**Williams Plays:** 3 Roy Williams, 2013-11-04 Roy Williams has a deserved reputation as one of the most exciting young writers whose plays have electrified the sort of audiences most theatres rarely see streetwise urban youth His plays have brought the experience of black urban youth onto the stage Observer This third collection of plays introduced by the author showcases the diversity the moral probing and the fine ear for authentic dialogue characteristic of his writing Fallout first produced in 2003 the play focuses on the aftermath of the killing of a teenager Slow Time was commissioned and developed by the National Theatre's Education Department and toured to London schools Set in a young offender's institution the play depicts three young men and their fight to survive Days of Significance was produced by the RSC in 2007 and is revived at the Tricycle Theatre London in March 2008 It was described by the Daily Telegraph as the best new play of the year that powerfully caught the debased spirit of our times Absolute Beginners a stage adaptation of the seminal novel of adolescence set in 1958 London produced at the Lyric Hammersmith May 07 bags of energy and highly watchable Daily Mail The Methuen Drama Book of Royal Court Plays 2000-2010 Ruth Little, 2010-07-02 An essential anthology of five plays originally staged by what the New York Times described as the most important theater in Europe The Royal Court *My Turn* Nancy Reagan, 2011-09-14 The former First Lady discusses her life the Reagan administration her shaky relationship with her children and key White House personnel her husband's involvement in the Iran Contra affair and her bout with cancer During our White House years I said almost nothing about how I really felt regarding the controversies that swirled around me But now those years are over and it's my turn to describe what happened About Ronald Reagan Although Ronnie loves people he often seems remote and he doesn't let anybody get too close There's a wall around him He lets me come closer than anyone else but there are times when even I feel that barrier About being a mother What I wanted most in all the world was to be a good wife and mother As things turned out I guess I've been more successful at the first than at the second About her influence I make no apologies for telling Ronnie what I thought Just because you're married doesn't mean you have no right to express your opinions For eight years I was sleeping with the president and if that doesn't give you special access I don't know what does About astrology What it boils down to is that each person has his or her own ways of coping with trauma and grief with the pain of life and astrology was one of mine Don't criticize me I wanted to say until you have stood in my place This helped me Nobody was hurt by it except possibly me About Don Regan His very first day on the job Don said that he saw himself as the chief operating officer of the country But he was hired to be chief of staff Although I believed for a long time that Donald Regan was in the wrong job my power in getting him to leave has been greatly exaggerated Believe me if I really were the dragon lady that he described in his book he would have been out the door many months earlier
