Roots A Concise History Of Dalits:

Roots, a Concise History of Dalits James Massey,1991 **Dalit Theology and Dalit Liberation** Peniel Rajkumar,2016-05-13 In fulfilling the long awaited need for a constructive and critical rethinking of Dalit theology this book offers and explores the synoptic healing stories as a relevant biblical paradigm for Dalit theology in order to help redress the lacuna between Dalit theology and the social practice of the Indian Church Peniel Rajkumar s starting point is that the growing influence of Dalit theology in academic circles is incompatible with the praxis of the Indian Church which continues to be passive in its attitude towards the oppression of the Dalits both within and outside the Church The theological reasons for this lacuna between Dalit theology and the Church s praxis Rajkumar suggests lie in the content of Dalit theology especially the biblical paradigms explored which do not offer adequate scope for engagement in praxis **Roots of Dalit History, Christianity, Theology, and Spirituality** James Massey,1996 **Dalits' Struggle for Social Justice in Andhra Pradesh (1956-2008)** Akepogu Jammanna,Pasala Sudhakar,2016-12-14 The complete alienation of Dalits from resources like land water and agricultural implements has led to the collective demand for an equal share in productivity This book discusses the range of socio economic and cultural problems faced by the Dalit community The movement advancing the rights of Dalits took place both before and after independence however they varied in intensity and concerned land ownership and fair wages self respect social dignity and the demand for equal rights This movement appeared to have significantly changed the very mindset and attitude of upper caste people to restrain themselves and not to resort to any discrimination or humiliation of Dalits However this seems to have been only a temporary phenomenon and the practice of suppression and humiliation continues today This book explores the circumstances of Dalits in the Indian state of Andhra Pradesh and the current efforts attempting to achieve more social equality for the caste here **The Word Became Flesh** K. P. Kuruvila,2002 The Formulation of Scripture Naveen Rao,2010 Contextual Missiology of the Spirit Wessly Lukose,2013-01-01 This book explores the identity context and features of Pentecostalism in Rajasthan India as well as the internal and external issues facing Pentecostals It argues for an indigenous origin of Pentecostalism in Rajasthan as it is a product of local Spirit revivals in the existing churches and the missionary activities of Indian Pentecostals It also reveals that both the intra church as well as extra church issues place Pentecostals in a missio ethical dilemma The book aims to suggest a contextual missiology of the Spirit as a new model of contextual missiology from a Pentecostal perspective It is presented as a glocal ecumenical transformational and public missiology **The People and the People of God** Hans Ucko,2002 The Jewish Christian dialogue continues to be a challenge for Christian theology calling for a rethinking of Christian hermeneutics Hans Ucko widens the arena for Jewish Christian dialogue and proposes a constructive interaction between contextual theologies and Jewish Christian dialogue Minjung theology from South Korea and Dalit theology from India have creatively worked with the concepts people peoplehood and People of God The Jewish Christian dialogue has likewise delved

into the question of People of God An encounter between these two worlds might be mutually enriching and challenging

Memory, Grief, and Agency Sunder John Boopalan, 2017-09-18 This book argues that an active memory of and grief over structural wrongs yields positive agency Such agency generates rites of moral responsibility that serve as antidotes to violent identities and catalyze hospitable social practices By comparing Indian and U S contexts of caste and race Sunder John Boopalan proposes that wrongs today are better understood as rituals of humiliation which are socially conditioned practices of domination affected by discriminatory logics of the past Grief can be redressive by transforming violent identities and hostile in group out group differences when guided by a liberative political theological imagination This volume facilitates interdisciplinary conversations between theorists and theologians of caste and race and those interested in understanding the relation between religion and power **Activist Hermeneutics of Liberation and the Bible** Jin Young Choi, Gregory L. Cuéllar, 2023-02-08

Inspired by the current political moment around the globe in which uprisings protests revolutions and movements are on the rise this book examines the intersections between the Bible and activism It does this by showcasing intersectional readings of the Bible as an activist act and a tool for activism historicizing the uses of the Bible within activist freedom movements around the globe and offering activist approaches to teaching the Bible Each chapter in this volume provides a critical and substantive response from the discipline of Biblical Studies to global political trends International in scope with contributors from Africa Asia the Caribbean Europe Latin America Oceania South Africa and the United States they address themes such as gender politics racial injustices violence toward women political resistance and activist hermeneutics and pedagogies Together they harness the intellectual energies of minoritized Biblical scholars in a nonessentialist manner to reflect on the Bible as a tool for liberating social and political change Reflecting on the activist potential of the Bible this book will be of keen interest to scholars in Biblical Studies Political Theology and Religious Studies

