Saints For Contemporary Women:

Saints for Contemporary Women Mary Hester Valentine, 1987-05-01 *Sufism, Mystics, and Saints in Modern Egypt*
Valerie J. Hoffman, 2023-02-07 A fascinating insider's account of Sufi life in contemporary Egypt For centuries Sufism Islamic mysticism held a major place in Islamic spirituality intellectual life and popular religion While many scholars have commented on Sufism's decline few have delved deeply into present day Egyptian Sufism or considered it as a system in its own right Drawing on her detailed fieldwork and a variety of little known literary sources Valerie J Hoffman presents Sufism as it exists in Egypt today in the vivid experiences of its adherents With an array of conclusions that overturn widely held beliefs about modern Sufis Hoffman argues that the apparent assimilation of Egyptian Sufism masks a thriving movement hidden from the Western world From her experiences as a quasi disciple of a Sufi master she offers new insights into the movement's evolution the vital role of women in Sufism and Sufi perspectives on gender and sexuality **Women in Christianity in the Modern Age** Lisa Isherwood, Megan Clay, 2021-12-30 Women in Christianity in the Modern Age examines the role of women in Christianity in the 20th and early 21st Centuries This edited volume includes eight important contributions from academics in the field The modern era has been an age of social and religious upheaval and the ravages of global warfare and changes to women's role in society have made the examination of the place of women in religion a key question in theology From theological concerns engagements with the biblical texts by feminist and anti feminist theologians the modern role of Mary and women saints to political and social debates on women's ministry and place in society and cultural shifts as expressed through theologically inspired artwork by women Women in Christianity in the Modern Age provides an overview and in depth studies of a tumultuous and changing era This insightful text will be of key interest to students and scholars in Religion and Cultural Studies *Women Saints Lives in Old English Prose* Leslie A. Donovan, 1999 Translations of eight saints lives giving an insight into women's religious culture in Anglo Saxon England Devout virtuous and independent the heroines of Old English saints lives one of the most popular literary genres of the middle ages provided exemplars of personal and public inspiration for medieval Christians The eight lives translated here are the earliest known vernacular accounts of the biographies of thelthryth Agatha Agnes Cecilia Eugenia Euphrosyne Lucy and Mary of Egypt They depict women escaping unwanted marriages communicating with male relatives acquiring an education living autonomously as hermits and achieving positions of leadership such lives document not only the importance of spiritual faith to early Christian women but also testify to how these women and their audience employed faith as a tool for empowerment Each life is preceded by a brief description of the saint's cult from its early Christian origins to its presence in Anglo Saxon culture The translation is accompanied by an introduction establishing the general background for the genre the conventions of women saints lives and women's religious culture in Anglo Saxon England and an interpretive essay exploring the relationships between explicit presentations of the female body and the strength of spiritual authority as exhibited in these texts completes

