Ronald Reagan Image Of The Beast:

Ronald Reagan Gregory Gordon, 2005-10 To the trained eye and mind the pictures that we saw of former United States President Ronald Reagan on television and in the movies represent the talking image of the Beast spoken about in Revelation chapter 13 Now the people at ToyPresident.com have come up with a talking Ronald Reagan doll The chapter Image of the Beast mentions that some people expect a talking statue of the antichrist to be made Little did they know that it would be a miniature statue in the form of a doll And what's more there are over ten thousand of them Of course none of this would make any difference if Reagan did not fit the description of the Beast But he does He met all of the requirements to be named as one of the Seven Heads G 7 of the Beast that was wounded by Hinkley This Beast is also known as the Red Dragon which can be broken down to spell Reagan Gregory Gordon is the Beast Hunter On July 4th of 1990 Gordon broke into Ronald Reagan's Bel Air CA retirement home and got within a hundred feet of the former president For that crime he did three years in prison and followed it up with another three years for threatening to kill George Bush if he started a war in Iraq Gordon puts forth this challenge If you can see the events of 9 11 01 in Daniel 8 1 8 then you owe it to your soul to take a look at all that is contained in this book Daniel 8 1 8 and Reagan as the antichrist are tied together by the requirement for a special understanding as mentioned by Jesus in Matthew and Revelation This book provides that special understanding Ronald Reagan Gregory Gordon, 2005-10-01 Publication Date Scheduled Oct 31st The pictures that we saw of former United States President Ronald Reagan on television and in the movies represent the talking image of the Beast spoken about in Revelation chapter 13 He met all of the requirements to be named as one of the Seven Heads G 7 of the Beast that was wounded by Hinkley This Beast is also known as the Red Dragon which can be broken down to spell Reagan Gregory Gordon is the Beast Hunter Ever since hearing about Reagan being the Antichrist on B Day of 1980 Gordon has been following the story and this is his third and final book on the subject But in following the story of Reagan being the Antichrist he also turned up other things of the prophecy Gordon puts forth this challenge If you can see the events of 9 11 01 in Daniel 8 1 8 you must take a good look at all that he writes about in this book Daniel 8 1 8 and Reagan as the Antichrist are told together by the requirement for a special understanding as mentioned by Jesus in Matthew and Revelation This book provides that special understanding

Two Beasts, Three Deadly Wounds, and Fourteen Popes Russell R. Standish, Colin D. Standish, 2001 Mikhail Gorbachev Is Gog and Magog, the Biblical Antichrist Randolph Wright, 2010-04-30 This book outlines prophecies that Gorbachev has fulfilled according to biblical scriptures In the authors view he has fulfilled more than ten prophecies related to the antichrist Did Gorbachev plan the coup de tat in 1991 in order to fulfill biblical prophecies A coming showdown between Russia Iran vs America Israel that will lead to WWII The Gorbachev Osama Bin Laden connection Proof that we are living in the final days before the second coming of Jesus Christ **Revelation of Jesus, A** David Lackey, 2016-01-27 The book of Revelation pulls back the curtain to reveal the secrets of the past present and future but nearly two thousand years

after it was written it still seems to be shrouded in mystery A Revelation of Jesus takes a fresh look at the familiar themes of Revelation such as the Four Horsemen of the Apocalypse the mark of the beast the battle of Armageddon the Millennium and many others using the Bible itself as a guide to cut through the maze of confusion that so often surrounds these vital subjects The last book of the Bible is not just a collection of enigmatic symbols and metaphors Using symbolic language it documents the cosmic struggle between good and evil that began with Satan s rebellion in heaven before the creation of the world Author David Lackey seeks to unmask Satan s subtle deceptions and point readers to our Creator and Redeemer who will vanquish all evil and usher in a new existence characterized by love joy and peace The purpose of this book is to unpack the prophecies of Revelation to reveal the beauty of Jesus so that in seeing Him more clearly we may fall in love with Him more than ever before and be ready for His soon return *Revelations from Revelation* Patrick M. Standish,Colin D. Standish,2004 Amazing Truth Samuel J. Abraham, The author Samuel Abraham was fascinated by the study of the Scriptures as his spiritual mentor helped him see that the Bible gives a more satisfying understanding of the origins of life human civilization and language than philosophical materialism Along the way he discovered the uncanny nature of Bible prophecy and how God through His prophets predicted human history provided a way for human redemption and laid out a positive outcome for humankind The author s sometimes novel explanations of