The Eucharistic Liturgy Jameson K. Pallikunnil, 2017-03-20 The Malankara Mar Thoma Syrian Church exists as a hybrid church by blending the Eastern liturgical elements of the Oriental Orthodox Church and the evangelical ideas of the Protestant Reformation of the sixteenth century This Church is a bridging church connecting Protestantism and Oriental Orthodoxy The reformation in the Malankara Church 1836 instigated a new impetus for this church in constructing an ecclesial identity and pattern of mission A major missiological imperative employed by CMS missionaries in India was solely centered on the scripture Against this popular understanding the Mar Thoma Church through its reformation process showed that liturgy can also be an imperative for mission The translation and revision of the Eucharistic liturgy is the basic visible expression of reformation in the Malankara Church Hence this book explicitly places how the Eucharistic liturgy of the Mar Thoma Church is observed as the foundation for mission in its course of growth In order to accomplish this objective the writer has examined the historical evolution and the developmental process of the Eucharistic liturgy of the church which is a revised version of the liturgy of St James In a nutshell this study is an appraisal of various missiological themes reflected in

the Eucharistic liturgy of the church This study throws ample light on how the Mar Thoma Church integrated liturgy and evangelism in its course of development The writer systematically illustrates how the church made a serious effort to bring missional themes employed in the liturgy into the practical realm by its ancillary organizations convention gatherings and sociocharitable works This volume asserts that an emphasis on Eucharist centred ecclesiology guides and motivates the church to enliven a mission oriented life which is crucial for accomplishing a relevant mission

Botta, Pablo R. Andinach, 2009 **Die Leipziger Mission und die Dalit-Christen in Pandur, Tamil Nadu** Jayabalan Murthy, 2022 Murthys Studie ber die Dalits Christen in Pandur in Tamil Nadu konzentriert sich auf die Kastenbilder der Leipziger Missionare und zeigt berzeugend auf welch eminente Bedeutung der Beitrag der Dalits f r den Aufbau einer lutherischen Kirche gehabt hat Seine Analyse der Kastenvorstellungen zur Zeit der Leipziger Missionare st tzt sich nicht nur auf westliche Dokumente wie Missionsberichte und Briefe der Missionare sondern die Bedeutung dieser Masterarbeit besteht darin dass sie die Perspektive der christlichen Dalits selbst beleuchtet indem sie ihre Stimmen anh rt und in den Archiven nach versteckten Niederschriften ihrer Stimmen sucht Building Solidarity , 2008 Papers presented at the FOIM Biannual Mission Studies Research Seminar held at Srinagar during 8-23 October 2007 **Emerging Theologies from the Global South** Mitri Raheb, Mark A. Lamport, 2023-03-29 In recent decades there has been a seismic shift in world Christianity Whereas formerly Christianity existed as a Caucasian Euro American phenomenon the majority of Christians today reside in the Southern Hemisphere or the Global South And what is true for the demographics of Christianity has followed lockstep for its theological developments The era of German theologians setting the tone for global church are gone Today some of the loudest and most creative voices in theology speak from the emerging contingencies of the Global South for example promoting Latinx Black Caribbean and Asian theologies and their influence often influences the conversation in the United States and Europe In addition just as the center of Christianity has moved geographically from north to south so with theological seminaries in the west which have declined as training centers for clergy These events coincide with new theological centers are opening in Asia Africa Oceania and Latin America The bottom line is contemporary Christianity today looks significantly different than it did a century ago and publications have been slow to acknowledge let alone describe and elaborate upon this major shift to the largest religion in the world These shifts guide our intentions in this book Such a reference book which could also be used as a textbook therefore is very much needed In fact there is nothing like the contents of this single volume book in the publishing market which allows for high quality interdisciplinary and international dialogue *South Asia's Christians* Chandra Mallampalli, 2023 South Asia is home to more than a billion Hindus and half a billion Muslims But the region is also home to substantial Christian communities some dating almost to the earliest days of

the faith The stories of South Asia s Christians are vital for understanding the shifting contours of World Christianity precisely because of their history of interaction with members of these other religious traditions In this broad accessible overview of South Asian Christianity Chandra Mallampalli shows how the faith has been shaped by Christians location between Hindus and Muslims Mallampalli begins with a discussion of South India s ancient Thomas Christian tradition which interacted with West Asia s Persian Christians and thrived for centuries alongside their Hindu and Muslim neighbours He then underscores efforts of Roman Catholic and Protestant missionaries to understand South Asian societies for purposes of conversion The publication of books and tracts about other religions interreligious debates and aggressive preaching were central to these endeavours but rarely succeeded at yielding converts Instead they played an important role in producing a climate of religious competition which ultimately marginalized Christians in Hindu Muslim and Buddhist majority countries of post colonial South Asia Ironically the greatest response to Christianity came from poor and oppressed Dalit formerly untouchable and tribal communities who were largely indifferent to missionary rhetoric Their mass conversions poetry theology and embrace of Pentecostalism are essential for understanding South Asian Christianity and its place within World Christianity today **From Stigma to Assertion** Mikael Aktor,Robert Deliège,2010 This collection of articles written by distinguished scholars in the field addresses these and other important pre and post independence developments impinging on the notion of Untouchability and the Hindu caste system By putting these developments in a wider temporal perspective covering pre colonial textual material as well as recent debates over the rights and identity of the Untouchables this volume can be seen as a significant contribution to an understanding of why caste continues to play an important role in contemporary India Book Jacket