the volume LESLIE A DONOVAN is Associate Professor at the University of New Mexico **Sister Saints** Colleen McDannell, 2019 Sister Saints offers a history of modern Mormon women and argues that we are on the verge of an era in which women are likely to play a greater role in the Mormon church **Women, Sainthood, and Power** Oliva M. Espín, 2019-10-23 Women Sainthood and Power explores the life stories of an international gallery of female saints from the wide angle lens of several intellectual disciplines and the close up view afforded by keenly observed fine points of character Oliva M Esp n combines multidisciplinary scholarly research with a novelist s eye for detail to create vivid portraits of saints in their times and places Using her own memories Esp n argues that there are lessons to learn today from the lives of these exceptional women This book is recommended for scholars and students of psychology religious studies gender and women s studies history cultural studies and ethnic studies Moroccan Female Religious Agents Aziza Ouguir, 2020-05-18 In Moroccan Female Religious Agents Old Practices and New Perspectives Ouguir studies Moroccan female religious agents in particular historical women saints and Sufis the way they constructed powerful saintly personalities that challenged the dominant conventional norms and the way they are received by venerators and feminist Islamist activists of modern Morocco Through hagiographic and oral narratives Ouguir examines the techniques religious women followed to achieve ethical self formation and strong religious personalities that promoted them to leadership She also examined the venerators murshid t and Islamist feminists reception of women saints in their discourses Ouguir states convincingly that Moroccan religious women agents in both Morocco s past and present are to be highlighted for broader discourses on Muslim women and feminism **The Woman Saint in Spanish Golden Age Drama** Christopher D. Gascón, 2006 Some writers present her as a representative of the symbolic order invested with sacred powers and ultimate authority she rebukes transgressors and negotiates their return to God s grace and lawful society Jacket **Encyclopedia of Women in World Religions** Susan de-Gaia, 2018-11-16 This reference offers reliable knowledge about women s diverse faith practices throughout history and prehistory and across cultures Across the span of human history women have participated in world building and life sustaining cultural creativity making enormous contributions to religion and spirituality In the contemporary period women have achieved greater equality with more educational opportunities female role models in public life and opportunities for religious expression than ever before Contemporaneously with this increased visibility women are actively and energetically engaging with religion for themselves and for their communities Drawing on the expertise of a range of scholars this reference chronicles the religious experiences of women across time and cultures The book includes sections on major religions as well as on spirituality African religions prehistoric religions and other broad topics Each section begins with an introduction followed by reference entries on specialized subjects along with excerpts from primary source documents The entries provide numerous suggestions for further reading and the book closes with a detailed bibliography **The Mystic Mind** Jerome Kroll, Bernard Bachrach, 2006-06-01 A fascinating collaboration between a medieval historian and a professor of

psychiatry this enthralling book applies modern biological and psychological research findings to the lives of medieval mystics and ascetics Drawing upon a database of over 1 400 medieval holy persons and in depth studies of individual saints this illuminating study examines the relationship between medieval mystical experiences the religious practices of mortification laceration of the flesh sleep deprivation and extreme starvation and how these actions produced altered states of consciousness and brain function in the heroic ascetics Examining and disputing much contemporary writing about the political and gender motivations in the medieval quest for a closeness with God this is essential reading for anyone with an interest in medieval religion or the effects of self injurious behaviour on the mind Women in Religion Jean Holm,John

Bowker,2001-01-01 The place of women in the religions both as expressed in the classical writings and as experienced in life is carefully considered in this book It deals with what part women can and or do play in religious institutions how relevant religion is to their general role in society and the significance of cultural influences for attitudes to women within the religious traditions Addressing important issues of the day this series examines how each of the eight major religions approaches a particular theme Constructed to be comparative the books are both authoritative and accessible Each chapter is followed by a selected bibliography This book is ideal for undergraduate students **Picturing the 'Pregnant'**

Magdalene in Northern Art, 1430-1550 Professor Penny Howell Jolly,2014-01-01 Examining innovations in Mary Magdalene imagery including her dress in northern art 1430 to 1550 Penny Jolly explores how the saint s widespread popularity drew upon her ability to embody oppositions and embrace a range of paradoxical roles sinner prostitute and saint erotic seductress and holy prophet Analyzing paintings by Rogier van der Weyden Quentin Massys and others Jolly investigates artists and audiences responses to increasing religious tensions expanding art markets and changing roles for women Library of Congress Subject Headings Library of Congress. Saint for All Reasons Dominique Goy-Blanquet,2017-03-02 The interaction of poetry and politics has shaped Joan into a transnational myth dedicated to the most contradictory causes No other character has inspired a more impressive list of writers but no other myth possesses the malleability required to serve rival camps Whatever their distortions of fact for art s sake these famed authors deployed an extensive knowledge of known records The quality of the exchanges between the best creative and philosophical minds of preceding centuries their capacity for reading range of interests literary judgment critical shrewdness all offer priceless models of investigation for our times A close inquiry into the makings of the legendary heroine brings to light various false impressions still endorsed today by a number of noteworthy historians and literary critics This collection of essays updated for the English language edition follows Joan of Arc in the Western consciousness throughout the chain of texts fictions comments from the time of her launching into celebrity by Jean Gerson and Christine de Pizan to the most recent stage and film versions D Goy Blanquet investigates the exchanges between England France and Germany down to Joan s nationalisation by Michelet Francoise Michaud Frejaville studies through little known seventeenth

