Room 105 Marcus Luedi, 1997 The School of Dying Graces Richard Felix, Rob Wilkins, 2004 2005 Gold Medallion Award finalist The School of Dying Graces is the deeply honest and beautifully written account of two very different spiritual journeys the journey of Dr Richard Felix then president of Azusa Pacific University and that of his beloved wife Vivian a terminal cancer patient From observing his wife prepare herself spiritually for dying Dr Felix discovers that special gifts living graces come to those who persevere through suffering In this thought provoking and inspiring story forged through his wife s victorious dying Dr Felix offers profound truths for those who want to live victoriously My Descent Into Death Howard Storm, 2005-02-15 Not since Betty Eadie s Embraced by the Light has a personal account of a Near Death Experience NDE been so utterly different from most others or nearly as compelling This is a book you devour from cover to cover and pass on to others This is a book you will quote in your daily conversation Storm was meant to write it and we were meant to read it from the foreword by Anne Rice In the thirty years since Raymond Moody s Life After Life appeared a familiar pattern of NDEs has emerged suddenly floating over one s own body usually in a hospital setting then a sudden hurtling through a tunnel of light toward a presence of love Not so in Howard Storm s case Storm an avowed atheist was awaiting emergency surgery when he realized that he was at death s door Storm found himself out of his own body looking down on the hospital room scene below Next rather than going toward the light he found himself being torturously dragged to excruciating realms of darkness and death where he was physically assaulted by monstrous beings of evil His description of his pure terror and torture is unnerving in its utter originality and convincing detail Finally drawn away from death and transported to the realm of heaven Storm met angelic beings as well as the God of Creation In this fascinating account Storm tells of his life review his conversation with God even answers to age old questions such as why the Holocaust was allowed to take place Storm was sent back to his body with a new knowledge of the purpose of life here on earth This book is his message of hope
