*Wasted Evangelism* Chip M. Anderson,2013-10-04 What is the relationship between the gospel and the church s responsibility toward the poor Can social action be evangelism *Wasted Evangelism* is an exploration in the Gospel of Mark on the subject of evangelism and social action A proclamation centered definition of evangelism based on the etymology of the word evangelize and a few isolated proof texts is devoid of much of the biblical content that Mark offers to us through his Gospel detaching the concept of evangelism from the narrative meaning that Mark gives to the gospel of Jesus Christ In *Wasted Evangelism* Chip Anderson develops an exegetically based narrative understanding of biblical evangelism which according to Mark s Gospel includes God s care for the economically vulnerable and his concern for the issues of poverty The studies gathered in this volume propose that social action should not be considered a separate distinct responsibility for the church but is rather a vital component of evangelism A close examination of Mark s Gospel and the biblical texts associated with idolatry poverty and justice provides an opportunity for church leadership to rethink the evangelistic activities of their churches and to reconsider what it means to engage their surrounding communities as agents of God s kingdom     *Making Christianity Manly Again* Jennifer McKinney,2023-01-20 A look inside one of America s most politically consequential

churches Mark Driscoll the founding pastor of Seattle's Mars Hill Church indelibly impacted American evangelicalism Driscoll's brash authoritarian and profanity laden leadership grew Mars Hill Church into one of the fastest growing most innovative and most influential churches in the country not an easy task in one of America's most secular cities Driscoll's gender theology put men at the forefront of American Christianity rebranding Jesus from a gay hippie in a dress to a sword carrying robe dipped in blood warrior This type of rhetoric paved the way for evangelicals embrace of hypermasculine Christianity priming the pump for their unprecedented support of Donald Trump in the 2016 and 2020 Presidential elections Making Christianity Manly Again places Driscoll's gender theology in its social and historical contexts and analyzes the contemporary social patterns that explain how a hypermasculine theology helped create a megachurch empire By addressing the rhetoric of Driscoll's movement through his sermons along with narratives from former Mars Hill Church members sociologist Jennifer McKinney leads us to a better understanding of the dynamics of the evangelical impulse to reclaim and glorify men's power These dynamics as McKinney shows have fueled a growing Christian nationalist movement with enormous implications for religion and politics in America