century versions a period of decline in the heroine's popularity with Jean Chapelain's much decried Pucelle at its lowest ebb Nadia Margolis picks up the thread from Michelet to explore the background of frenzied political quarrels and personal self identifications for possession of the nineteenth century heroine down to their ultimate appropriation that by the National Front Jacques Darras questions Peguy and the warmongers who used Joan as a firebrand against pacifists like Jean Jaures down to the singular fate of Anouilh's L'Alouette and beyond them the nationalistic strains which continue to infect the French political scene An essay composed especially for this [Making and remaking saints in nineteenth-century Britain](#) Gareth Atkins, 2016-08-25 This book examines the place of saints and sanctity in a self consciously modern age and argues that Protestants were as fascinated by such figures as Catholics were Long after the mechanisms of canonisation had disappeared people continued not only to engage with the saints of the past but continued to make their own saints in all but name Just as strikingly it claims that devotional practices and language were not the property of orthodox Christians alone Making and remaking saints in the nineteenth century Britain explores for the first time how sainthood remained significant in this period both as an enduring institution and as a metaphor that could be transposed into unexpected contexts Each of the chapters in this volume focuses on the reception of a particular individual or group and together they will appeal to not only historians of religion but those concerned with material culture the cult of history and with the reshaping of British identities in an age of faith and doubt [Tending to Stories in Feminist Theologies](#) Helena Kadmos, Katharine Massam, 2025-09-16 Tending to Stories in Feminist Theologies is interested in the place of story tellers in communities of hope Where some theologies wrestle for clarity of definition feminist and other theologies of liberation begin from experience and tend towards story as a vehicle for speaking of the Divine Ambiguity and precision both find their place This collection embraces different materials to explore the place of stories and narrative within feminist theology to explore how meaning happens to seek justice and to forge compassion As for theology so too with form This volume does not just discuss but actively demonstrates a variety of ways in which stories can be heard and held Between and within chapters the authors weave together artwork literature creative non fiction and poetic form with critically informed and academic exposition to invite reflection on the place of story in creating solidarity and enabling community The book contributes to scholarly conversations on feminist theological method on the relationship between the arts and theology and on the dialogue between secular and sacred in Australasia and elsewhere **Mother of Bliss** Lisa Lassell Hallstrom, 1999-07-08 This book examines the life of Anandamay i M a one of the most renowned Hindu holy women of modern times Lisa Hallstrom paints a vivid portrait of this extraordinary woman her ideas and her continuing influence In the process the author sheds new light on important themes of Hindu religious life including the centrality of the guru the influence of living saints and the apparent paradox of the worship of the divine feminine and the status of Hindu women **Women in Scotland c.1100-c.1750** Elizabeth L. Ewan, Maureen M. Meikle, 1999-11-16 This collection of essays addresses women in Scotland in the medieval and

early modern period drawing on archival sources from Court of Session records to Middle Scots poetry The editors argue persuasively that it is important to know about Scotswomen from all social levels The book includes a time line and introductory bibliographical essay The twenty essays in the collection are arranged under the themes of religion literature legal history the economy politics and the family They demonstrate the connections between Scottish women's experience and those in England and the continent as well as highlighting what was unique for the history of Scottish women Through this comprehensive review of the feminine situation during more than six hundred years of Scottish history the reader will discover how women really lived and what they really thought whatever their place in society

Women of Spirit

Rosemary Radford Ruether, Eleanor McLaughlin, 1998-04-29 A compilation of essays on the role of women in the institutional and ordained leadership of Western religion The authors discuss religious women as charismatic leaders holy women martyrs dissenters renewers and reformers as well as theological images of the feminine in God the Christ Church relationship and the self The studies are historical and descriptive both from the early church to the present day