Scripture and science will leave the reader thinking The book is his gift of love to others who may be troubled with the same concerns so they will recognize the veracity of the Bible God s Holy Word **The Bible After Deleuze** Stephen D. Moore,2022-12-07 The book is both an introduction to a thinker Gilles Deleuze whose current influence on multiple sectors of the humanities and social sciences arguably exceeds that of any other and a book length demonstration of the ramifications of Deleuzian thought for critical biblical scholarship *Fairwarning 7* , **Introduction to the Endtimes** F. Carl Gilkes,2009-08 This book is intended to be a primer for those who are starting a study of the end times It will present you with information about some important theological topics from the Bible which you probably have not heard about previously or have heard very little about The topics start with the Rapture of the Church to heaven This is the resurrection of the dead Christians and the transformation of the living believers Then the book proceeds to the tribulation which is a time of intense trouble coming to this earth There will never be another time on the earth as terrible as this tribulation period ever again The book continues through to the millennium rule of Christ and unto the renovation of the old earth Finally the reader is introduced to the newly created Heaven and Earth where no sinners will be allowed In the New Earth everyone will live sinless and peaceful lives for all eternity with God and Christ as king The chapters proceeds logically however they can be read in any order as though they were independent essays Dr F Carl Gilkes was educated and worked as an electronics communications engineer He earned his Bachelor s degree in Electrical and Mechanical Engineering from CUNY of New York After working for approximately fifteen years in the Aircraft Telecommunications and Air Navigation Industry he changed his focus He turned his attention to full time studies in Theology He earned his Doctorate degree majoring in Theology from MISD of Indiana Presently he is focusing his attention on evangelism to the non evangelical or the traditional religions such as Anglicans Roman Catholics and similar religious groups Reagan, American Icon Robert Paul Metzger,1989 **Christ and the Maya Calendar** Kevin Dann,2009-03 Cosmic Christianity describes the relationship between the earthly and supra earthly cosmic worlds by showing the relationship between the cosmos as expressed in the movements of the stars and the activities of Christ during his three years of ministry on Earth The gesture of each astrological planet during those years is worked out and correlated with specific acts of the Christ as recorded in the Gospels The apparent looping movements of Mercury for example are connected with the seven signs of St John s gospel The author goes on to explore the many ways in which these healing acts which have been inscribed in the heavens continue to work in evolution through the events of history and through our individual human lives By studying this we begin to understand our responsibility for developing the new Christian mysteries and consequently renewing the starry cosmos Sucher presents a real foundation for modern star wisdom Topics include the evolution of cosmology the origins of the planetary symbols our new relationship to the stars as revealed in human lives and historical events and the role of the Archangel Michael in our individual relationship to the stars This is an excellent place to begin one s study of the stars and their meaning for both our

individual lives and for the world Ww Iii Rex Jones,2011-06 This is a book about World War Three in which one sixth of this army gets to go back to their homeland It s not Armageddon as some seem to think for one big reason at Armageddon the Lord Jesus completely destroys the army of the Antichrist the Beast The battle of Satan s army comes against Jerusalem after the thousand year reign of Christ God rains down fire and brimstone and completely destroys this army This war is something that is not told at least very much of it Some even say that it will be a one day war neither I nor anyone else knows how long it will last for God doesn t reveal this But he does reveal that he uses the Beast to rescue Israel so that he can become the Strong Delusion described in the book of 2 Thessalonians 2 8 12 For those who think they don t need the Lord to save them they will go into the time of the great tribulation will receive the mark of the Beast and be Damned to the lake of fire and brimstone The reason for this is what is written in the book of Daniel 11 44 But tidings out of the east and out of the north shall trouble him therefore he shall go forth with great fury to destroy and utterly to make away many And too from Daniel 12 7 And I heard the man clothed in linen which was upon the waters of the river when he held up his right hand and his left hand unto heaven and swore by him that liveth forever that it shall be for a time times and an half and when he shall have accomplished to scatter the power of the holy people all these things shall be finished *California. Court of Appeal (2nd Appellate District). Records and Briefs* California (State)., Number of Exhibits 1 Revelation Marcus Maxwell,2007 The Daily Bible Commentary is systematic and rich in research yet devotional and reflective in tone It is perfect for preachers lay people teachers ministers in training students and anyone who wants to understand the Bible better and draw closer to God on a daily basis This is the volume on Revelation **The What Went Wrong: Big Picture** George R. Tyler,2013-09-24 What Went Wrong The Big Picture provides an overview of the in depth analysis of the full book What Went Wrong Something has gone seriously wrong The American economy has experienced considerable growth in the last 30 years but virtually none of this growth has trickled down to the average American Incomes have been flat since 1985 Inequality has grown and social mobility has dropped dramatically Equally troubling these policies have been devastating to both American productivity and our long term competitiveness Many reasons for these failures have been proposed Globalization Union greed Outsourcing But none of these explanations can address the harsh truth that many countries around the world are dramatically outperforming the U S in delivering broad middle class prosperity And this is despite the fact that these countries are more exposed than America to outsourcing and globalization and have much higher levels of union membership In What Went Wrong The Big Picture George R Tyler a veteran of the World Bank and the Treasury Department takes the reader through an objective and data rich examination of the American experience over the last 30 years He provides a fascinating comparison between the America and the experience of the family capitalism countries Australia Austria Belgium Denmark France Germany the Netherlands and Sweden Over the last 30 years they have outperformed the U S economy by the only metric that really matters delivering better lives for their citizens The policies adopted by the family capitalist

countries aren't socialist or foreign. They are the same policies that made the U.S. economy of the 1950s and 1960s the strongest in the world. What Went Wrong: The Big Picture describes exactly what went wrong with the American economy, how countries around the world have avoided these problems, and what we need to do to get back on the right track.
