## **Ronald Reagan's Weekly Radio Addresses Vol I The President Speaks To America:**

**Ronald Reagan's Weekly Radio Addresses - The President Speaks to America** Ronald Reagan, 1987 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com) **The A to Z of the Reagan-Bush Era** Richard S. Conley, 2009-09-28 The 1980s and early 1990s were remarkable for the triumph of conservatism in the United States and its closest allies The victories of Presidents Ronald Reagan and George H W Bush in the United States were complemented by the electoral successes of Margaret Thatcher in the United Kingdom and Brian Mulroney in Canada The relationship between Reagan and Bush and their conservative counterparts was particularly important in providing a united front on foreign policy whether the target was the Soviet Union Communist insurgencies in Africa or Latin America or Iraqi dictator Saddam Hussein The Reagan Bush era witnessed some of the most dramatic events of the latter half of the 20th century the collapse of the Soviet Union a presidential assassination attempt political scandal a stock market crash military invasions and the explosion of the space shuttle Challenger The A to Z of the Reagan Bush Era relates these events and provides extensive political economic and social background on this era through a detailed chronology an introduction appendixes a bibliography and several hundred cross referenced dictionary entries on important persons events institutions policies and issues **Ronald Reagan's America [2 Volumes]** Eric J. Schmertz, Natalie Datlof, Alexej Ugrinsky, 1997-04-30 Supporters of the Reagan presidency claim that the Reagan Revolution defeated inflation reduced the role of government rehabilitated the authority of the states and local government and established a sensible balance between industrial progress and environmental protection Opponents assert that these policies increased the national debt by more than 1 trillion gutted social programs and created a trickle down economy that increased unemployment insecurity homelessness and the percentage of Americans living at or below the poverty level Both positions are argued by such participants as Edwin Meese III James G Watt and Lyn Nofzinger and such commentators and scholars as Mike Wallace Roy Innis and Kenneth W Thompson Students of the era as well as of the presidency and the evolution of domestic political and social affairs will find provocative and insightful observations in this volume [American Presidents and Education](#) Maurice R. Berube, 1991-06-30 The role of the president of the United States in regard to education changed significantly following the end of World War II As the U S economy became more sophisticated and the country emerged as the dominant technological and world power the demand for an educated work force increased In this work Maurice R Berube offers the first comprehensive analysis of the involvement of American presidents in educational policy tracing the efforts of administrations from Washington to Bush and chronicling the national and international pressures to shape educational policies that have characterized the post World War II era Berube's work takes the form of a policy study as he analyzes presidential programs in education the reasons for their implementation and their correlation to national educational outcomes Beginning with the birth of the presidency he examines successful programs that had a considerable impact and less successful efforts that were significant either

