Encyclopedia of White Power Jeffrey Kaplan,2000 This volume takes an objective look at the white supremacy movement since WWII in the United States and Europe and offers entries describing the people groups and themes that make up the radical racist right Some of the entries have been written by movement activists others by a variety of scholars The second half of the volume includes primary documents of resources circulated within the movement each prefaced by Kaplan American studies U of Helsinki Finland and placed in historical and scholarly context The material is at times offensive but presented in an academic way Annotation copyrighted by Book News Inc Portland OR

Women of the Far Right Glen Jeansonne,1996 The majority of American women supported the Allied cause during World War II and made sacrifices on the home front to benefit the war effort But U S intervention was opposed by a movement led by ultraright women whose professed desire to keep their sons out of combat was mixed with militant Christianity anticommunism and anti Semitism This book is the first history of the self styled mothers movement so called because among its component groups were the National Legion of Mothers of America the Mothers of Sons Forum and the National Blue Star Mothers Jeansonne examines the motivations of these women the political and social impact of their movement and their collaborations with men of the far

right and also with mainstream isolationists such as Charles Lindbergh Drawing on files kept by the FBI and other confidential documents this book sheds light on the history of the war era and on women's place within the far right

The New Hate Arthur Goldwag, 2012 **Le Mythe Du Sale Boche** Benton L. Bradberry, 2018-07-17 Comme l'indique le titre Le mythe du sale boche les Allemands ne sont pas les ultimes vilains de l'histoire Ils ne sont pas non plus comme le veut la version officielle les saboteurs de la paix européenne et la cause des deux Guerres mondiales du siècle dernier Les atrocités qu'ils auraient soi-disant perpétrées durant ces conflits armés furent inventées de toute pièce par la propagande alliée afin d'obtenir l'appui de l'opinion publique La propagande de la Shoah qui est apparue après la Seconde Guerre mondiale a par ailleurs grandement contribué à consolider cette haine du sale boche Mais cette version officielle de l'histoire est elle véritable L'Allemagne est elle réellement l'incarnation du mal absolu Dans ce livre l'auteur brosse un tableau différent Il explique en effet que l'Allemagne n'était la cause ni de la Première ni de la Seconde Guerre mondiale mais dans les deux cas la victime de l'agression des alliés L'instabilité engendrée par la guerre 14-18 a permis la révolution bolchévique russe de 1917 à éclater ce qui a apporté au monde le communisme Or Hitler et l'Allemagne ont tout de suite compris que le communisme international de sa base en Union soviétique était une menace existentielle non seulement pour l'Occident mais pour toute la civilisation chrétienne L'Allemagne hitlérienne a dès lors amorcé une lutte mortelle contre cette idéologie sanguinaire Loin d'être le saboteur de la paix européenne l'Allemagne en s'engageant en rempart a donc empêché la révolution bolchévique de s'étendre toute l'Europe Il est dommage que les alliés n'aient pas vu la Russie communiste sous le même jour que l'Allemagne Cette alliance entre les pays occidentaux et le communisme a eu des conséquences désastreuses sur la civilisation occidentale chrétienne L'auteur se dit convaincu que la France la Grande Bretagne et les tats Unis se sont battus du mauvais côté

[The American Civil Liberties Union](#) Samuel Walker, 2021-03-19 Since its founding after World War I the American Civil Liberties Union has become an integral part of American society The history of the ACLU parallels the extension of civil rights and liberties in the United States With a total of 1454 entries spanning almost three quarters of a century this annotated bibliography provides an important research tool for scholars attorneys and policy analysts The author has organized the work into six chapters general works concerning the ACLU the history of the organization contemporary and related civil liberties issues ACLU leaders and resources to guide scholars

From Dead Ends to Cold Warriors Peter W.Y. Lee, 2021-02-12 Peter W Y Lee explores how the legacy of the Great Depression and World War II shaped the formative years of the Cold War Lee uses youth culture in American films to show how the postwar concerns over the family race militarism and internationalism were carryovers from the past 15 years which coalesced into anticommunism

Maury Maverick Richard B. Henderson, 2010-07-22 Maury Maverick was possibly the first liberal United States Congressman from Texas to achieve national and even international stature A dedicated

Democrat he was ready to attack Franklin D Roosevelt whenever he felt that Roosevelt was flagging in his enthusiasm for reform He was honest to the point of rudeness and he belonged to the damn the torpedoes class that pulled ahead regardless of political consequences He was at home with the literate he was a prodigious writer and speaker but always ready to puncture their pretensions And he could cuss with sailors pecan shellers and any breed of saloon keeper Put all that together with a short stocky bulldog frame a fierce face and a voice to match and you have one of the nation s more colorful political figures
