## Roots Of Miro:

**The Roots of Miró** Gimferrer, Pere, Joan Miró, 1993 By comparing Spanish artist Joan Miro's finished paintings and sculptures with more than 1200 of his sketches and preparatory studies Gimferrer places Miro's art in a surprising new perspective. Marvelously illustrated with 285 radiant color plates and 1276 in black and white, this intensive analysis of Miro's creative process explains how he would first isolate some element from the teeming outside world, then incorporate a graphic sign into it, thus setting in motion a transfigurative process in which objects, signs, and symbols underwent a constant metamorphosis. In placing Miro's preliminary drawings alongside the pictures to which they gave rise, Spanish poet and art critic Gimferrer illuminates the inner alchemy by which Miro discovered his major motifs and set them loose in a free-floating pictorial universe. Las Raíces de Miró Gimferrer, Pere, 1993 Joan Miró Janis Mink, 2000 **Modernism** **Joan Miró** Joan Miró, 2008 Taking Joan Miró's notorious declaration of 1927, "I want to assassinate painting as its point of departure," this richly illustrated volume is the first to focus on Miró, the anti-painter, identifying the core practices and strategies the artist used to challenge painting between 1927 and 1937. *Joan Miró: Painting and Anti-Painting 1927-1937* surveys the various material, iconographical, and rhetorical forms of Miró's attacks on painting by presenting in chronological sequence 12 distinct series of works, beginning with a remarkable group of paintings on unprimed canvas and concluding with Miró's return to Realism in *Still Life with Old Shoe*, 1937. Acidic color, grotesque disfigurement, stylistic heterogeneity, and the use of resistant, ready-made materials are among the key tactics of aggression that are explored in this extraordinary presentation of the interrelated and oppositional series of paintings, collages, objects, and drawings Miró produced during this crucial decade of his long career. This volume integrates close scrutiny of Miró's materials and processes with historical and iconographic analysis, leading to an expanded understanding of the underappreciated aggressiveness of an artist long regarded as Surrealism's most lyrical painter-poet. Joan Miró was born in 1893 in Barcelona. After his first trip to Paris in 1920 and through 1931, Miró generally spent half of each year in the French capital and half in his native Catalonia, returning to live in France after the outbreak of the Spanish Civil War in 1936. One of the twentieth century's greatest Modern artists, Miró created a pictorial world of intense imaginative power in which visionary and cosmic elements are inextricably intertwined with the earthly and mundane. He died in 1983 in Palma de Mallorca, Spain. *Constellations of Miro*, Breton Paul Hammond, 2000-06 In *Constellations of Miro*, Breton Paul Hammond unravels some of the mysteries of the call and response of these two Surrealists by reading the pictures against the poetry, the poetry against the pictures, and both against the madness of a history that none of us has left that far behind. **BOOK JACKET** Miro Barnes & Noble, Janis Mink, 1996 **Roots of Miro** P. Gimferrer, 1993 Songs of a Dead Dreamer and Grimscribe Thomas Ligotti, 2015-10-06 Thomas Ligotti's debut collection *Songs of a Dead Dreamer* and his second *Grimscribe* permanently inscribed a new name in the pantheon of horror fiction. Influenced by the strange terrors of Lovecraft and Poe and by the brutal absurdity of Kafka, Ligotti crafted his own brand of

existential horror which shocks at the deepest levels In decaying cities and lurid dreamscapes tormented by the lunatic pageantry of masks puppets and obscure ritual Ligotti s works lay bare the sickening madness of the human condition From his dark imagination emerge stories like The Frolic and The Last Feast of Harlequin waking nightmares that splinter the schemes validating our existence In these collections Ligotti bends reality until it cracks opening fissures through which he invites us to gaze on the unsettling darkness below an ordeal from which one may perhaps return but never to be the same
