Chile Energy Policy Review 2009 ,2009 Drawing on the experience of IEA member countries this IEA review assesses Chile s major energy challenges and provides recommendations Six main themes emerge the successful liberalisation of the power sector in the 1980s the essential role played by the state in ensuring energy security the re formulation of Chile s long term energy policy the proposed reorganisation of the institutional framework greater independence for the system operators and the need for a clear framework of regulation so that long term investment decisions integrate social and environmental costs

How Do Households Consume Energy?: Evidence from Latin American and Caribbean Countries Raul Jimenez Mori,Ariel Yépez-Garcia,2020-11-22 How do households consume and spend on energy What are the drivers of their spending and consumption patterns How does energy consumption has evolved What is to be expected as the region climbs the development ladder What are the distributive implications of different energy pricing approaches This book looks at these questions and examines which policies work in reducing energy poverty and increasing energy savings The authors unveil the growing household demand of better quality of energy and show that to achieve more cost effective and progressive public policies it is necessary to strengthen the transparency and sustainability of energy pricing while having into account the consumer behavioral responses This volume is a resource for designing energy policies based on an empirical understanding of the household s energy needs [Energy Research Abstracts](#) ,1990 [The Cumulative Book Index](#) ,1996 A world list of books in the English language

Chile International Monetary Fund. Western Hemisphere Dept.,2024-02-06 Macroeconomic imbalances built during the pandemic have been largely resolved supported by strong policy responses Inequality has declined somewhat but remains high Weak investment and potential growth are constraining income convergence to advanced economies Policy priorities have shifted toward making the economy more dynamic inclusive and greener but the government is struggling to pass reforms in a fragmented parliament The December referendum which rejected the draft constitution has reduced lingering uncertainty by bringing the process to a close for the
