Look Inside an Airplane Giovanna Mantegazza,1994 Die cut board pages on a spiral binding introduce dinosaurs and the mystery of their disappearance The Airplane Karl Milde,2011-09-28 Never one to color inside the lines the brilliant inventor Carl Collingwood is positive that his new aircraft will trigger waves of influence worldwide changing the course of aeronautics forever Investigative journalist Juli Gables is granted exclusive rights to cover the first flight of Collingwoods groundbreaking aircraft But when the plane inexplicably crashes and kills its creator Gables finds herself witness and reporter to a tragic story Using her investigative skills and sharp observations Gables resolves to unearth the cause of the crash for the sake of Collingwoods widow She learns that it was not a mechanical malfunction that killed Collingwood someone wanted him dead With her newfound knowledge Gables may be in danger too especially when this investigation leads her all the way to the White House As she attempts to get closer to the truth Gables is dogged at every step by disruptive parties including the police and fellow reporters As her investigation continues she uncovers a plot to assassinate the President of the United States when he is scheduled to give a speech at the United States Military Academy at West Point When authorities do not listen to her as she voices her claims it seems as if Gables will have to take matters into her own hands in order to prevent imminent tragedy Angela's Airplane Robert Munsch,2019-10-21 When Angela s father gets lost at the airport she looks for him everywhere even inside an airplane But when Angela s love of button pressing proves too great she finds herself in charge of flying the plane Can Angela make it back down to the runway A newly designed Classic Munsch picture book introduces this junior pilot to a new generation of young readers **Approach** ,1984 The naval aviation safety review Anyan's Story Virginia Drew Watson,2012-12-18 Anyan was born in the mid 1920s into the pre metal culture of the Tairora of what is now called Papua New Guinea Her early life was rooted in the traditions of her remote village where she worked the land and took part in the rituals connected with raising food but she lived at the time of first contact between her people and those from outside and she saw the traditional ways begin to change At her marriage she moved to the government station at Kainantu where she was exposed to more Western influences even as she tried to hold on to her past and her ties to her village Before she died in the mid 1970s this woman of indomitable spirit rode in an airplane and voted in a Western style election When Virginia Watson began her anthropological fieldwork in the eastern highlands of New Guinea in 1954 she needed an interpreter for the unwritten language of the Tairora Fortune sent her Anyan In their work together as Watson researched the role of Tairora women Anyan gradually painted a picture of her society using events from her own life Over many years of collaboration and deepening friendship a remarkable life history was told one that bridged the periods before and after contact with Western culture When Watson suggested the book to Anyan she was elated She was anxious that everyone know about Tairora Her pride in her upbringing in her culture in her beautiful corner of the world was apparent Individuals experience the shock of cultural transplantation in many ways As Watson writes some of

those forced to make the move from one culture to another were consumed by it and some were consigned to straddling the dark void that the cultural disparities created Others like Anyan were able to maintain equilibrium in both cultures Anyan's Story will be of interest to anthropologists and other social scientists It is a valuable study of gender roles women's experience in cross cultural societies and culture shock
