Pieces of My Path Thomas Riddell,2009-08-28

As the years move on I think many of us don t really consider the subtle but sometimes enormous changes that can take place in the human mind over the course of time We often hear people say I d love to be eighteen again and know what I know now but how many of us would want to put our past lives out there for the whole world to see especially when the path that we ve walked was chest deep in pain and turmoil It was in January of 2006 that I decided to write *PIECES OF MY PATH* What precipitated my putting finger to keyboard was located in a cardboard box stashed away and wrapped in a black garbage bag high upon a shelf in the guest bedroom closet I was thinking a lot about my dark days and how far I had come from those crippling depressed times in the early 90 s so I decided to pull down that black bag filled with memories and take a peek back into a bleak yet rewarding past Return of the Cartier Cartel Nisa Santiago,2010 Brooklyn empress Cartier knows the streets of Brooklyn like nobody s business In fact she successfully built her Cartier Cartel drug ring on the code of the streets hustling and stacking paper However the life of crime is wearing her down and she s ready to quit the game when two of her Cartel soldiers are gunned down in the same streets that fattened her bankroll Now she s hell bent on seeking revenge for her friends and she and her most loyal set out to solve the hood s whodunit Along the way tempers flare and love is tested as her prince steps out of line and sleeps with the enemy Devastation reigns supreme in the streets of Brooklyn while Cartier is constantly looking over her shoulder wondering who will be the next to stab her in the back *Street Kids* Marlene Webber,1991-12-15 In cities across North America teenage runaways are struggling to stay alive Some don t make it to adulthood Some do but their lives rarely rise above the despair that brought them to the streets in the first place A few manage to beat the street to get their lives back on track In this disturbing account Marlene Webber draws on extensive interviews with these kids to explore the realities of street life its attraction and its consequences Street kids like to project an image of themselves as free wheeling rebels who relish life on the wild side All brashness and bombast they strut around inner cities panhandling posturing and prostituting themselves Labelled society s bad boys and girls they often live up to their image But as sixteen year old Eugene tells us the street forces bravado on homeless adolescents but underneath a lot of kids are plenty scared Eugene is only one of many street kids who talked to Webber in major cities across Canada She lets her subjects tell their own stories their voices are sometimes brave sometimes bitter often heartbreaking Webber cuts a comprehensible path through the tangle of forces including family breakdown and social service failure that accelerate the tragedy of Canada s runaways She suggests measures that might help more of them beat the streets *Dislocated Workers/the Reemployment Act* United States.
