**Ronald Firbank** Mervyn Horder,1977      *Ronald Firbank* Steven Moore,1996 An annotated Bibliography of secondary Materials 1905 1955      The Ruling Passion Christopher Lane,1995 In *The Ruling Passion* Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire's many layers of conflict and ambivalence Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive *The Ruling Passion* examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery      Vainglory Ronald Firbank,2012-05-31 The fairly young and entirely alive Mrs Shamefoot wants nothing more than to have a memorial stained glass window erected in her honour in an English cathedral From this premise the inimitable Ronald Firbank extends his witty eccentric *Vainglory* with a crowded cast of hilariously drawn characters Winsome Brooks Lady Anne Pantry Miss Wookie Mrs Barrow of Dawn and Mrs Steeple a riot of parties and a bottomless sense of the ridiculous Admired by Auden Forster and Waugh Firbank's fine comic skill quick fire dialogue and descriptive flights of fancy are perfectly captured in *Vainglory* his first and longest novel as well as in two novellas included here *Inclinations* and *Caprice*      *The Turn of the Century/Le tournant du siècle* Christian Berg, Frank Durieux, Geert Lernout,2012-06-21 No detailed description available for *The Turn of the Century Le tournant du siècle*      **Angela Carter's Pasts** Sarah Gamble, Anna Watz,2025-02-20 This book provides a fresh look at Angela Carter's critical and intertextual engagements with the past Examining a broad range of Carter's work novels short stories poetry as well as stage plays the essays in this collection explore a stimulating selection of topics including folk song medieval literature magic realism and the occult Frequently drawing on newly available archival material the volume lays out the ways in which Carter wove allusions into her own narratives creating a lively and challenging dialogue with the cultural materials of the past and present This volume will appeal both to scholars and students of contemporary women's writing critical theory gender studies and British fiction      **Morrissey** Gavin Hopps,2009-06-26 Morrissey is arguably the greatest disturbance popular music has ever known Even more than the choreographed carelessness of punk and the hyperbolic gestures of glam rock and the New Romantics Morrissey's early bookish ineptitude his celebration of the ordinary and his subversive endorsement of celibacy abstinence and rock n roll revolutionized the world of British pop As a solo artist too he consistently adopts the outsider's perspective and dares us to

confront uncomfortable subjects In his brilliant book Gavin Hopps examines the work of this compelling performer whose intelligence humour suffering and awkwardness have fascinated audiences around the world for the last 25 years Hopps traces the trajectory of Morrissey s career and outlines the contours and contradictions of the singer s elusive persona The book illuminates Morrissey s coyness how can he remain a mystery when he tells us too much his dramatized melancholy surely more of a radical existential protest than the gimmick some believe it to be and his complex attitudes towards loneliness and alienation as well as his intriguing sense of the religious Dandy and the Herald Richard Pine,1988-06-18
