Historical Dictionary of the Civil Rights Movement Christopher M. Richardson,Ralph E. Luker,2014-06-11 The fiftieth anniversary of many major milestones in what is commonly called the African American Civil Rights Movement was celebrated in 2013 Fifty years removed from the Birmingham campaign the assassination of Medgar Evers and the March on Washington and it is clear that the sacrifices borne by those generations in that decade were not in vain Monuments museums and exhibitions across the world honor the men and women of the Movement and testify to their immeasurable role in redefining the United States The second edition of Historical Dictionary of the Civil Rights Movement is a guide to the history of the African American struggle for equal rights in the United States The history of this period is covered in a detailed chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities significant legal cases local struggles forgotten heroes and prominent women in the Movement This book is an excellent access point for students researchers and anyone wanting to know more about the Civil Rights Movement

The Firebrand and the First Lady Patricia Bell-Scott,2017-01-24 NATIONAL BOOK AWARD NOMINEE The riveting history of how Pauli Murray a brilliant writer turned activist and First Lady Eleanor Roosevelt forged an enduring friendship that helped to alter the course of race and racism in America A definitive biography of Murray a trailblazing legal scholar and a tremendous influence on Mrs Roosevelt Essence In 1938 the twenty eight year old Pauli Murray wrote a letter to the President and First Lady Franklin and Eleanor Roosevelt protesting racial segregation in the South Eleanor wrote back So began a friendship that would last for a quarter of a century as Pauli became a lawyer principal strategist in the fight to

protect Title VII of the 1964 Civil Rights Act and a co founder of the National Organization of Women and Eleanor became a diplomat and first chair of the United Nations Commission on Human Rights *Why Docudrama?* Alan Rosenthal,1999

Defining and examining the rationale of docudrama the nine essayists in the first part discuss the history and development of docudrama on TV and in film they also consider the place of truth in docudrama the main critiques of the form and the audience s susceptibilities and expectations In investigating the actual filmmaking process the eight essays in the second part focus on how docudrama as a commodity is created in the United States and England Part essay part case study and part interview this section also explores how Hollywood and the commercial networks as well as producers and writers work and think The final part presents an in depth critique of a number of controversial docudramas that have helped form and shape public opinion including *Battleship Potemkin* *Roots* *Reds* *JFK* *Mississippi Burning* *Schindler s List* and *In the Name of the Father* Senior Tourism Simone Francescato,Roberta Maierhofer,Valeria Minghetti,Eva-Maria Trinkaus,2017-08-15

This volume aims to bridge the disciplinary gap between tourism studies and aging studies It investigates the intersections of tourism and aging from a variety of perspectives that focus on the many ways in which senior tourism is socially constructed and or individually experienced The essays tackle key topics ranging from the socio economic aspects of post retirement travel to the representations of the traveling elderly in literature film and media and the influence of travel on late life creativity Writing Backwards Alexander Manshel,2023-11-21 Finalist 2025 SHARP Book History Book Prize Society for the Study of the History of Authorship Reading and Publishing Contemporary fiction has never been less contemporary Midcentury writers tended to set their works in their own moment but for the last several decades critical acclaim and attention have fixated on historical fiction This shift is particularly dramatic for writers of color Even as the literary canon has become more diverse cultural institutions have celebrated Black Asian American Latinx and Indigenous novelists almost exclusively for their historical fiction Writing Backwards explores what the dominance of historical fiction in the contemporary canon reveals about American literary culture Alexander Manshel investigates the most celebrated historical genres contemporary narratives of slavery the World War II novel the multigenerational family saga immigrant fiction and the novel of recent history alongside the literary and academic institutions that have elevated them He examines novels by writers including Toni Morrison Viet Thanh Nguyen Colson Whitehead Julia Alvarez Leslie Marmon Silko Michael Chabon Julie Otsuka Yaa Gyasi Ben Lerner and Tommy Orange in the context of MFA programs literary prizes university syllabi book clubs and the National Endowment for the Arts Manshel studies how historical fiction has evolved over the last half century documenting the formation of the newly inclusive literary canon as well as who and what it still excludes Offering new insight into how institutions shape literature and the limits of historical memory Writing Backwards also considers recent challenges to the historical turn in American fiction *African Heritage and Memories of Slavery in Brazil and the South Atlantic World* Ana Lucia Araujo,2015-02-06 This book explores the history of African tangible and intangible heritages and its links with the

