Looking At Religion Christian:

Eight Ways of Looking at Christianity Granville Hicks, 1926 **An Evolutionist Looks at Religion** Charles Augustus Collin, 1928 *Worldview of the Christian Faith* Joseph Charles Beach, 2022-10-27 Worldview of the Christian Faith explores the differing worldviews of our society against the backdrop of what Christians should believe Joseph Charles Beach a devoted believer in our Lord and Savior Jesus Christ answers questions such as Why do morals and values matter Is the Bible still relevant in today's modern world How can Christians stand up for the truth instead of caving in to the whims of society Can Christians defend their faith amid so many assaults on God and the Bible The author also explores whether science and the Bible can coexist and argues that skeptics of the Word should give Christianity another look It may surprise you how accurate the Bible is despite what you may have heard Only the Christian faith can offer hope truth and value to you as an individual Whether you have lost your faith want to ignite it or are confused about what to believe you'll find valuable guidance in this book Sermons on the Chief Doctrines and Duties of the Christian Religion, in Their Natural Order William Dalglish, 1799 Religions Around the World Encyclopaedia Britannica, Inc., 2012-04-01 Updated for 2012 and part of the Britannica Learning Library Series in Religions Around the World you will learn about the people traditions and diverse ideas that make up the many religions of the world How You Can Run The Christian Race Successfully Looking Unto Jesus Emmanuel Allotey, 2024-05-28 A Christian book about Christian discipleship that will inspire you to make Jesus your standard for life **Vodou and Christianity in Interreligious Dialogue** Celucien L. Joseph, Charlene Desir, Lewis A. Clormeus, 2023-10-30 Vodou and Christianity in Interreligious Dialogue addresses both historical factors and ideological issues that created antagonism and conflict between Christians and Vodouists in Haiti The book offers practical solutions and strategies to help create a harmonious and peaceful environment between religious practitioners associated with Vodou and Christianity Toward this goal this volume considers various perspectives and theories such as autobiography anthropology ethnographic fieldwork religious experience and gender to examine the subject matter This volume offers practical examples and resources on how to engage in interreligious dialogue and promote interreligious education in Haiti There are three philosophical and practical ideas underlying this book project 1 it is grounded on the belief that religion has value and it could bring social goods to different communities and enhance human dignity and justice 2 it is premised on the idea that dialogue and cooperation are necessary for nation building and human development as democratic ideals and that one of the leading functions of the world's religious traditions is to promote both cooperation and dialogue through mutual understanding and for the common good and 3 that the power and public role of religion in society can be used as a major force of unification and peace building among divergent factions and schools of thought and to promote reconciliation mutual respect and friendship in the world **Rooted in Hope: China - Religion - Christianity Vol 2** Barbara Hoster, Dirk Kuhlmann, Zbigniew Wesolowski, 2017-03-27 This Festschrift is dedicated to the former Director and Editor in chief of the

Marks,David C. Dollahite,2025-07-21 Now in its second edition this multidisciplinary text addresses the growing scholarly connection between religion and family life while offering an accurate and engaging account of why and how families are impacted by their religion This updated volume integrates the social science literature from family studies psychology sociology and religion with narratives drawn from in depth interviews with 300 racially religiously and regionally diverse families that bring the concepts to life Written in a thought provoking accessible style by two of the leading researchers in the field this book reflects the author s first hand experience in teaching today s students about religion s influence on families This book examines Christianity Judaism and Islam addresses the impact of religious involvement on longevity divorce rates and parenting styles and considers demographic family couple and individual level data that relate to prayer and other sacred practices New chapters explore The Conflicts Struggle and Stressors of Religion Racial and Ethnic Minorities and Religion Religion Sex and Gender Roles in Marriage Pedagogical features include boldfaced key terms defined in the glossary text boxes chapter conclusions summary points and review questions Intended as a text for undergraduate courses in family and religion the psychology or sociology of the family the psychology or sociology of religion pastoral biblical counseling or family and youth ministry taught in human development and family studies psychology sociology religion social work pastoral counseling and philosophy this book is also relevant to family therapists and counselors Course Corrections to Faith and Identify the Real Gospel Authors John Zavicar,2022-07-19 The author

believed he was a saved Christian and never doubted he was going to heaven Recently during a traumatic surgery that nearly killed him God took him to hell to show him his true eternal destination After surgery and during recovery John started working with the Holy Spirit to understand why God sent him to visit hell He realized it was because he hadn't wholeheartedly accepted the story of Jesus Many of the Biblical Gospels never made sense to John and he couldn't fully commit to Jesus Read John's story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith Following this investigation John committed 100% to Jesus Apply the five step process he describes to firm up your faith and eliminate your doubts in Jesus just as he did A Rabbi Looks at Jesus' Parables Frank Stern, 2006