ideologically or as forerunners of future policies The constitutional constraints of the president's role in education are explored as well as recent developments including the corporate presidency and the rhetorical presidency Among the other issues addressed are education and the economy and the federal and state constitutions' views of a right to education This work will be a unique and valuable resource for students of presidential history the politics of education and contemporary issues in education as well as an important addition to public and academic library collections      **Ronald Reagan** Peter Wallison, 2009-04-28 An icon of the twentieth century Ronald Reagan has earned a place among the most popular and successful U S presidents In this compelling firsthand account of Reagan's presidency Peter J Wallison former White House Counsel to President Reagan asserts that Reagan took office with a fully developed public philosophy and strategy for governing that was unique among modern presidents I am not a great man Reagan once said just committed to great ideas Wallison shows how Reagan's unyielding attachment to certain key ideas communicated through his speeches created a cohesive administration and revived the spirit of the nation Reagan limited his personal efforts to those issues he considered central to his presidency choosing to delegate to his cabinet and staff those matters he viewed as secondary to his agenda This leadership style was responsible for Reagan's accomplishments but also for his missteps and the criticism he received from his detractors During his presidency Reagan experienced both enormous success in the unprecedented growth of the economy the first arms reduction agreement with the former Soviet Union and the revival of confidence in America and near disaster in the Iran Contra affair In Ronald Reagan Wallison describes what it was like to be on Reagan's White House staff and how Reagan's attachment to principle produced both the best and worst days of his presidency      Development of the Idea of Detente Michael B. Froman, 2016-01-28 Since the early 1950s there has been agreement in the US concerning the desirability of improving relations with the Soviet Union Policymakers have often disagreed however about how to implement policy and this book looks at the policy of individual administrations      *Very Special Episodes* Jonathan Cohn, Jennifer Porst, 2021-08-13 *Very Special Episodes* examines how the quintessential very special episode format became a primary way in which the television industry responded to and shaped social change cultural traumas and industrial transformations With essays covering shows ranging from the birth of Desi Arnaz Jr on *I Love Lucy* to contemporary examples such as a delayed episode of *Black-ish* and the streaming era phenomenon of the *Very Special Seasons* of *UnReal* and *13 Reasons Why* this collection seriously and critically uses the very special episode to chart the history of American television and its self-identified status as an arbiter of culture      **Reagan's Legacy in a World Transformed** Jeffrey L. Chidester, Paul Kengor, 2015-04-06 Reagan's Legacy in a World Transformed offers a timely retrospective on the fortieth president's policies and impact on today's world from the influence of free market ideas on economic globalization to the role of an assertive military in U S foreign policy to reduction of nuclear arsenals in the interest of stability      **Presidents of the United States--their Written Measure** James Sayler, 1996      **Religion and the American Presidency** Gastón Espinosa, 2009

This book challenges the idea that the mixing of religion and presidential politics is a new phenomenon. It explores how presidents have drawn on their religious upbringing, rhetoric, ideas, and beliefs to promote their domestic and foreign policies to the nation. This influence is evident in Washington's decision to add "so help me God" to the presidential oath, accusations by Adam's supporters that Jefferson was an infidel, Lincoln's biblical metaphors during the Civil War, and FDR's call to fight against Nazi totalitarianism on behalf of Judeo-Christian civilization. It is also apparent in Truman's support for Israel, Eisenhower's Cold War decision to add "In God We Trust" on American currency, the debate over JFK's Catholicism, Jimmy Carter's born-again Christianity, Reagan's Evil Empire speech, Clinton's public repentance, and George W. Bush's crusade against Islamic terrorists. This volume explores these issues of religion and power in the presidencies of Washington, Jefferson, Madison, Lincoln, FDR, Truman, Eisenhower, JFK, Carter, Reagan, George H. W. Bush, Clinton, and George W. Bush through scholarly interpretations, primary sources, and illustrations.

Congressional Record, United States Congress, 1988. The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in Congress* 1824-1837, and the *Congressional Globe* 1833-1873.

Weekly Compilation of Presidential Documents, 1987. *A Pope and a President*, Paul Kengor, 2023-07-18. Even as historians credit Ronald Reagan and Pope John Paul II with hastening the end of the Cold War, they have failed to recognize the depth or significance of the bond that developed between the two leaders. Acclaimed scholar and bestselling author Paul Kengor changes that. In this fascinating book, he reveals a singular bond which included a spiritual connection between the Catholic pope and the Protestant president that drove the two men to confront what they knew to be the great evil of the twentieth century: Soviet communism. Reagan and John Paul II almost didn't have the opportunity to forge this relationship; just six weeks apart in the spring of 1981, they took bullets from would-be assassins. But their strikingly similar near-death experiences brought them close together to Moscow's dismay. Based on Kengor's tireless archival digging and his unique access to Reagan insiders, *A Pope and a President* is full of revelations. It takes you inside private meetings between Reagan and John Paul II and into the Oval Office, the Vatican, the CIA, the Kremlin, and many points beyond. Nancy Reagan called John Paul II her husband's closest friend. Reagan himself told Polish visitors that the pope was his best friend. When you read this book, you will understand why. As kindred spirits, Ronald Reagan and John Paul II united in pursuit of a supreme objective, and in doing so, they changed history.