public memory of slavery in Brazil and Angola The two countries are deeply connected given how most enslaved Africans forcibly brought to Brazil during the era of the Atlantic slave trade were from West Central Africa Brazil imported the largest number of enslaved Africans during the Atlantic slave trade and was the last country in the western hemisphere to abolish slavery in 1888 Today other than Nigeria the largest population of African descent is in Brazil Yet it was only in the last twenty years that Brazil's African heritage and its slave past have gained greater visibility Prior to this Brazil's African heritage and its slave past were completely neglected This is the first book in English to focus on African heritage and public memory of slavery in Brazil and Angola This interdisciplinary study examines visual images dance music oral accounts museum exhibitions artifacts monuments festivals and others forms of commemoration to illuminate the social and cultural dynamics that over the last twenty years have propelled or prevented the visibility of African heritage and its Atlantic slave trade legacy in the South Atlantic region The book makes a very important contribution to the understanding of the place of African heritage and slavery in the official history and public memory of Brazil and Angola topics that remain understudied The study's focus on the South Atlantic world a zone which is sparsely covered in the scholarly corpus on Atlantic history will further research on other post slave societies African Heritage and Memories of Slavery in Brazil and the South Atlantic World is an important book for African studies and Latin American studies It is especially valuable for African Diaspora studies African history Atlantic history history of Brazil history of slavery and Caribbean history Narrating the Slave Trade, Theorizing Community Raphaël Lambert, 2018-12-24 In Narrating the Slave Trade Theorizing Community Raphaël Lambert explores the notion of community in conjunction with literary works concerned with the transatlantic slave trade The recent surge of interest in both slave trade and community studies concurs with the return of free market ideology which once justified and facilitated the exponential growth of the slave trade The motif of unbridled capitalism recurs in all the works discussed herein however community whether racial political utopian or conceptual emerges as a fitting frame of reference to reveal unsuspected facets of the relationships between all involved parties and expose the ramifications of the trade across time and space Ultimately this book calls for a complete reevaluation of what it means to live together **TV in the USA** Vincent LoBrutto, 2018-01-04 This three volume set is a valuable resource for researching the history of American television An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society What are the reasons behind enduring popularity of television genres such as police crime dramas soap operas sitcoms and reality TV What impact has television had on the culture and morality of American life Does television largely emulate and reflect real life and society or vice versa How does television's influence differ from that of other media such as newspapers and magazines radio movies and the Internet These are just a few of the questions explored in the three volume encyclopedia TV in the USA A History of Icons Idols and Ideas This expansive set covers television from 1950 to the present day addressing shows of all genres well known programs and short lived series alike

broadcast on the traditional and cable networks All three volumes lead off with a keynote essay regarding the technical and historical features of the decade s covered Each entry on a specific show investigates the narrative themes and history of the program provides comprehensive information about when the show started and ended and why and identifies the star players directors producers and other key members of the crew of each television production The set also features essays that explore how a particular program or type of show has influenced or reflected American society and it includes numerous sidebars packed with interesting data related information and additional insights into the subject matter

The World and a Very Small Place in Africa Donald R. Wright,2015-05-18 Niumi a small little known territory located on the bank of the Gambia River in West Africa is seemingly far from the reaches of world historical events And yet the outside world has long had a significant and increasingly profound impact on Niumi This fascinating work shows how global events have affected people s lives over the past eight centuries in this small region in Africa s smallest country Drawing on written and oral testimony and writing in a clear and personal style Donald R Wright connects globalization with real people in a real place This new edition updates discussions of global history and African history based on current studies and new developments that have been factored into the interpretive framework Reflecting on recent visits to Niumi Wright extends the story into 2009 to consider the impact of global recession and domestic political repression under a regime in power for the past fifteen years Punctuating the narrative are photographs maps and Perspectives boxes on selected topics such as the sale of slaves five centuries ago colonial sexism the fate of press freedom and how popular culture affects growing up in a traditional society Throughout the author deals with African history seriously global trends critically and human lives sensitively

We Refuse Kellie Carter Jackson,2024-06-04 An unsparing erudite and incisive Jelani Cobb staff writer The New Yorker reframing of the past and present of Black resistance both nonviolent and violent to white supremacy Named a Best Book of 2024 by Smithsonian Kirkus Chicago Review of Books Emancipator Ms Magazine Black resistance to white supremacy is often reduced to a simple binary between Dr Martin Luther King Jr s nonviolence and Malcolm X s by any means necessary In We Refuse historian Kellie Carter Jackson urges us to move past this false choice offering an unflinching examination of the breadth of Black responses to white oppression particularly those pioneered by Black women The dismissal of Black violence as an illegitimate form of resistance is itself a manifestation of white supremacy a distraction from the insidious unrelenting violence of structural racism Force from work stoppages and property destruction to armed revolt has played a pivotal part in securing freedom and justice for Black people since the days of the American and Haitian Revolutions But violence is only one tool among many Carter Jackson examines other no less vital tactics that have shaped the Black struggle from the restorative power of finding joy in the face of suffering to the quiet strength of simply walking away Clear eyed impassioned and ultimately hopeful We Refuse offers a fundamental corrective to the historical record a love letter to Black resilience and a path toward liberation

Locating Imagination in Popular Culture Nicky van Es,Stijn Reijnders,Leonieke Bolderman,Abby

Waysdorf, 2020-12-29 *Locating Imagination in Popular Culture* offers a multi disciplinary account of the ways in which popular culture tourism and notions of place intertwine in an environment characterized by ongoing processes of globalization digitization and an increasingly ubiquitous nature of multi media Centred around the concept of imagination the authors demonstrate how popular culture and media are becoming increasingly important in the ways in which places and localities are imagined and how they also subsequently stimulate a desire to visit the actual places in which people s favourite stories are set With examples drawn from around the globe the book offers a unique study of the role of narratives conveyed through media in stimulating and reflecting desire in tourism This book will have appeal in a wide variety of academic disciplines ranging from media and cultural studies to fan and tourism studies cultural geography literary studies and cultural sociology Memory and Myth David B. Sachsman, S. Kittrell Rushing, Roy Morris, 2007 *Ain t nobody clean* Glory and the politics of black agency W Scott Poole Alex Haley s *Roots* the fiction of fact William E Huntzicker *A voice of the south* the transformation of Shelby Foote David W Bulla **Jet** , 1993-03-22 The weekly source of African American political and entertainment news
