The Poetry of Louise Glück Daniel Morris, 2006-12-01 A dominant figure in American poetry for more than thirty five years Louise Glück has been the recipient of virtually every major poetry award She won the Nobel Prize in Literature in 2020 and was named U.S. poet laureate for 2003-2004 In a full length study of her work Daniel Morris explores how this prolific poet utilizes masks of characters from history the Bible and even fairy tales Morris treats Glück's persistent themes desire hunger trauma survival through close reading of her major book length sequences from the 1990s Ararat Meadowlands and The Wild Iris An additional chapter devoted to The House on Marshland 1975 shows how its revision of Romanticism and nature poetry anticipated these later works Seeing Glück's poems as complex analyses of the authorial self via sustained central metaphors Morris reads her poetry against a narrative pattern that shifts from the tones of anger despair and resentment found in her early Firstborn to the resignation of Ararat and proceeds in her latest volumes including Vita Nova and Averno toward an ambivalent embrace of embodied life By showing how Glück's poems may be read as a form of commentary on the meanings of great literature and myth Morris emphasizes her irreverent attitude toward the canons through which she both expresses herself and deflects her autobiographical impulse By discussing her sense of self of

Judaism and of the poetic tradition he explores her position as a mystic poet with an ambivalent relationship to religious discourse verging on Gnosticism with tendencies toward the ancient rabbinic midrash tradition of reading scripture He particularly shows how her creative reading of past poets expresses her vision of Judaism as a way of thinking about canonical texts The Poetry of Louise Glück is a quintessential study of how poems may be read as a form of commentary on the meanings of great literature and myth It clearly demonstrates that through this lens of commentary one can grasp more firmly the very idea of poetry itself that Glück has spent her career both defining and extending

The Longman Anthology of British Literature, Volumes 1A, 1B, And 1C David Damrosch, Christopher Baswell, Kevin Dettmar, Clare Carroll, Heather Henderson, Andrew Hadfield, Stuart Sherman, Peter Manning, Anne Schotter, William Sharpe, Susan Wolfson, 2010 The Longman Anthology of British Literature is the most comprehensive and thoughtfully arranged text in the field offering a rich selection of compelling British authors through the ages With its first edition The Longman Anthology of British Literature created a new paradigm for anthologies Responding to major shifts in literary studies over the past thirty years it was the first collection to pay sustained attention to the contexts within which literature is produced even as it broadened the scope of that literature to embrace the full cultural diversity of the British Isles Within its pages canonical authors mingle with newly visible writers English accents are heard next to Anglo Norman Welsh Gaelic and Scottish ones female and male voices are set in dialogue literature from the British Isles is integrated with post colonial writing and major works are illuminated by clusters of shorter texts that bring literary social and historical issues vividly to life Fresh and up to date introductions and notes are written by an editorial team whose members are all actively engaged in teaching and in current scholarship and 150 illustrations show both artistic and cultural developments from the medieval period to the present The Fourth Edition builds on the pioneering features of the previous three editions expanding the strong core of frequently taught works while continuing to lead the way in responding to the shifting interests of the discipline
