

THIS MARRIAGE

by Rumi

May these vows and this marriage be blessed.
May this marriage be as sweet as milk and honey,
May this marriage be as intoxicating as old wine,
May this marriage be fruitful like the date palm,
May this marriage be full of laughter,
and everyday a paradise.
May this marriage be a seal of compassion,
for here and hereafter.
May this marriage have a fair face and a good name,
May this marriage be as welcome as the
full moon in the night sky.
Listen lovers, now you go on,
as I become silent and kiss this blessed night.

Long Marriage Poems:

The Long Marriage: Poems Maxine Kumin, 2003-05-17 This luminous collection is Maxine Kumin's twelfth volume of poetry the first since her remarkable memoir *Inside the Halo* Themes of loyalty longevity and recovery appear here along with poems addressing the eminent dead Wordsworth Gorki Rukeyser and others Inescapably many poems come up out of the earth I live on and tend to Kumin says British Women Poets of the Long Eighteenth Century Paula R.

Backscheider, Catherine E. Ingrassia, 2022-10-01 This anthology gathers 368 poems by 80 British women poets of the long eighteenth century Few of these poems have been reprinted since originally published and all are crucial to understanding fully the literary history of women writers Paula R Backscheider and Catherine E Ingrassia demonstrate the enormous diversity of poetry produced during this time by organizing the poems in three broad and deliberately overlapping categories by genre establishing that women wrote in all of the forms that men did with equal mastery and creativity by theme offering a revisionary look at the range of topics these writers addressed including war ecology friendship religion and the stages of life and by the poems more specific focus on the women's experiences as writers Backscheider and Ingrassia have selected poems that represent the best work of skilled poets creating a wonderful mix of canonical and little known pieces They include the complete texts of longer poems that are abridged or omitted in other collections Their substantial part introductions textual notes bibliographical information and biographical sketches situate the poets and their writings within the cultural and political milieu in which they appeared To generate further scholarship on this subject this essential anthology puts primary texts in front of students scholars and general readers It fills the persistent need to document women's poetic expression during the long eighteenth century and to rewrite the literary history of the period a history from which women have largely been excluded **Romantic and Victorian Long Poems** Adam Roberts, 2019-05-23 First published in 1999 this is a guide which provides easy access to a fairly complete range of the long poetry written in the Romantic and Victorian periods epics narrative poems verse novels and other work of over a certain length The format provides title author length of work and prosodic description Texts are then summarized according to the internal divisions Each poem is accompanied by an objective summary and the poems as a whole are preceded by an introduction which advances a particular argument as to why the nineteenth century was so fascinated with the length that was the ultimate aesthetic rationale for the long poem Where I Live: New & Selected Poems 1990-2010 Maxine Kumin, 2010-04-12 *Where I Live* is a collection celebrating the remarkable poetic range of one of America's greatest living poets *Where I Live* gathers poems from Maxine Kumin's five previous books The poems take as their concern rural life family and poetic legacy and they wrestle with political and social causes Also included is a generous selection of twenty three new poems which expand upon themes that have preoccupied Kumin and bring her record of poetic mastery up to the present Kumin's rare kinship with the natural world is again seen in this collection Book Jacket The Great War, The Waste Land and the Modernist Long Poem Oliver

The Long Public Life of a Short Private Poem Peter Murphy, 2019-08-27 Meticulously maps the eddies and currents that have defined this vexing poem s vexed history of neglect rediscovery and canonization grippingly unusual Renaissance Quarterly Thomas Wyatt didn t publish They Flee from Me It was written in a notebook maybe abroad maybe even in prison Today it is in countless poetry anthologies How did it survive That is the story Peter Murphy tells in vivid and compelling detail of the accidents of fate that kept a great poem alive across five hundred turbulent years Wyatt s poem becomes an occasion to ask and answer numerous questions about literature culture and history Itself about the passage of time it allows us to consider why anyone would write such a thing in the first place and why anyone would care to read or remember the person who wrote it From the deadly fascinating circles of Henry VIII s court to the contemporary classroom *The Long Public Life of a Short Private Poem* also introduces us to a series of worlds We meet antiquaries editors publishers anthologizers and critics whose own life stories beckon And we learn how the poem came to be considered after many centuries of neglect a model of the best English has to offer and an ideal object of literary study The result is an exploration of literature in the fine grain of the everyday and its needs in the classroom in society and in the life of nations

Intratextuality and Latin Literature Stephen J. Harrison, Stavros Frangoulidis, Theodore D. Papanghelis, 2018-10-08 Recent years have witnessed an increased interest in classical studies in the ways meaning is generated through the medium of intertextuality namely how different texts of the same or different

authors communicate and interact with each other Attention although on a lesser scale has also been paid to the manner in which meaning is produced through interaction between various parts of the same text or body of texts within the overall production of a single author namely intratextuality Taking off from the seminal volume on Intratextuality Greek and Roman Textual Relations edited by A Sharrock H Morales Oxford 2000 which largely sets the theoretical framework for such internal associations within classical texts this collective volume brings together twenty seven contributions written by an international team of experts exploring the evolution of intratextuality from Late Republic to Late Antiquity across a wide range of authors genres and historical periods Of particular interest are also the combined instances of intra and intertextual poetics as well as the way in which intratextuality in Latin literature draws on reading practices and critical methods already theorized and operative in Greek antiquity

Rethinking the North American Long Poem Ridvan Askin, Julius Greve, 2024-12-15 For centuries critics poets poet scholars and philosophers have either openly proclaimed or tacitly assumed the long poem as the highest expression of literary ambition and excellence *Rethinking the North American Long Poem* focuses on the North American variant of this notorious form notorious because of its often forbidding and difficult character particularly with respect to the dialectics of content and form aesthetics and politics matter and genre In nine essays and a contextual introduction the editors and contributors scrutinize seminal long poems by North American writers including Walt Whitman's *Song of Myself* Ezra Pound's *The Cantos* Muriel Rukeyser's *The Book of the Dead* and Charles Olson's *The Maximus Poems* They also explore recent efforts that have redefined or reopened the case of the long poem including Rachel Blau DuPlessis's *Drafts* M NourbeSe Philip's *Zong* and Claudia Rankine's *Citizen* Taking the categories of form matter and experiment as frames of conceptual reference the book examines the ways in which material and immaterial aspects of literary practice and the philosophically and politically inscribed duality of experience and experiment are negotiated in and by North American long poems from the nineteenth century to the present

A Long Essay on the Long Poem Rachel Blau DuPlessis, 2023-03-21 For decades Rachel Blau DuPlessis has shown readers how genres forms and the literal acts of writing and reception can be understood as sites of struggle In her own words writing is a praxis in which the author disappears into a process into a community into discontinuities and into a desire for discovery It is cause for celebration then that we have another work of warm incisive expository writing from DuPlessis in *A Long Essay on the Long Poem*