Intended to appeal to both Christians and Jews A Rabbi Looks at Jesus Parables is an introduction to the teachings of Jesus and compares the similarities and differences in Jesus thinking to other Jewish sources from first century Palestine Each chapter uncovers hidden messages within each of Jesus parables and discusses each parable within its first century religious and historical context The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history **Soul Searching : The Religious and Spiritual Lives of American Teenagers**

Christian Smith Dr William R Kenan Jr Professor of Sociology University of Notre Dame, Candidate University of North Carolina Melina Lundquist Denton Ph.D, Chapel Hill USA, 2005-01-25 In innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked Very few such efforts pay serious attention to the role of religion and spirituality in the lives of American adolescents But many teenagers are very involved in religion Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly 60% say that religious faith is important in their lives 40% report that they pray daily 25% say that they have been born again Teenagers feel good about the congregations they belong to Some say that faith provides them with guidance and resources for knowing how to live well What is going on in the religious and spiritual lives of American teenagers What do they actually believe What religious practices do they engage in Do they expect to remain loyal to the faith of their parents Or are they abandoning traditional religious institutions in search of a new more authentic spirituality This book attempts to answer these and related questions as definitively as possible It reports the findings of The National Study of Youth and Religion the largest and most detailed such study ever undertaken The NYSR conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed The results show that religion and spirituality are indeed very significant in the lives of many American teenagers Among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought They refute the conventional wisdom that teens are spiritual but not religious And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes This eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because

teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole

'Hell': A Hard Look at a Hard Question David J. Powys, 2007-01-01 I welcome this rigorous examination of some of the many questions which are raised by the doctrine of hell At a time when it is rare to hear even heaven spoken about in our churches it is encouraging that this sober theme is once more in our sights It was plainly often on the lips of Jesus Nigel M de S Cameron Trinity International University Dr Powys has pursued a rigorous examination of the Scriptures He rivets our attention on what the New Testament actually says about the fate of the unrighteous This is a seminal work David Claydon Federal Secretary CMS Australia The author writing from a position of biblical conservatism has presented a powerful convincing and scholarly case for the view that the unrighteous will forfeit resurrection life in the Kingdom of God It is in my judgment the most thorough treatment of the issue in recent years John W Pryor Macquarie University This book is an impressive thorough discussion of a thorny question Dr Powys is at home in many branches of biblical studies He examines the biblical evidence carefully and sets his case out lucidly and with real insight showing convincingly how ill founded are many ancient and many recent views on the fate of the unrighteous His own solution of a set of complex exegetical and theological issues is judicious and clearly the end result of careful thought from the Foreword by Graham Stanton University of Cambridge David Powys has made a significant contribution to an increasingly important debate His book's real strength lies in its very careful study of New Testament teaching in the light of a comprehensive analysis of the Old Testament and Jewish literature This literature is rightly seen not merely as background but as the key to a right understanding of the New Testament teaching I wish that such a clear discussion had been available when I first began engaging with these questions Stephen Travis St John's College Nottingham David Powys was educated at The University of Melbourne He gained degrees in arts and social work studied theology at Ridley College and was ordained in 1981 Dr Powys has ministered in four Melbourne parishes He is an Examining Chaplain to the Archbishop of Melbourne and a member of Archbishop in Council and National Synod He was awarded the Doctor of Theology by the Australian College of Theology in 1994 for his *The Hermeneutics of Hell* The present volume is a slightly abbreviated version of that dissertation