**AB Bookman's Weekly**, 1987-11. *See Government Grow*, Gareth Davies, 2007. An award-winning historian's pathbreaking book uses federal education policy from the Great Society to Reagan's New Morning to demonstrate how innovative policies become entrenched irrespective of who occupies the White House.

*Ideas and Movements That Shaped America*, Michael Green, Scott L. Stabler, 2015-07-28. America was founded on bold ideas and beliefs. This book examines the ideas and

movements that shaped our nation presenting thorough accessible entries with sources that improve readers understanding of the American experience Presenting accessibly written information for general audiences as well as students and researchers this three volume work examines the evolution of American society and thought from the nation s beginnings to the 21st century It covers the seminal ideas and social movements that define who we are as Americans from the ideas that underpin the Bill of Rights to slavery the Civil Rights movement and the idea of gay rights even if U S citizens often strongly disagree on these topics Organized topically rather than chronologically this encyclopedia combines primary sources and secondary works or historical analyses with text describing the ideas and movements in question In addition each entry includes a list of suggestions for further reading that directs readers to supplementary sources of information The set s unique perspective serves to depict how American society has evolved from the nation s beginnings to the present revealing how Americans as a people have acted and responded to key ideas and movements [Subject Guide to Books in Print](#) ,1991

**Faith and the Presidency From George Washington to George W. Bush** Gary Scott Smith,2006-10-12 Publisher description **Euromissiles** Susan Colbourn,2022-11-15 In *Euromissiles* Susan Colbourn tells the story of the height of nuclear crisis and the remarkable waning of the fear that gripped the globe In the Cold War conflict that pitted nuclear superpowers against one another Europe was the principal battleground Washington and Moscow had troops on the ground and missiles in the fields of their respective allies the NATO nations and the states of the Warsaw Pact *Euromissiles* intermediate range nuclear weapons to be used exclusively in the regional theater of war highlighted how the peoples of Europe were dangerously placed between hammer and anvil That made European leaders uncomfortable and pushed fearful masses into the streets demanding peace in their time At the center of the story is NATO Colbourn highlights the weakness of the alliance seen by many as the most effective bulwark against Soviet aggression Divided among themselves and uncertain about the depth of US support the member states were riven by the missile issue This strategic crisis was as much as any summit meeting between US president Ronald Reagan and Soviet general secretary Mikhail Gorbachev the hinge on which the Cold War turned *Euromissiles* is a history of diplomacy and alliances social movements and strategy nuclear weapons and nagging fears and politics To tell that history Colbourn takes a long view of the strategic crisis from the emerging dilemmas of allied defense in the early 1950s through the aftermath of the INF Treaty thirty five years later The result is a dramatic and sweeping tale that changes the way we think about the Cold War and its culmination *Ronald Reagan and the Politics of Freedom* Andrew E. Busch,2001-08-28 In *Ronald Reagan and the Politics of Freedom* Andrew E. Busch goes beyond economic and foreign policies to examine Reagan s understanding of statesmanship Busch analyzes Reagan s conscious attempt to strengthen the separation of powers federalism and traditional rhetoric and his efforts to revive the notion of limited government in a Constitutional Republic In this important new study Busch concludes that Ronald Reagan s politics of freedom found in his discourse policy and coalition building achieved significant successes in the 1980s

and beyond

## Whispering the Techniques of Language: An Emotional Journey through **Ronald Reagans Weekly Radio Addresses Vol I The President Speaks To America**

In a digitally-driven world wherever monitors reign supreme and immediate transmission drowns out the subtleties of language, the profound techniques and mental nuances hidden within phrases frequently go unheard. Yet, situated within the pages of **Ronald Reagans Weekly Radio Addresses Vol I The President Speaks To America** a fascinating fictional value pulsing with organic feelings, lies an exceptional quest waiting to be undertaken.
