Edwards, 1999 This new edition of the classic guide that started the Working from Home revolution includes updated information on equipping and computerizing a home office finding one venture and more Out of Work? Get Into Business!

Don Doman, 1994 If you find yourself one of the thousands of displaced workers the victim of downsizing or simply think you would be happier working for yourself this book can help unleash the entrepreneur in you Topics covered include evaluating your skills setting goals choosing the type of business you want characteristics of entrepreneurs hot businesses to get into keeping clients and staying afloat and more **Creating Competitive Advantage** Jaynie L. Smith, William G. Flanagan, 2006-04-25 Why should I do business with you and not your competitor Whether you are a retailer manufacturer distributor or service provider if you cannot answer this question you are surely losing customers clients and market share This eye opening book reveals how identifying your competitive advantages and trumpeting them to the marketplace is the most surefire way to close deals retain clients and stay miles ahead of the competition The five fatal flaws of most companies They don't have a competitive advantage but think they do They have a competitive advantage but don't know what it is so they lower prices instead They know what their competitive advantage is but neglect to tell clients about it They mistake strengths for competitive advantages They don't concentrate on competitive advantages when making strategic and operational decisions The good news is that you can overcome these costly mistakes by identifying your competitive advantages and creating new ones Consultant public speaker and competitive advantage expert Jaynie Smith will show you how scores of small and large companies substantially increased their sales by focusing on their competitive advantages When advising a CEO frustrated by his salespeople's inability to close deals Smith discovered that his company stayed on schedule 95 percent of the time an achievement no one else in his industry could claim By touting this and other competitive advantages to customers closing rates increased by 30 percent and so did company revenues Jack Welch has said If you don't have a competitive advantage don't compete This straight to the point book is filled with insightful stories and specific steps on how to pinpoint your competitive advantages develop new ones and get the message out about them The biggest marketing flaw in most companies is their failure to fully reap the benefits of their competitive advantages Either they think they have a competitive advantage but don't Or they have one and don't realize it Or they know they have a strong competitive advantage but fail to promote it adequately to their customers and prospects In my research with middle market companies I found only two CEOs out of 1 000 who could clearly name their companies competitive advantages The other 99 8 percent could offer only vague imprecise generalities These same CEOs often rely on outside consultants to guide strategic planning sessions Yet in my experience very few consultants even seasoned ones give competitive advantage evaluation more than a superficial glance Ignoring your competitive advantages can be an expensive and even fatal mistake Because no matter the size of your company or the kind of business you are in your competitive advantages should be the foundation of all your strategic and operational decisions They're the reasons customers choose to buy from you instead of the other guy From *Creating Competitive Advantage* *Developing a Career Information Centre* Canadian Career Information Association, 1999 **From Ideas to Business Opportunities** Atlantic Canada Opportunities Agency, Business Development

Bank of Canada,1995 This publication is for use by entrepreneurially minded persons to assist in finding and developing ideas and opportunities for new businesses It includes information on the role of the business idea sources of ideas current market trends how to gather information the types of opportunities that exist and criteria for evaluating a business opportunity The bulk of the publication provides suggestions on getting started real life examples from Atlantic Canada and key questions related to the following types of business ventures manufacturing or processing someone else s product marketing a product or service taking advantage of under utilized local resources finding a niche market imitating a successful business improving an existing product or service invention capitalizing on changes and trends enhancing an existing business and buying a business Appendices include a list of databases of business opportunity information and a directory of key contacts in Atlantic Canada **Quill & Quire** ,1993 Encyclopedia of Business Information Sources Gale Group,2003 Each updated edition identifies nearly 35 000 live print and electronic sources of information listed under more than 1 100 alphabetically arranged subjects industries and business concepts and practices Edited by business information expert James Woy **Encyclopedia of Business Information Sources** James Woy,2001-09 *The Publishers Weekly* ,1993