Religion Malory Nye, 2003 Is religion the same as culture How does it fit with life in the modern world Do you have to believe to be part of one From televangelism in the American South to the wearing of hijab in Britain and Egypt from the rise of paganism to the aftermath of September 11th this accessible guide looks at the ways in which religion interacts with the everyday world in which we live A comprehensive introduction to the world of religion it includes religion and culture how power operates in religion gender issues the role of belief rituals and religious texts religion in the contemporary world *Religion The Basics* offers an invaluable and up to date overview for anyone wanting to find out more about this fascinating subject

The Popular Handbook of World Religions Daniel J McCoy, 2021-03-23 A Christian's Guide to the World's Most Prominent Religions Meeting people from other religions is an

incredible blessing and a unique challenge As Christians what do we need to know about their beliefs to effectively interact with them And how can we share about Jesus with sensitivity for someone s relationship to their current faith A compilation from some of today s top religion scholars The Popular Handbook of World Religions is a clear and insightful guide to understanding and conversing with followers of the world s major belief systems You will gain a balanced nuanced comprehension of what followers of other religions believe and see how those beliefs compare with those of Christianity develop deeper respect for different cultures and appreciate their unique traditions and ideas learn how to share about Christ with true compassion and a recognition of other people s individuality and heritage Featuring the writings of Dr Douglas Groothuis Dr Paul Copan Dr Winfried Corduan and more The Popular Handbook of World Religions is designed to help you gain the wisdom you need to interact with people of other faiths from atheism to Judaism Buddhism to Islam Jainism to Sikhism and more Searching For God And Finding Allah Gene Netto, 2019-11-19 What does Islam say about Christianity Jesus the Trinity the Holy Bible and Almighty God What does Islam say about the Absolute Truth of Islam the Prophet Muhammad and the Holy Qur an also spelled Koran If there is only One Almighty God then Christians and Muslims must be praying to the same God So what are the differences between the two religions and why do Muslims reject Christianity the Bible and Jesus as the Son of God but still accept Jesus as a prophet of God For non devout and ex Christians this book will explain the problems with Christianity from an Islamic perspective It will also explain that the Prophet Muhammad was sent to replace Jesus as the next person in a succession of prophets that started with the Prophet Adam and finished with the Prophet Muhammad For Muslims who grew up without a strong religious education this book will explain that all religions are not the same that Christianity is no longer valid or accepted by God and that we should use the logical brains that God gave us to understand Islam In this book you will discover that Islam is simply the continuation of Judaism and Christianity that Islam is the One True Religion of Almighty God and always has been since the time of Adam and Eve and that the Prophet Muhammad is the next messenger and also the Final Messenger from God that Jesus promised to his followers Gene Netto *Searching the Soul of the College and University in America* Stephen J. Nelson, 2023-10-30 This is a story of religious and democratic covenants and controversies in the foundations of the American nation and in the soul of its colleges and universities Its powers are religion and politics in America the creeds and convictions constituting the beliefs and theologies of citizens and religious people Critically overlapping and entangled democratic beliefs and convictions distinctly define the American body politic and are in the foundation of the nation and its colleges and universities In that story an unmistakable feature and idea is that the religion of the Republic in America is intertwined with and parallel to a symbiotic religion of the academy in its colleges and universities The nation and its colleges share the same space history and religious and democratic heralds and heroes Democratic and political theories and philosophies and competing and cooperating religious faiths and impulses have been reflected both the Republic and in battles waged about the essential

nature of the American nation and its colleges and universities These traits constitute how America its public and its citizens in and outside the gates of the academy have wrestled with the aspirations and ideals that define civic duty the commons and the common good

The Habits of Race and Faith in a Religiously Diverse World Mara Brecht, 2024-07-08 Religious diversity cultural pluralism and interreligious encounter are widely viewed in modern life as socially and for many people of faith spiritually enriching One of the most significant but frequently overlooked benefits of interreligious encounter is that it empowers us to see ourselves and particularly our racialized identities in new and revealing ways In The Habits of Race and Faith in a Religiously Diverse World Mara Brecht places whiteness under particular scrutiny its tangled and entwined relationship with religious identity as well as strategic associations with dominance and privilege The analysis of whiteness gives way to fresh perspectives on Christian ideas about salvation both in connection to religious faith and racial embodiment
