Room Two More Guns The Intriguing History Of The Personal Column Of The Times:

Room Two More Guns Stephen Winkworth, 1986 The Novelty of Newspapers Matthew Rubery, 2009-07-28 Arising in the 1800s and soon drawing a million readers a day the commercial press profoundly influenced the work of Brontë Braddon Dickens Conrad James Trollope and others who mined print journalism for fictional techniques Five of the most important of these narrative conventions the shipping intelligence personal advertisement leading article interview and foreign correspondence show how the Victorian novel is best understood alongside the simultaneous development of newspapers In highly original analyses of Victorian fiction this study also captures the surprising ways in which public media enabled the expression of private feeling among ordinary readers from the trauma caused by a lover's reported suicide to the vicarious gratification felt during a celebrity interview from the distress at finding one's behavior the subject of unflattering editorial commentary to the apprehension of distant cultures through the foreign correspondence Combining a wealth of historical research with a series of astute close readings *The Novelty of Newspapers* breaks down the assumed divide between the epoch's literature and journalism and demonstrates that newsprint was integral to the development of the novel Doing Emotions History Susan J. Matt, Peter N. Stearns, 2013-12-30 How do emotions change over time When is hate honorable What happens when love is translated into different languages Such questions are now being addressed by historians who trace how emotions have been expressed and understood in different cultures throughout history *Doing Emotions History* explores the history of feelings such as love joy grief nostalgia as well as a wide range of others bringing together the latest and most innovative scholarship on the history of the emotions Spanning the globe from Asia and Europe to North America the book provides a crucial overview of this emerging discipline An international group of scholars reviews the field's current status and variations addresses many of its central debates provides models and methods and proposes an array of possibilities for future research Emphasizing the field's intersections with anthropology psychology sociology neuroscience data mining and popular culture this groundbreaking volume demonstrates the affecting potential of doing emotions history Contributors are John Corrigan Pam Epstein Nicole Eustace Norman Kutcher Brent Malin Susan Matt Darrin McMahon Peter N. Stearns and Mark Steinberg Historical Dictionary of Journalism Ross Eaman, 2021-04-15 This book covers the history of journalism as an institutionalized form of discourse from the *acta diurna* in ancient Rome to the news aggregators of the 21st century It traces how journalism gradually distinguished itself from chronicles history and the novel in conjunction with the evolution of news media from news pamphlets newsletters and newspapers through radio film and television to multimedia digital news platforms like Google News *Historical Dictionary of Journalism* Second Edition covers 46 countries it contains a chronology an introduction an extensive bibliography the dictionary section has more than 300 cross-referenced entries on a wide array of topics such as African American journalism the historiography of the field the New Journalism and women in journalism This book is an excellent resource for students researchers and anyone wanting to know more about
