecca Rozelle-Stone, 2017-11-08 Simone Weil is an often overlooked thinker whose insights could radically reshape contemporary discourses on religion, nature, art, ethics, work, politics, and education. This collection of essays situates Simone Weil's thought alongside prominent Continental thinkers and their philosophical concerns to show the ways in which she belongs to but also stands outside some of the major streams of Continental discourse including phenomenology, ethics of embodied disposition and difference, and post-Marxian political thought. For the first time in a major work, intersections between the ideas of Weil and figures such as Nietzsche, Berdyaev, Foucault, Blanchot, Merleau-Ponty, Levinas, Chrtien, Agamben, Fanon, and Ranciere are closely examined. The volume is authored by an international team of leading scholars in Weil studies and in contemporary Continental philosophy of religion, more broadly. Simone Weil and Continental Philosophy is not only an unprecedented resource for Weil scholars who seek to read her in broader and more current philosophical terms but also an important addition to the libraries of scholars and students of Continental philosophy and theology engaged in thinking about some of the most pressing questions of our time 2012, 2013-03-01 Particularly in the humanities and social sciences, *Festschriften* are a popular forum for discussion. The IJBF provides quick and easy general access to these important resources for scholars and students. The *Festschriften* are located in state and regional libraries and their bibliographic details are recorded. Since 1983, more than 659,000 articles from more than 30,500 *Festschriften* published between 1977 and 2011 have been catalogued.
