Big Appetite Sam McLeod, 2010-06-01 Dr Beauregard pulled his chair up a little closer to me looked me in the eye and said Sam I'm afraid your health is pretty good You could stand to

lose a little weight but without some bad news I can't scare you into taking better care of yourself. You've got to find some meaning in your life that will motivate you to take better care of your body, something that gets under your skin, something that grabs your imagination, something other than a diet. And only you can figure that out. So begins big boned Sam McLeod's search for the meaning of life. Luckily a mysterious envelope arrives in the mail to distract him. It's an invitation to a neighborhood reunion where Sam grew up near Nashville, Tennessee. Sam's wise wife Annie insists that her reluctant husband get in the car and make the cross country trip. Here's a map and your itinerary. But you keep your hands off that old girlfriend, you hear me. As Sam drives, he tries to work out the meaning of life just like the doctor ordered. Instead, memories of childhood fill his head. Who would be at the reunion? Weiner. He remembers how Weiner got his name and his lasting fear of buzzards. Would he find a descendant of Big Un, the snake as fat as a family size can of Franco American spaghetti? And what about Lexi? She wasn't his girlfriend, no matter what Annie says, but he remembers the summer night they played hide and seek. And with these recollections come the smell of his mother's meatloaf, the taste of spicy pimento cheese, the tang of cold pickled shrimp, and the tart sweetness of strawberry pie, the foods of his Southern childhood. Does Sam find the meaning of life? Yes, he does, even though he lacks the emotional intelligence God gave a stinkbug as Annie so delicately put it. So come along with Sam as he follows his deep-fried roots to a simpler time and place where mothers nourished their children with much more than ham biscuits, deviled eggs, and tuna noodle casserole with potato chips on top. A warm, laugh-out-loud funny memoir for anyone who has ever collected lightning bugs in a quart-size Ball jar, been in a watermelon fight, fallen asleep to the sound of grown-ups talking on the porch, been told you're eating a bite whether you like it or not. Grown-up Southern.

The Long Ride Home Christa Scott Reide, 2013. Looking for love is natural. Finding it about to give birth in the back of a cab is anything but ordinary. Seth Locklear and his vocal group had just left their first televised concert when they came upon a taxi on the side of the interstate. Pulling over to assist, they discover one of their newest fans in the backseat about to give birth. Before help can arrive, Seth has to help the young woman deliver the baby, and instantly a bond is formed between him and the newborn. Now little Marissa Wilkerson is at the center of Seth's world, but that means her mother, the young, unwed but beautifully charming Emily Wilkerson, is too. Despite her ungodly situation, Seth can't take his attention away from Emily. Surely God planned for his perfect wife to have saved herself for marriage, and Emily clearly does not fit that description. Seth's stubborn rejection of Emily's favor may cost him the bond with the beautiful baby he helped to bring into this world. Now Seth must discover if his bond with Marissa is influencing his growing desire to be with Emily, or if he's really falling in love with her. Having a family of his own one day is God's will, he's sure of it, but could that mean falling in love with a ready-made family? In this heartwarming story, Seth finds himself losing all confidence in his preconceived notions about who his future family will be. Emily has made an impact on his life, but will it be enough for him to dissolve his old ways and let himself fall in love with her? Join Seth, Emily, and the beautiful baby Marissa as they endure The Long Ride Home. Bicycling Magazine's
