Look After Your Back:

Don't Look Back! Vanessa Grossett, 2010 So you say that you're a Christian But what happens when things don't go according to plan What happens when you pray and don't get the answer you want Is your faith strong enough to pull you through or will you falter questioning your beliefs and the God you claim to trust It is estimated that 90 percent of Christians backslide giving into their sinful nature and allowing the devil to regain control As a result many of them end up worse than they were before they came to know Christ Don't Look Back The Harmful Consequences of Backsliding explores the dangers of turning your back on God Author Vanessa Grossett tells the story of Esther a pastor successful businesswoman and faithful Christian But when God commands her to wait on an answer to prayer Esther's patience runs out leading her down a path of unrepentance and destruction Through this illustration and other biblically based teaching readers will learn how a Christian can spot the signs of backsliding why a Christian might backslide how God deals with backsliding
